## **SBAB participates in the calculation of Stibor**

**As of September 26<sup>th</sup>, SBAB Bank AB (publ) (SBAB) will participate in the calculation of Stibor through providing data to NASDAQ Stockholm.**

SBAB will become the seventh bank to participate in the Stibor calculation, accompanied by Danske Bank, Handelsbanken, Länsförsäkringar Bank, Nordea, SEB and Swedbank.

### **Information about Stibor**

Stibor (Stockholm Interbank Offered Rate) is a reference rate that shows an average of the interest rates at which a number of banks active on the Swedish money market ("the Stibor banks") are willing to lend to one another without collateral at different maturities.
