

AB SVERIGES SÄKERSTÄLLDA OBLIGATIONER (publ) (THE SWEDISH COVERED BOND CORPORATION)

(Incorporated with limited liability in the Kingdom of Sweden)

€16,000,000,000

Euro Medium Term Covered Note Programme

On 20 June 2006, AB Sveriges Säkerställda Obligationer (publ) (The Swedish Covered Bond Corporation) (the **Issuer**) established a Euro Medium Term Covered Note Programme as subsequently amended. This prospectus (the **Prospectus**) supersedes all previous prospectuses relating to the Programme (as defined below). Any Notes to be issued after the date hereof under the Programme are issued subject to the provisions set out herein. This does not affect any Notes issued prior to the date hereof.

Under the €16,000,000,000 Euro Medium Term Covered Note Programme (the **Programme**) described in this Prospectus, the Issuer may from time to time issue notes (the **Notes**) in accordance with the Swedish Act on Covered Bonds (Sw. Lag (2003:1223) om utgivning av säkerställda obligationer) (the **Act on Covered Bonds**) denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below).

The Notes will be issued either (i) in bearer form or (ii) in uncertificated and dematerialised book entry form registered in the Norwegian Central Securities Depository, Verdipapirsentralen ASA or VPS (**VPS Notes** and the **VPS**, respectively).

The Notes may be issued on a continuing basis to the Initial Dealer specified under “*Overview of the Programme and Terms and Conditions of the Notes*” and any additional dealer(s) appointed under the Programme from time to time by the Issuer (each a **Dealer** and, together, the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Prospectus to the **relevant Dealer** shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see “*Risk Factors*” below.

Application has been made to the United Kingdom Financial Conduct Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 (the **UK Listing Authority** and the **FSMA**, respectively) for Notes issued under the Programme (other than Exempt Notes (as defined below)) during the period of 12 months from the date of this Prospectus to be admitted to the official list maintained by the UK Listing Authority (the **Official List**) and to the London Stock Exchange plc (the **London Stock Exchange**) for such Notes to be admitted to trading on the London Stock Exchange’s regulated market. References in this Prospectus to Notes being **listed** (and all related references) shall mean that such Notes have been admitted to the Official List and have been admitted to trading on the London Stock Exchange’s regulated market. The London Stock Exchange’s regulated market is a regulated market for the purposes of Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**).

The requirement to publish a prospectus under the Prospectus Directive (as defined below) only applies to Notes which are to be admitted to trading on a regulated market in the European Economic Area (the **EEA**) and/or offered to the public in the EEA in circumstances where no exemption is available under Article 3.2 of the Prospectus Directive. References in this Prospectus to **Exempt Notes** are to Notes for which no prospectus is required to be published under the Prospectus Directive. The UK Listing Authority has neither approved nor reviewed any information contained in this Prospectus in connection with Exempt Notes.

In respect of any Tranche (as defined under “*Terms and Conditions of the Notes*” below) of Notes issued under the Programme, notice of the aggregate nominal amount of such Notes, interest (if any) payable in respect of such Notes, the issue price of such Notes and certain other information not contained herein which is applicable to such Tranche will (other than in the case of Exempt Notes, as defined above) be set out in a final terms document (the **Final Terms**) which will be delivered to the UK Listing Authority and the London Stock Exchange on or before the date of issue of the Notes of such Tranche. Final Terms relating to Notes to be listed on the London Stock Exchange will also be published on the website of the London Stock Exchange through a regulatory information service and will be available from the registered office of the Issuer and from the specified office of the Principal Paying Agent (as defined below) for the time being in London. In respect of any Tranche of Exempt Notes, notice of the terms which shall apply to such Tranche will be set out in a pricing supplement document (the **Pricing Supplement**). Copies of Pricing Supplements in relation to Exempt Notes will only be obtainable by a holder of such Notes and such holder must produce evidence satisfactory to the Issuer or, as the case may be, the Principal Paying Agent as to its holding of such Notes and identity.

The Programme provides that Exempt Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchanges or markets (provided that such exchange or market is not a regulated market for the purposes of MiFID II) as may be agreed between the Issuer and the relevant Dealer. The Issuer may also issue unlisted Exempt Notes and/or Exempt Notes which are not listed or admitted to trading on any stock exchange or market.

The Issuer has a long-term funding rating of Aaa from Moody’s Investors Service Limited (**Moody’s**). Notes issued under the Programme are expected on issue to be assigned a credit rating of Aaa by Moody’s. Moody’s is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**). Details of the rating of any Tranche of Notes to be issued under the Programme will (if applicable) be specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement). A credit rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating organisation.

The Issuer may also issue Swedish Benchmark Bonds (as defined herein), Australian Covered Bonds (as defined herein) and other securities pursuant to the Act on Covered Bonds from time to time.

The date of this Prospectus is 14 June 2018.

IMPORTANT INFORMATION

This Prospectus comprises a base prospectus in respect of all Notes other than Exempt Notes issued under the Programme for the purposes of Article 5.4 of the Prospectus Directive but is not a prospectus for the purposes of Section 12(a)(2) or any other provision of, or rule under, the Securities Act (as defined below). When used in this Prospectus, **Prospectus Directive** means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in a relevant Member State of the EEA.

The Issuer accepts responsibility for the information contained in this Prospectus and the Final Terms or Pricing Supplement, as the case may be, for each Tranche of Notes issued under the Programme. To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see "*Documents Incorporated by Reference*" below). This Prospectus shall be read and construed on the basis that such documents are incorporated and form part of this Prospectus.

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €16,000,000,000 (or its equivalent in other currencies calculated as described in the Programme Agreement (as defined under "*Subscription and Sale and Selling Restrictions*")), subject to increase as described therein.

Save for the Issuer, no other party has verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Arranger or any of the Dealers as to the accuracy or completeness of the information contained or incorporated in this Prospectus or any other information provided by the Issuer in connection with the Programme or any Notes. Neither the Arranger nor any Dealer accepts any liability in relation to the information contained or incorporated by reference in this Prospectus or any other information provided by the Issuer in connection with the Programme or any Notes.

No person is or has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Prospectus or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger or any of the Dealers.

Neither this Prospectus nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer, the Arranger or any of the Dealers that any recipient of this Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of the Issuer, the Arranger or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Arranger and the Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Programme or to advise any investor in the Notes of any information coming to their attention.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**), and are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (see “*Subscription and Sale and Selling Restrictions*”).

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer, the Arranger and the Dealers do not represent that this Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the Arranger or the Dealers which is intended to permit a public offering of any Notes or distribution of this Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented that all offers and sales by them will be made on the same terms. Persons into whose possession this Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States, the EEA (including the Kingdom of Sweden, the Kingdom of Norway, the United Kingdom, France and Italy) and Japan. See “*Subscription and Sale and Selling Restrictions*”.

This Prospectus has been prepared on a basis that would permit an offer of Notes with a denomination of less than €100,000 (or its equivalent in any other currency) only in circumstances where there is an exemption from the obligation under the Prospectus Directive to publish a prospectus. As a result, any offer of Notes in any Member State of the EEA which has implemented the Prospectus Directive (each, a **Relevant Member State**) must be made pursuant to an exemption under the Prospectus Directive from the requirement to publish a prospectus for offers of Notes. Accordingly, any person making or intending to make an offer of Notes in that Relevant Member State may only do so in circumstances in which no obligation arises for the Issuer, the Arranger or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. None of the Issuer, the Arranger and any Dealers have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer, the Arranger or any Dealer to publish or supplement a prospectus for such offer.

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of its investment in light of its own circumstances. In particular, each potential investor should consider, either on its own or with the help of its financial and other professional advisors, whether it:

- (a) has sufficient knowledge and experience to make an informed assessment of (i) the Terms and Conditions and Final Terms (or, in the case of Exempt Notes, Pricing Supplement) for the relevant Notes and (ii) the benefits and risks of investing in the relevant Notes, based upon the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (b) has access to, and knowledge of, appropriate analytical tools to properly evaluate, in the context of the investor’s particular financial situation, an investment in the relevant Notes and the impact such an investment would have on the investor’s investment portfolio;
- (c) has sufficient financial resources and liquidity to bear the risks of an investment in the relevant Notes, including possible currency exchange rate risks;

- (d) thoroughly understands the Terms and Conditions and the Final Terms (or, in the case of Exempt Notes, Pricing Supplement) of the relevant Notes and is familiar with the behaviour of the financial markets (in particular with the Swedish financial market); and
- (e) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the associated risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

In making an investment decision, investors must rely on their own examination of the Issuer and the terms of the Notes being offered, including the merits and risks involved.

None of the Arranger, the Dealers and the Issuer makes any representation to any investor in the Notes regarding the legality of its investment under any applicable laws. Any investor in the Notes should be able to bear the economic risk of an investment in the Notes for an indefinite period of time.

IMPORTANT – EUROPEAN ECONOMIC AREA RETAIL INVESTORS

If the applicable Final Terms (or Pricing Supplement, in the case of Exempt Notes) includes a legend entitled “*Prohibition of Sales to European Economic Area Retail Investors*”, the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive 2002/92/EC on insurance mediation (as amended, the **Insurance Mediation Directive**), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently, no key information document required by Regulation (EU) No. 1286/2014 on key information documents for packaged retail and insurance-based investment products (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II PRODUCT GOVERNANCE / TARGET MARKET

In respect of each issue of Notes, the applicable Final Terms (or Pricing Supplement, in the case of Exempt Notes) will include a legend titled “*MiFID II Product Governance*” which will outline the target market assessment in respect of the relevant Notes and which channels for distribution of the relevant Notes are appropriate. Any person subsequently offering, selling or recommending such Notes (a **distributor**) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of such Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue of Notes about whether, for the purpose of the MiFID II Product Governance rules under Commission Delegated Directive (EU) 2017/593 (the **MiFID II Product Governance Rules**), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the other Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID II Product Governance Rules.

BENCHMARKS REGULATION

Interest and/or other amounts payable under the Notes may be calculated by reference to certain reference rates. In the case of Notes other than Exempt Notes, any such reference rate may constitute a benchmark for the purposes of Regulation (EU) 2016/1011 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds (as amended, the **Benchmarks Regulation**). If any such reference rate does constitute such a benchmark, the applicable Final Terms will indicate whether or not the benchmark is provided by an administrator included in the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority (**ESMA**) pursuant to Article 36 (Register of administrators and benchmarks) of the Benchmarks Regulation. Transitional provisions in the Benchmarks Regulation may have the result that the administrator of a particular benchmark is not required to appear in the register of administrators and benchmarks at the date of the applicable Final Terms. The registration status of any administrator under the Benchmarks Regulation is a matter of public record and, save where required by applicable law, the Issuer does not intend to update the applicable Final Terms to reflect any change in the registration status of the administrator.

PRESENTATION OF INFORMATION

All references in this Prospectus to **SEK** refer to the lawful currency of the Kingdom of Sweden, to **U.S. dollars**, **U.S.\$**, **USD** and **\$** refer to the lawful currency of the United States of America, to **Japanese Yen**, **JPY** and **Yen** refer to the lawful currency of Japan, to **€**, **EUR** and **euro** refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended (the **Treaty**), to **Sterling**, **GBP** and **£** refer to the lawful currency of the United Kingdom, to **CHF** refer to the lawful currency of Switzerland, to **CAD** refer to the lawful currency of Canada, to **DKK** refer to the lawful currency of the Kingdom of Denmark, to **NOK** refer to the lawful currency of the Kingdom of Norway, to **AUD** refer to the lawful currency of Australia and to **ZAR** refer to the lawful currency of the Republic of South Africa.

USE OF WEBSITES

In this Prospectus, references to websites or uniform resource locators (URLs) are inactive textual references and are included for information purposes only. The contents of any such website or URL shall not form part of, or be deemed to be incorporated into, this Prospectus.

STABILISATION

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) acting as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment shall be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and regulations.

OVERVIEW OF THE PROGRAMME AND TERMS AND CONDITIONS OF THE NOTES

The following overview does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Prospectus and, in relation to the terms and conditions of any particular Tranche of Notes, the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement). The Issuer and any relevant Dealer may agree that Notes shall be issued in a form other than that contemplated in the Terms and Conditions, in which event, in the case of Notes other than Exempt Notes and, if appropriate, a new prospectus will be published.

This Overview constitutes a general description of the Programme for the purposes of Article 22.5(3) of Commission Regulation (EC) No. 809/2004 (as amended) implementing the Prospectus Directive.

Words and expressions defined elsewhere in this Prospectus shall have the same meanings in this Overview.

Issuer:

AB Sveriges S akerst allda Obligationer (publ) (The Swedish Covered Bond Corporation) (the **Issuer**).

The Issuer is a public limited liability company and is a wholly-owned subsidiary of SBAB Bank AB (publ) (**SBAB**). The Issuer was registered in the Kingdom of Sweden on 24 June 2003. The Issuer's corporate identification number is 556645-9755.

The Issuer holds a licence from the Swedish Financial Supervisory Authority (Sw. *Finansinspektionen*) (the **Swedish FSA**) to conduct financing business as a credit market company as well as a licence to issue covered bonds in accordance with the Swedish Act on Covered Bonds (Sw. *Lag (2003:1223) om utgivning av s akerst allda obligationer*) (the **Act on Covered Bonds**).

In addition to the Programme, the Issuer has established a programme (the **Swedish Benchmark Bond Programme**) for the issuance of Swedish benchmark covered bonds (**Swedish Benchmark Bonds** and the holders thereof the **Swedish Benchmark Bondholders**) and a programme (the **Australian Covered Bond Issuance Programme**) for the issuance of covered bonds in Australia (**Australian Covered Bonds** and the holders thereof the **Australian Covered Bondholders**) and may from time to time establish other covered bond programmes or issue covered bonds on a stand-alone basis.

Legal Entity Identifier (LEI):

1JDCK5BUVTXRRHQBEPT93

SBAB:

SBAB is a wholly state-owned public limited liability company and joint-stock banking company. The interest of the Kingdom of Sweden is represented by the Swedish Government Offices. SBAB is an independent profit making company regulated as a banking company by the Swedish Act on Banking and Financing Activities (Sw. *Lag (2004:297) om bank- och finansieringsrörelse*) and is subject to the supervision of the Swedish FSA. Please refer to the section entitled “*Information Relating to SBAB*” in this Prospectus.

SBAB was registered in the Kingdom of Sweden on 21 December 1984. SBAB’s corporate identification number is 556253-7513.

Sellers:

Initially SBAB.

The Issuer may, from time to time, enter into new sale agreements to purchase loans and related security from SBAB or other entities.

Servicer:

Pursuant to the terms of the Outsourcing Agreement (as defined under “*Information Relating to the Issuer*”), SBAB (in such capacity, the **Servicer**) has been appointed by the Issuer to provide certain services related to the loans and their related security.

The Servicer will also provide certain cash management services to the Issuer, monitor compliance by the Issuer with the matching requirements under the Act on Covered Bonds and service other parts of the ongoing business and daily operations of the Issuer.

Principal Paying Agent:

Citibank, N.A., London Branch.

VPS Trustee:

Nordic Trustee AS or any other VPS Trustee as specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement).

Cover Pool Swap Provider:

The Issuer has entered into interest rate swaps with SBAB and may enter into additional interest rate swaps with SBAB or other third party counterparties (in such capacity, each, a **Cover Pool Swap Provider**) to convert SEK interest payments received by the Issuer in respect of assets (other than Eligible Swaps) registered to the Cover Pool (as defined under “*Overview of the Programme and Terms and Conditions of the Notes – Status of the Notes*” below) into floating payments linked to 3-month STIBOR (each, a **Cover Pool Swap**).

Non-Cover Pool Swap Provider: The Issuer may enter into interest rate swaps with SBAB or other third party counterparties (in such capacity, each, a **Non-Cover Pool Swap Provider**) to convert SEK interest payments received by the Issuer in respect of assets not registered to the Cover Pool into floating payments linked to 3-month STIBOR (each, a **Non-Cover Pool Swap**).

Currency Swap Providers: In addition to the Cover Pool Swaps, the Issuer may enter into currency swaps (each, a **Currency Swap**) from time to time with SBAB or other third party counterparties (in such capacity, each, a **Currency Swap Provider**) in order to hedge currency risks arising from (a) Covered Bonds which are issued in currencies other than SEK and (b) assets (other than loans and Eligible Swaps) which are registered to the Cover Pool and are denominated in currencies other than SEK.

Interest Rate Swap Providers: In addition to the Cover Pool Swaps, the Issuer may enter into interest rate swaps (each, an **Interest Rate Swap**) from time to time with SBAB or other third party counterparties (in such capacity, each, an **Interest Rate Swap Provider**) in order to hedge the Issuer's interest rate risks in SEK and/or other currencies to the extent that they have not been hedged by a Cover Pool Swap or a Currency Swap.

The Cover Pool Swap Providers, the Currency Swap Providers and the Interest Rate Swap Providers are together referred to as the **Eligible Swap Providers**; each Cover Pool Swap, each Currency Swap and each Interest Rate Swap are together referred to as the **Eligible Swaps**; the Eligible Swap Providers and the Non-Cover Pool Swap Providers are together referred to as the **Swap Providers** and the Eligible Swaps and the Non-Cover Pool Swaps are together referred to as the **Swaps**.

Arranger: Citigroup Global Markets Limited.

Initial Dealer: Citigroup Global Markets Limited.

Dealers: The Initial Dealer and any other Dealers appointed in accordance with the Programme Agreement.

Certain Restrictions: Each issue of Notes denominated in a currency in respect of which particular laws, guidelines, regulations, restrictions or reporting requirements apply will only be issued in circumstances which comply with such laws, guidelines, regulations, restrictions or reporting requirements from time to time.

Programme Size: Up to €16,000,000,000 (or its equivalent in other currencies calculated below) outstanding at any time. The Issuer may increase the amount of the Programme in accordance with the terms of the Programme Agreement.

For the purpose of calculating the euro equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (a) the euro equivalent of Notes denominated in another Specified Currency (as specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) in relation to the

relevant Notes) shall be determined, at the discretion of the Issuer, either as of the date on which agreement is reached for the issue of Notes or on the preceding day on which commercial banks and foreign exchange markets are open for general business in London, in each case on the basis of the spot rate for the sale of the euro against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading international bank selected by the Issuer on the relevant day of calculation; and

- (b) the euro equivalent of Zero Coupon Notes and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the Issuer for the relevant issue.

Distribution: Notes may be distributed outside the United States to persons other than U.S. persons (as such terms are defined in Regulation S under the Securities Act) by way of private or public placement and on a syndicated or non-syndicated basis, subject to the restrictions set forth in “*Subscription and Sale and Selling Restrictions*” below.

Currencies: Euro, Sterling, U.S. dollars, SEK, Yen, CHF, CAD, DKK, NOK, AUD, ZAR and any other currency agreed between the Issuer and the relevant Dealer, subject to any applicable legal or regulatory restrictions.

Maturities: Such maturities as may be agreed between the Issuer and the relevant Dealer, subject to a minimum maturity of 12 months and subject to such minimum or maximum maturities as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the Issuer or the relevant Specified Currency.

Issue Price: Notes may be issued at an issue price which is at par or at a discount to, or premium over, par.

Form of Notes: The Notes will be issued either (i) in bearer form (and may be issued initially in the form of either a temporary global note (each a **Temporary Global Note**) or a permanent global note (each a **Permanent Global Note**, and together with the Temporary Global Note, the **Global Notes**) depending on TEFRA designation) or (ii) in uncertificated and dematerialised book entry form registered in the Norwegian Central Securities Depository, *Verdipapirsentralen ASA* or VPS (**VPS Notes** and the **VPS**, respectively). The Global Notes may or may not be issued in new global note (**NGN**) form.

VPS Notes will not be evidenced by any physical note or document of title. Entitlements to VPS Notes will be evidenced by the crediting of VPS Notes to accounts with the VPS.

Interest: Notes may be interest-bearing or non-interest bearing. Interest (if any) may accrue at a fixed rate or a floating rate or a combination thereof and the method of calculating interest may vary between the issue date and the maturity date of the relevant Series.

Fixed Rate Notes:

Fixed interest will be payable on such date or dates as may be agreed between the Issuer and the relevant Dealer(s) and on redemption and will be calculated on the basis of such Day Count Fraction as may be agreed between the Issuer and the relevant Dealer.

Floating Rate Notes:

Floating Rate Notes will bear interest at a rate determined:

- (i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc., and as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series); or
- (ii) on the basis of a reference rate appearing on the agreed screen page of a commercial quotation service,

as indicated in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement).

The margin (if any) relating to such floating rate will be agreed between the Issuer and the relevant Dealer for each Series of Floating Rate Notes.

Floating Rate Notes may also have a maximum interest rate, a minimum interest rate or both.

Interest on Floating Rate Notes in respect of each Interest Period, as agreed prior to issue by the Issuer and the relevant Dealer, will be payable on such Interest Payment Dates, and will be calculated on the basis of such Day Count Fraction, as may be agreed between the Issuer and the relevant Dealer.

In the case of (ii) above, the Agency Agreement contains provisions for determining the Rate of Interest in the event that the agreed screen page is not available.

Zero Coupon Notes:

Zero Coupon Notes will be offered and sold at a discount to their nominal amount and will not bear interest.

Exempt Notes:

The Issuer may agree with any Dealer that Exempt Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes, in which event the relevant provisions will be included in the applicable Pricing Supplement, which will replace, modify and/or supplement those Terms and Conditions.

Redemption:

The applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) will indicate either that the relevant Notes cannot be redeemed prior to their stated maturity, if any, (other than for taxation reasons) or that such Notes will be redeemable at the option of the Issuer upon giving notice to the Noteholders, on a date or dates specified prior to such stated maturity and at a price or prices and on such other terms as may be agreed between the Issuer and the relevant

Dealer.

Extendable Obligations:

The applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) may provide that Extended Final Maturity applies. In such a case, if the Issuer fails to pay (in full) the Final Redemption Amount in respect of the applicable Series of Notes on the Maturity Date or within two Business Days thereafter, then payment of the unpaid amount by the Issuer shall be automatically deferred until the Extended Final Maturity Date specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement), provided that any amount representing the Final Redemption Amount due and remaining unpaid on the Maturity Date may be paid by the Issuer on any Interest Payment Date occurring thereafter up to (and including) the relevant Extended Final Maturity Date. Such deferral will occur automatically if the Issuer fails to pay the Final Redemption Amount of the relevant Series of Notes on their Maturity Date or within two Business Days thereafter. Interest will continue to accrue on any unpaid amount at a floating rate specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) and will be payable on each Interest Payment Date falling after the Maturity Date up to (and including) the Extended Final Maturity Date.

Denomination of Notes:

Notes will be issued in such denominations as may be agreed between the Issuer and the relevant Dealer (as indicated in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement)), save that the minimum denomination of each Note will be such amount as may be allowed or required from time to time by the relevant central bank or supervisory authority (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency, and save that the minimum denomination of each Note (other than an Exempt Note) will be €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the time of issue).

Taxation:

All payments in respect of the Notes will be made without deduction for or on account of withholding taxes imposed within the Kingdom of Sweden, unless the withholding or deduction of such taxes is required by law (see "*Taxation – Swedish Taxation*" below). Neither the Issuer nor any Paying Agent (as defined under "*Terms and Conditions of the Notes*") will be obliged to pay additional amounts in respect of any such deduction or withholding.

Status of the Notes:

The Notes are issued on an unconditional and unsubordinated basis and in accordance with the Act on Covered Bonds. The Notes, the Swedish Benchmark Bonds, the Australian Covered Bonds and any other securities issued by the Issuer in accordance with the Act on Covered Bonds (together, the **Covered Bonds**), together with the Issuer's obligations under the Eligible Swaps, have the benefit of priority of claim to a cover pool of certain registered eligible assets (the **Cover Pool**) upon bankruptcy of the Issuer. See also "*Summary of the Swedish Legislation Regarding Covered Bonds*" below.

References in this Prospectus to **Covered Bondholders** are to the Noteholders, the Swedish Benchmark Bondholders, the Australian Covered Bondholders and the holders of any other securities issued by

the Issuer in accordance with the Act on Covered Bonds.

Rating:

Notes issued under the Programme are expected on issue to be assigned a credit rating of Aaa by Moody's. Details of the rating of any Tranche of Notes to be issued under the Programme will (if applicable) be specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement). A credit rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating organisation.

Listing and Admission to Trading:

Application has been made to the UK Listing Authority for Notes issued under the Programme to be admitted to the Official List and to the London Stock Exchange for such Notes to be admitted to trading on the London Stock Exchange's regulated market.

Exempt Notes may also be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or markets as may be agreed between the Issuer and the relevant Dealer in relation to each Series (provided that such exchange or market is not a regulated market for the purposes of MiFID II). Exempt Notes which are neither listed nor admitted to trading on any stock exchange or market may also be issued.

The applicable Final Terms relating to each Tranche of listed Notes will state when the relevant Notes are to be listed and admitted to trading.

The applicable Pricing Supplement relating to each Tranche of Exempt Notes will state whether or not the relevant Notes are to be admitted to trading and, if so, on which stock exchanges and/or markets.

Governing Law:

The Notes and any non-contractual obligations arising out of or in connection with the Notes shall be governed by, and construed in accordance with, English law, save for (i) Condition 2 of the Terms and Conditions of the Notes (the **Conditions**) which will be governed by, and construed in accordance with, Swedish law and (ii) the registration of VPS Notes in the VPS as well as the recording and transfer of ownership to, and other interests in, VPS Notes and Condition 12(b) which will be governed by, and construed in accordance with, Norwegian law. The VPS Trustee Agreement and VPS Agency Agreement will be governed by, and construed in accordance with, Norwegian law.

VPS Notes must comply with the relevant regulations of the VPS and the holders of VPS Notes will be entitled to the rights and are subject to the obligations and liabilities which arise under the relevant Norwegian regulations and legislation.

Selling Restrictions:

There are restrictions on the offer, sale and transfer of the Notes in the United States, the EEA (including the Kingdom of Sweden, the Kingdom of Norway, the United Kingdom, France and Italy) and Japan and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes.

United States Selling Restrictions: Regulation S, Category 2. TEFRA C or D/TEFRA not applicable, as indicated in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement).

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

*The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the Issuer may be unable to pay interest, principal or other amounts on or in connection with any Notes for other reasons which may not be considered significant risks by the Issuer based on information currently available to it or which it may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Prospectus, including the documents incorporated by reference, and reach their own views prior to making any investment decision. The Issuer does not represent that the statements below regarding the risks are exhaustive. As the Issuer is a wholly-owned subsidiary of SBAB Bank AB (publ) (**SBAB**), risks relating to SBAB may also, directly or indirectly, impact on the Issuer. References herein to the **SBAB Group** are to SBAB and its subsidiaries from time to time.*

RISKS RELATING TO THE ISSUER

Economic and Business Risks

Risks relating to the Kingdom of Sweden

Financial instruments issued by the Kingdom of Sweden are rated Aaa (long-term) and P-1 (short-term) by Moody's and AAA (long-term) and A-1+ (short-term) by S&P as at the date of this Prospectus. Strong public finances and a competitive export sector, combined with a well-educated labour force and a high standard of living, are circumstances that support the creditworthiness of Sweden. High tax rates and rigidities in labour and housing markets are factors that may negatively influence the creditworthiness of Sweden. Further, Sweden may also be negatively affected by disruptions in the global economy and financial markets. Although Sweden has an ageing population, already implemented pension system reforms are considered to help insulate costs related thereto from the rest of the state finances. Public finances may be dampened due to extraordinary expenses related to the increased flow of foreign migrants into Sweden. As SBAB conducts all of its business activities in Sweden, SBAB's financial performance is significantly influenced by the general economic conditions of Sweden. Any sustained decline in the general economic conditions of Sweden may have an adverse effect on SBAB's and/or the Issuer's business, financial condition and/or results of operations.

Risks relating to the Swedish mortgage market

The Swedish mortgage market is dominated by a few institutions, consisting of banks, such as SBAB, and bank-owned mortgage companies such as the Issuer. Low interest rates, rising house prices and strong increases in disposable household income have led to continued strong growth in demand for loans, especially in the residential mortgage market. One of the main risks related to the Swedish residential mortgage market is the credit risk associated with borrowers' creditworthiness, their ability to pay under the mortgage loan and with the value of the mortgaged properties. The relatively low risk profile among Swedish mortgage institutions reflects a high degree of lending to single-family homes, moderate loan-to-value ratios, high lending standards and a relatively strong repayment incentive among borrowers. However, it should be noted that the household aggregate debt to income ratio continues to increase. The housing market has been strong for many years driven by low interest rates, strong household finances, low supply of new homes in growth regions and population growth. In relation to new homes, there has recently been an increase of newly built dwellings which could have a negative impact on the housing market.

House prices may be negatively affected by, for example, changes in regulations affecting the mortgage market directly or indirectly or by a quick rise in interest rates or unemployment levels. Amortisation

requirements on residential mortgages were implemented by the Swedish FSA on 1 June 2016, and new more stringent amortisation requirements came into force on 1 March 2018. Such requirements may have an adverse effect on house prices, in particular in urban areas where the market value is higher, and has contributed to a reduction in lending growth.

Should there be a general downturn in the value of properties in Sweden, it may result in a deterioration in credit quality and the recoverability of mortgage loans of SBAB. In addition, there are certain other circumstances that may affect the level of credit losses, acceleration and payments of interest and principal amounts, such as changes regarding taxation and/or changes in the political environment. Adverse changes in the credit quality of SBAB's borrowers and counterparties could affect the recoverability and value of its assets and require an increase in SBAB's provision for bad and doubtful debts and other provisions which in turn may have an adverse effect on the SBAB Group's and/or the Issuer's business, financial condition and/or results of operations.

Concentration of location of mortgaged properties

At the date of this Prospectus, the vast majority of the Cover Pool consists of loans which are secured by mortgage certificates (Sw. *pantbrev*) in properties located in Sweden, pledges of tenant-owners' rights (Sw. *bostadsrätt*) in Sweden and loans guaranteed by the Kingdom of Sweden or Swedish municipalities. The value of the Cover Pool may therefore decline in the event of a general downturn in the value of property in Sweden or by a decline in the credit worthiness of the Kingdom of Sweden or Swedish municipalities.

Risks relating to disruptions in the global credit markets and economy

Financial markets are subject to periods of volatility, which may impact the Issuer's ability to raise debt in a similar manner, and at a similar cost, to the funding raised in the past. Challenging market conditions may result in greater volatility and reduced liquidity, widening of credit spreads and lack of price transparency in credit markets, which may affect the Issuer. These conditions and changes in financial markets, including changes in interest rates, exchange rates and returns from equity, property and other investments, may affect the financial performance of SBAB and the Issuer. In addition, the financial performance of SBAB and the Issuer could be adversely affected by a worsening of general economic conditions or political climate in the markets and regions in which it operates. The possibility of an extended period of political uncertainty and financial market volatility as a result of the UK serving notice of its intention to leave the EU under Article 50 of the Treaty on European Union in March 2017 may also adversely affect the financial performance of SBAB and the Issuer and their ability to raise debt in the international capital markets. With the details of the UK's exit from the EU still unclear, and uncertainty over trade arrangements, market access and legislative and regulatory frameworks, it is not possible to evaluate the impact the UK's exit may have on European economies and financial markets.

Systemic risk

Due to the high level of interdependence between financial institutions, SBAB and the Issuer are subject to the risk of deterioration of the actual or perceived commercial and financial soundness of other financial institutions and a default or financial difficulties of one financial institution may have negative consequences for other financial institutions and may lead to liquidity problems, losses, defaults or worsening of general economic climate in the markets in which SBAB and the Issuer operate.

Credit risk

Risks arising from changes in credit quality and the recoverability of loans and amounts due from counterparties are inherent in the business of SBAB and the Issuer. Adverse changes in the credit quality of SBAB's and the Issuer's borrowers and counterparties due to, for example, a general deterioration in the Swedish, European or global economic conditions, or arising from systemic risks in the financial systems, could affect the recoverability and value of its assets and require an increase in SBAB's or the Issuer's provision for bad and doubtful debts and other provisions.

Market risk

The most significant market risks SBAB and the Issuer face are interest rate, foreign exchange and bond price risks. Changes in interest rate levels, yield curves and spreads may affect the interest rate margin realised between lending and borrowing costs. Changes in currency rates affect the value of assets and liabilities denominated in foreign currencies and may affect income from foreign exchange. Certain currency risks can arise due to a mismatch in interest rate flows. Against this background, a liquid derivative market enabling the Issuer to swap foreign currencies is essential. Further, the performance of financial markets may cause changes in the value of SBAB's and the Issuer's liquidity portfolio.

It is difficult to predict with accuracy changes in economic or market conditions and to anticipate the effects that such changes could have on the Issuer's financial performance and business operations.

The Issuer is dependent upon the business of SBAB

The Issuer has acquired loan portfolios from SBAB, and may acquire further loans from SBAB or other parties that the Issuer enters into sale and purchase agreements with. Accordingly, the Issuer is dependent on the business of SBAB and such other parties to originate loans to be acquired by it. The Issuer will therefore be affected by general economic and business conditions which may affect not only the Issuer but also SBAB and such other parties, including changes in the economic climate, both nationally and internationally, changes regarding taxation, interest rate developments, inflation, political changes, regulatory changes, changes in the financial markets as well as changes in the business environment or business dynamics of the mortgage market.

Outsourcing risk

For the purpose of achieving efficiency benefits, SBAB and the Issuer have agreed that SBAB shall undertake certain services necessary for the Issuer to be able to carry out its business operations. According to the Outsourcing Agreement (as defined under "*Information Relating to the Issuer*"), SBAB shall perform certain services that the Issuer may need to carry out its business operations. This leads to the Issuer being dependent on SBAB and its ability to fulfil its obligations under the Outsourcing Agreement in order for the Issuer's business operations to function properly.

Operational risk

SBAB's and the Issuer's business is dependent on the ability to process a very large number of transactions efficiently and accurately. Operational risk and losses can result from fraud or other external or internal crime, errors by employees, failure to document transactions properly or to obtain proper internal authorisation, failure to comply with regulatory requirements and conduct of business rules, equipment failures, natural disasters or the failure of internal or external systems, for example, those of SBAB's and the Issuer's suppliers or counterparties.

Notwithstanding anything in this risk factor, this risk factor should not be taken as implying that the Issuer will be unable to comply with its obligations as a company with securities admitted to the Official List or as a supervised firm regulated by the Swedish FSA.

Liquidity risk

The inability of a financial institution, including the Issuer, to anticipate and provide for unforeseen decreases or changes in funding sources could have consequences on such an institution's ability to meet its payment obligations when they fall due and could result in an investor not being paid in a timely manner.

The Issuer is subject to liquidity requirements in its capacity as a credit institution supervised by the Swedish FSA, including a statutory requirement to maintain sufficient liquidity to enable it to discharge its obligations as they fall due. Liquidity requirement regulations include the European Parliament and Council Regulation (Regulation (EU) No. 575/2013) establishing the prudential requirements for credit institutions and

investment firms (known as the Capital Requirements Regulation or **CRR**) and the Commission Delegated Regulation (EU) 2015/61 with regard to liquidity coverage requirements for credit institutions. The Swedish FSA has also issued regulations on liquidity including the Swedish FSA's Regulatory Codes 2010:7, 2014:12 and 2014:21 (Sw. *FFFS 2010:7*, *FFFS 2014:12* and *FFFS 2014:21*). Serious or systematic deviations from such regulations may lead to the Swedish FSA determining that the Issuer's business does not satisfy the statutory soundness requirement for credit institutions and could result in the Swedish FSA imposing sanctions against the Issuer.

Limited access to equity capital markets

Since the Issuer is a wholly-owned subsidiary of SBAB and its shares are therefore not listed, it does not have direct access to the equity capital markets, and as a consequence, the Issuer is partly dependent upon its owner SBAB (and indirectly the Kingdom of Sweden) as a source of equity capital. If SBAB does not provide the Issuer with equity capital to the extent the Issuer needs, this could have a negative impact on the Issuer's business. The Issuer does, however, have access to the debt capital markets.

The Issuer's guidelines and policies for risk management may prove to be inadequate with respect to unidentified and unforeseen risks

The management of business, regulatory and legal risks requires, among other things, guidelines and policies for the accurate registration and control of a large number of transactions and events. Such guidelines and policies may not always be adequate. Some methods used by the Issuer to estimate, measure and manage risk are based on perceived historic market behaviour and may therefore prove to be inadequate for predicting future risk exposure. Other methods for risk management are based on the evaluation of information regarding markets, customers or other information that is publicly known or otherwise available to the Issuer. Such information has not always been and may not always be accurate or correctly evaluated or a reliable indicator of default and may therefore be inadequate for the purpose of risk management, which may in turn have a material adverse effect on the Issuer's financial condition and results of operations.

SBAB is subject to the risk of failure or interruption to its IT and other systems

SBAB's business is dependent on the ability to keep a large amount of customer information and to process a large number of transactions as well as on internal and external systems for its loan distribution. Disruptions in SBAB's IT or other systems may have a material adverse effect on SBAB's and/or the Issuer's ability to conduct its business and furthermore its financial condition and results of operations. Disruptions may, for example, be caused by internal factors such as larger projects for replacing or upgrading existing IT platforms and/or systems or by external factors such as the availability of experts vital for technical support or completion of embarked projects.

Furthermore, any breach in security of SBAB's IT systems, for example, from increasingly sophisticated attacks by cybercrime groups, could disrupt its business, result in the disclosure of confidential information and/or create significant financial and/or legal exposure and the possibility of damage to SBAB's and/or the Issuer's reputation and/or brand.

The loss of key personnel may adversely affect the Issuer's performance

As set out above under "*Outsourcing risk*", the Issuer outsources certain services necessary for the Issuer to be able to carry out its business operations. Thus, the Issuer's performance is dependent on the talent, experience and commitments of highly skilled individuals of SBAB. The Issuer's ability to compete effectively in its businesses is dependent on SBAB's ability to retain and motivate its existing employees and, where necessary, recruit skilled employees. Competition from within the financial services industry and from businesses outside the financial services industry for qualified employees is intense and an inability to keep and, if necessary, recruit skilled personnel might have adverse effect on the financial performance of the Issuer.

The Issuer's funding costs and its access to the debt capital markets depend significantly on its credit ratings

Any downgrade of the Issuer's credit ratings could increase its borrowing costs, adversely affect the liquidity position of the Issuer, limit its access to the capital markets, undermine confidence in (and the competitive position of) the Issuer, trigger obligations under certain bilateral terms in some of its trading and collateralised financing contracts (including requiring the provision of additional collateral or the replacement of the Issuer with another counterparty) and/or limit the range of counterparties willing to enter into transactions with the Issuer. Any of the events above could have a material adverse effect on the Issuer's business and results of operations.

Risks relating to the Issuer's collateral

Given that a considerable part of the Issuer's loans are secured by mortgage certificates (Sw. *pantbrev*) in properties located in Sweden or pledges of tenant-owners' rights (Sw. *bostadsrätt*) in Sweden as collateral, the credit risk is partly related to the performance of the real estate and housing market in Sweden. There can be no guarantees regarding the future development of the value of the collateral. When collateral is enforced, a court order may be needed to establish the borrower's obligation to pay and to enable a sale by execution measures. The Issuer's ability to enforce the collateral without the consent of the borrower is thus dependent on the above-mentioned decisions from a court and the execution measures and on other relevant circumstances in the mortgage market and in the demand for the relevant real property. Should the prices of real property and the housing market substantially decline, this would affect the Issuer. There are many circumstances that affect the level of credit loss, early repayments, withdrawals and final payments of interest and principal amounts, such as changes in the economic climate, both nationally and internationally, changes regarding taxation, interest rate developments, inflation and political changes.

No due diligence

None of the Dealers, the Arranger and the Issuer has or will undertake any investigations, searches or other actions in respect of the individual loans and other assets comprising the Cover Pool and there may therefore be issues or concerns that would have been discovered during such investigation that therefore remain undetected.

Limited description of the Portfolio

Noteholders will not receive detailed statistics or information in relation to the loans and other assets contained or to be contained in the Cover Pool, as it is expected that the constitution of such Cover Pool may change from time to time due to, for example, the purchase of further loans by the Issuer from time to time.

SBAB group account structure

Payments owing to the Issuer in respect of its assets will be received on behalf of the Issuer under the SBAB group account structure held with Skandinaviska Enskilda Banken AB (publ) (**SEB**). Payments will on a daily basis be credited to the relevant sub-ledgers of the Issuer in the SBAB group account structure. Therefore, SBAB has agreed with the Issuer, primarily pursuant to the Subordination Agreement (as defined under "*Information Relating to the Issuer*"), that the Issuer will have a claim against SBAB for any amount credited to the Issuer's sub-ledgers and SBAB will be obliged to fully repay the Issuer upon first demand by the Issuer irrespective of whether or not SBAB receives payment of such amount from SEB or any other banking institution handling the SBAB group account structure. In addition, SBAB waives any circumstances which could release SBAB from its obligation to repay such funds to the Issuer. Accordingly, the Issuer is exposed to the credit risk of SBAB, and therefore indirectly to the credit risk of SEB.

Legal and regulatory risks relating to the SBAB Group

Impact of legal and regulatory changes

The Issuer's business is subject to regulation and regulatory supervision pursuant to directives, laws, regulations and policies issued by, *inter alia*, the European Union (EU) and the Kingdom of Sweden. Any significant legal or regulatory developments could have an effect on how the Issuer conducts its business and on the Issuer's results of operations. This supervision and regulation, in particular in the EU and the Kingdom of Sweden, if changed, could materially affect the Issuer's business, the products and services it offers or the value of its assets. In the aftermath of the global economic crisis, many initiatives for regulatory changes have been taken and the impact of such initiatives is still difficult to predict in full.

Changes in tax legislation

SBAB and the Issuer's business and transactions are conducted in accordance with their interpretation of applicable laws, tax treaties, regulations, case law and requirements of the tax authorities. However, there can be no assurance that their interpretation of applicable laws, tax treaties, regulations, case law or other rules or administrative practice is correct, or that such rules or practice will not change, possibly with retroactive effect.

Increased capital requirements and standards

The implementation of the CRR (as defined above in the risk factor "*Liquidity risk*") and a European Council Directive (Directive 2013/36/EU) governing access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms (known as **CRD IV**) has resulted in higher capital requirements. Also, CRR and CRD IV are both to be supported by a set of binding technical standards currently being developed by the European Banking Authority (the **EBA**). The regulatory framework will continue to evolve and any resulting changes could have a material impact on SBAB's business.

The changes to the capital adequacy framework include, *inter alia*, stricter minimum capital requirements for the components in the capital base with the highest quality: common equity tier 1 (**CET1**) capital must be at least 4.5 per cent. of risk weighted assets at all times and tier 1 capital 6.0 per cent. The minimum total capital (or "own funds") requirement (tier 1 capital plus tier 2 capital) is 8.0 per cent. of the total risk exposure amount. In addition to the minimum capital requirements, CRD IV introduces further capital buffer requirements that are required to be satisfied with CET1 capital. Certain buffers may be applicable to SBAB and the Issuer as determined by the Swedish FSA. A breach of the combined buffer requirements will result in restrictions on certain discretionary capital distributions from the bank, for example, dividend and coupon payments on CET1 and tier 1 capital instruments. However, according to a decision of the Swedish FSA dated 3 July 2017, neither SBAB nor the Issuer is currently considered as a systemically important institution and thus they are not subject to the buffer requirement for systemically important institutions. In addition, neither SBAB nor the Issuer is subject to the systemic risk buffer requirements. There can, however, be no assurance that the Issuer or SBAB will not be designated a systemically important institution or subject to systemic risk buffer requirements in the future.

The countercyclical buffer rate is a capital requirement which varies over time and is to be used to support credit supply in adverse market conditions. The countercyclical capital buffer for Sweden is currently 2 per cent., having been increased from 1.5 per cent. from 19 March 2017. Such measures and any other changes in the risk weighting of assets may cause reductions in the capital adequacy ratios and solvency levels of SBAB and the Issuer and/or cause the applicable minimum capital requirements to increase.

On 11 May 2015, the Swedish FSA published a memorandum describing the methods it plans to use to evaluate the capital requirements as regards the three most important risk types within other Pillar 2 requirements for all major Swedish banks, namely credit-related concentration risk, interest rate risk in the banking book and pension risk. The Swedish FSA has applied these methods in the Supervisory Review and Evaluation Process (SREP) 2015. The results of the SREP are made public quarterly by the Swedish FSA. There can be no assurance that these methods will not change over time. The Swedish FSA may also introduce

additional methods for assessment of Pillar 2 risks. On 24 May 2016, the Swedish FSA established new Pillar 2 requirements for banks applying the advanced internal ratings-based approach (A-IRB) for calculating credit risk. The Issuer and SBAB currently apply the foundation internal ratings-based approach (F-IRB) when calculating credit risk for corporate exposures, and are thus not subject to additional Pillar 2 requirements due to the new method.

In December 2017, the Basel Committee on Banking Supervision (the **BCBS**) published complements to the Basel III framework. The complements, often referred to as Basel IV, entail substantial changes and are proposed to enter into force on 1 January 2022 with a phasing-in period of five years. The proposed changes need to be implemented at EU level in order for them to become applicable for Sweden. The structure and application of the regulatory capital requirements for Swedish financial institutions will also be reviewed by the Swedish FSA.

The conditions of SBAB's and the Issuer's businesses as well as external conditions are constantly changing and the full set of capital adequacy rules applicable to Swedish financial institutions continues to evolve. For the foregoing reasons, SBAB and/or the Issuer may need to raise additional capital in the future. Such capital, whether in the form of debt financing, hybrid capital or additional equity, may not be available on attractive terms, or at all. SBAB and the Issuer are unable to predict what regulatory requirements may be imposed in the future or accurately estimate the impact that any currently proposed regulatory changes may have on its business, the products and services that it offers and the values of its assets. For example, if either SBAB or the Issuer is required to make additional provisions, increase its reserves or capital, or exit or change its approach to certain businesses as a result of the initiatives to strengthen the regulation of credit institutions, this could adversely affect its results of operations or financial condition. Banks that are considered systemically important in the context of the Swedish banking system, which currently comprise the four major Swedish banks, are subject to more stringent demands than other banks. The requirement for additional capital could, at a later stage, encompass more banks including SBAB.

Bank Recovery and Resolution Directive

To supplement the CRR and CRD IV legislative package, EU credit institutions are subject to a directive providing for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms (Directive 2014/59/EU) (known as the Bank Recovery and Resolution Directive (the **BRRD**)).

The BRRD establishes a framework for the recovery and resolution of credit institutions and, inter alia, requires EU credit institutions to produce and maintain recovery plans setting out the arrangements that may be taken to restore the long-term viability of the institution in the event of a material deterioration of its financial position. The BRRD has been implemented into Swedish law by the Resolution Act (Sw. *Lag (2015:1016) om resolution*) and the Precautionary Support Act (Sw. *Lag (2015:1017) om förebyggande statligt stöd till kreditinstitut*). The National Debt Office (Sw. *Riksgäldskontoret*) has been appointed as resolution authority and has been given certain powers which can be categorised into preventive powers, early intervention powers and resolution powers. Ultimately, the authority may take control of a failing institution and, for example, transfer the institution to a private purchaser or to a publicly controlled entity pending a private sector arrangement. All these actions can be taken without any prior shareholder approval.

The BRRD contains a number of resolution tools and powers which may be applied by the resolution authority upon certain conditions for resolution being fulfilled. These tools and powers may be used alone or in combination and include, *inter alia*, a general power to write-down all or a portion of the principal amount of, or interest on, certain other eligible liabilities, whether subordinated or unsubordinated, of the institution in resolution and/or to convert certain unsecured debt claims including senior notes and subordinated notes into another security, including CET1 instruments of the surviving entity, which equity could also be subject to any further application of the general bail-in tool.

This means that most of such failing institution's debt could be subject to bail-in, except for certain classes of debt, such as deposits and secured liabilities. As the Notes are covered bonds and constitute "secured

liabilities” for the purposes of the BRRD, they are generally exempted from the scope of bail-in. Relevant claims for the purposes of the general bail-in tool would therefore not generally include the claims of holders of Notes issued under the Programme. Member States are required under the BRRD to ensure that all assets comprising the Cover Pool remain unaffected, segregated and with enough funding in the event that resolution authorities exercise the general bail-in tool in respect of other liabilities of a failing institution. Notwithstanding this, resolution authorities may, where appropriate, exercise the general bail-in tool in respect of any secured liability (such as a claim under the Notes) to the extent that the amounts payable in respect of such secured liability exceed the value of the assets (the Cover Pool in the case of the Notes) against which it is secured. In addition, while covered bonds, such as the Notes, are excluded from the bail-in tool, it should be noted that should the proceeds of the sale of the assets in the Cover Pool following the Issuer’s bankruptcy be insufficient to meet the claims of the holders of the Notes, any residual claims will rank *pari passu* with other unsecured and unsubordinated creditors of the Issuer (see the risk factor below entitled “*Non-compliance with matching rules*”). The BRRD does not prevent resolution authorities from exercising the bail-in tool in relation to any such residual claims.

One of the key principles in the BRRD is that the shareholders of a failing institution must bear the first losses in case of a failure. Prior to taking any resolution action that would result in losses for the creditors of the failing institution, the authorities must therefore impose losses on the shareholders by cancelling or severely diluting their shares. In general, shareholders’ claims should be exhausted before those of subordinated creditors and only when those claims are exhausted can resolution authorities impose losses on senior claims.

The BRRD also provides that a Member State may as a last resort, after having assessed and exploited the above resolution tools to the maximum extent possible whilst maintaining financial stability, provide extraordinary public financial support through additional financial stabilisation tools. These consist of the public equity support and temporary public ownership tools. Any such extraordinary financial support must be provided in accordance with the EU state aid framework.

A resolution authority will only be permitted to use resolution powers and tools in relation to an institution if it determines that all the conditions for resolution are satisfied. These conditions are (a) the determination that the institution is failing or likely to fail (the ‘failure condition’) (which in Sweden will be determined by the Swedish FSA); (b) there is no reasonable prospect that any solution, other than a resolution action taken in respect of the institution, would prevent the failure of the institution within a reasonable timeframe (the “no alternative condition”), and (c) intervention through resolution action is necessary in the public interest (the “public interest condition”).

In addition to the general bail-in tool, the BRRD provides for relevant authorities to have the further power, before any other resolution action is taken, to permanently write-down or convert into equity relevant capital instruments at the point of non-viability.

The powers set out in the BRRD will impact how institutions are managed as well as, in certain circumstances, the rights of creditors. Holders of eligible liabilities may be subject to write-down or conversion into equity on any application of the general bail-in tool and, in the case of subordinated liabilities, non-viability loss absorption. The general bail-in tool can be used to recapitalise an institution that is failing or about to fail, allowing authorities to restructure it through the resolution process and restore its viability after reorganisation and restructuring. The write-down and conversion power can be used either together with, or also, independently of, a resolution action. Other powers provided to resolution authorities under the BRRD in respect of debt instruments include replacing or substituting the institution as obligor in respect of such debt instruments; modifying the terms of debt instruments (including altering the maturity and/or the amount of interest payable and/or imposing a temporary suspension on payments), and/or discontinuing the listing and admission to trading of debt instruments.

Going forward, the BRRD has an impact on how large a capital buffer an institution will need, in addition to those set out in the CRR and CRD IV. To ensure that institutions always have sufficient loss-absorbing capacity, the BRRD requires institutions to maintain at all times a sufficient aggregate amount of “own funds” (as defined in Article 4(1)(118) of the CRR) and ‘eligible liabilities’ (namely, liabilities and other

instruments that do not qualify as Tier 1 or Tier 2 capital and that may be bailed-in using the bail-in tool) (MREL). See “*EBA draft regulatory technical standards (RTS) on criteria for determining the minimum requirement for own funds and eligible liabilities under the BRRD*” below for further information regarding the determination of an institution’s MREL under the BRRD. Eligible liabilities may be senior or subordinated, provided they have a remaining maturity of at least one year and, if governed by a non-EU law, they must be able to be written down or converted under that law or through contractual provisions.

In November 2016, the European Commission proposed changes to the BRRD with a focus on the implementation of the Financial Stability Board’s standard for total loss absorbing capacity (TLAC) into EU legislation and the alignment of the TLAC requirement with MREL rules to avoid duplication. While the TLAC requirement is proposed to be applicable only to global systemically important banks (known as G-SIBs) (and hence not to SBAB or the Issuer), the Issuer expects that the MREL implementation by the National Debt Office will need to be amended in line with the final outcome of the proposed changes to the BRRD.

On 23 February 2017, the National Debt Office presented the finalised model for the calculation of MREL, stating that systemically important institutions need to replace a portion of their existing bond issuance with subordinated bonds. Institutions which are not deemed as systemically important will not be affected by the framework presented by the National Debt Office; in a crisis, such institutions will be declared bankrupt or placed in liquidation rather than resolution. The list of systemically important institutions was announced by the National Debt Office on 20 December 2017 and included SBAB, resulting in the Issuer and SBAB being affected by the new framework (see “*EBA draft regulatory technical standards (RTS) on criteria for determining the minimum requirement for own funds and eligible liabilities under the BRRD*” below for further information in relation to the Issuer's and SBAB's MREL requirement).

It is not possible to predict exactly how the powers and tools of the National Debt Office provided in the BRRD and the Resolution Act will affect the Issuer and SBAB. Accordingly, it is not possible to assess the full impact of the BRRD and the Resolution Act on the Issuer and SBAB. The powers and tools given to the National Debt Office are numerous and the exercise of any of those powers or any suggestion of such exercise could have a substantial effect on the Issuer and/or SBAB.

EBA draft regulatory technical standards (RTS) on criteria for determining the minimum requirement for own funds and eligible liabilities under the BRRD

In order to ensure the effectiveness of bail-in and other resolution tools introduced by the BRRD, the BRRD requires that all in-scope institutions have sufficient own funds and eligible liabilities available to absorb losses and contribute to recapitalisation if the bail-in tool were to be applied. Each institution must meet an individual MREL requirement, calculated as a percentage of total liabilities and own funds and set by the relevant resolution authorities (the National Debt Office for Sweden) on a case by case basis. The MREL requirement applies to all EU credit institutions (and certain investment firms), not just to those identified as being of a particular size or of systemic importance.

In determining an institution’s MREL, the resolution authority must have regard to certain criteria specified in the BRRD and the MREL requirement for that institution will be comprised of a number of key elements, including the required loss absorbing capacity of the institution (which will, as a minimum, equate to the institution’s capital requirements under CRD IV, including applicable buffers), and the level of recapitalisation needed to implement the preferred resolution strategy identified during the resolution planning process.

Items eligible for inclusion in MREL will include an institution’s own funds (within the meaning of CRD IV), along with “eligible liabilities”, meaning liabilities which, *inter alia*, are issued and fully paid up, have a maturity of at least one year (or do not give the investor a right to repayment within one year), and do not arise from derivatives. The MREL requirement may also have to be met partially through the issuance of contractual bail-in instruments, being instruments that are effectively subordinated to other eligible liabilities in a bail-in or insolvency of the relevant institution.

The BRRD's provisions relating to MREL are set out in Article 45 of the BRRD. These provisions will be supplemented by regulatory technical standards (**RTS**) drafted by the EBA with a view to be adopted by the European Commission. The key RTS relates to the assessment criteria for determining an institution's MREL under the BRRD are set out in Commission Delegated Regulation (EU) 2016/1450, which entered into force on 23 September 2016.

It should be noted that the Resolution Act, in line with BRRD, requires that all in-scope institutions have sufficient own funds and eligible liabilities available to absorb losses and contribute to recapitalisation if the bail-in tool were to be applied (see Chapter 4 of the Resolution Act).

As stated above, on 23 February 2017, the National Debt Office presented the finalised model for the calculation of MREL, stating that systemically important institutions need to replace a portion of their existing bond issuance with subordinated bonds. The list of systemically important institutions was announced by the National Debt Office on 20 December 2017 and included SBAB. The MREL requirement must be met with a certain amount of debt instruments as from 1 January 2018 (the liabilities proportion principle). Although the National Debt Office has communicated that it intends to apply the liabilities proportion principle as from 1 July 2018 with respect to SBAB and five other systemically important institutions, and by 1 January 2022 at the latest, the MREL requirement must be fully met with subordinated liabilities (the subordinated liabilities principle). The National Debt Office has communicated that it will revert during 2018 with information as to whether there are grounds to make exceptions from the subordinated liabilities principle with respect to SBAB and the same five other systemically important institutions. For institutions which are not deemed to be systemically important institutions, the MREL requirements remain at the level of the institution's applicable capital requirements.

The extent and nature of the MREL requirements are currently being developed and thus it is not possible to determine the exact impact that they will have on the Issuer or SBAB. As a result of the decision by the National Debt Office, SBAB or the Issuer may be required to issue a significant amount of additional eligible liabilities in order to meet the new MREL requirements within the required timeframes. In the case of difficulties in raising such eligible liabilities, it may have to reduce its lending or investments in other operations.

The annual fee to the resolution reserve during 2018 equals 12.5 bps (i.e. effective from 1 January 2018). It has thus been increased as compared to 2017 from 9 bps to 12.5 bps. However, such annual fee will be reduced during the two following years, equalling 9 bps for 2019 and 5 bps for 2020 (i.e. effective from 1 January 2019 and 1 January 2020, respectively). The increased resolution fee for 2018 is likely to have a negative impact on the SBAB Group's results of operations in 2018.

Risks relating to changes in accounting standards

From time to time, the International Accounting Standards Board (the **IASB**), the EU and other regulatory bodies change the financial accounting and reporting standards that govern the preparation of the SBAB Group's and the Issuer's financial statements. These changes can be difficult to predict and can materially impact how the SBAB Group and the Issuer record and report their results of operations and financial condition.

MiFID II and MiFIR

The main parts of MiFID II and Regulation (EU) No. 600/2014 on markets in financial instruments (**MiFIR**) entered into force on 3 January 2018. These entail both a review of existing rules on the securities market and the introduction of completely new rules. Among other things, the reporting requirements and transparency obligations on the interest rate market have increased. This may cause the financial institutions acting as intermediaries in trading financial instruments to become less likely to buy securities into their own stocks. If that is to happen to the Issuer's issued covered bonds it could lead to a deteriorating liquidity of these, which could have an adverse effect on the holders.

General Data Protection Regulation

The implementation of the new general data protection regulation 2016/679/EU (**GDPR**), applicable as of 25 May 2018, introduces, inter alia, stricter requirements for the processing of personal data and more severe sanctions for violations, including fines of up to 4.0 per cent. of total global annual turnover. Increased operational and compliance costs as well as any administrative and monetary sanctions or reputational damage due to incorrect implementation or breach of the new provisions could adversely impact the SBAB Group's business and the Issuer's financial condition and prospects.

RISKS RELATING TO THE NOTES

The Notes are obligations of the Issuer only

Even though the Notes have the benefit of priority in respect of the Cover Pool, investors investing in the Notes assume a credit risk on the Issuer. The Notes are solely obligations of the Issuer and are not obligations of, or guaranteed by, any other entities. In particular, the Notes are not obligations of, and are not guaranteed by, the Kingdom of Sweden, SBAB or any other entity in the SBAB Group. No liability whatsoever in respect of any failure by the Issuer to pay any amount due under the Notes shall be accepted by any of the Kingdom of Sweden, SBAB or any other entity in the SBAB Group.

The assets in the Cover Pool are owned by the Issuer but, in the event of the Issuer's bankruptcy, will not be available to other creditors until the holders of the Covered Bonds and related derivative counterparties have been repaid in full (except in limited circumstances if the administrator-in-bankruptcy grants an advance dividend to unsecured creditors). To the extent that claims in relation to the Covered Bonds are not met out of the assets in the Cover Pool, the residual claims will rank *pari passu* with other unsecured and unsubordinated creditors of the Issuer. See also "*Summary of the Swedish Legislation Regarding Covered Bonds*".

No gross-up

Under the Terms and Conditions of the Notes, all payments of principal and interest in respect of the Notes by the Issuer will be made without withholding or deduction for, or on account of, any withholding taxes imposed by the Kingdom of Sweden (or any political subdivision or any authority in the Kingdom of Sweden having power to tax) unless such withholding or deduction is required by law, in which case such withholding or deduction will be made by the Issuer.

In the event that any such withholding or deduction is required by law, the Terms and Conditions of the Notes do not require the Issuer or any other entity to pay additional amounts in respect of such withholding or deduction.

No events of default

The Terms and Conditions of the Notes do not include any events of default relating to the Issuer, the occurrence of which would entitle holders to accelerate repayment of the Notes, and holders will only be paid the scheduled interest payments under the Notes as and when they fall due under the Terms and Conditions of the Notes. The absence of any events of default from the Terms and Conditions of the Notes may make it less likely that holders will recoup their investment in full in the event that the Issuer experiences financial distress.

Change of law and establishment of case law

The Terms and Conditions of the Notes are governed by English law except that (i) the provisions of the Notes under Condition 2 are governed by Swedish law and (ii) the registration of VPS Notes in the VPS as well as the recording and transfer of ownership to, and other interests in, VPS Notes and Condition 12(b), are governed by Norwegian law. No assurance can be given as to the impact of any possible judicial decision or change to English, Swedish or Norwegian law or administrative practice after the date of issue of the relevant Notes and any such change could materially adversely impact the value of any Notes affected by it.

In particular, the Act on Covered Bonds is relatively new legislation in Sweden and for this reason there is no available case law on it. It is uncertain how the Act on Covered Bonds will be interpreted or whether changes or amendments will be made to the Act or appurtenant government ordinances or regulations issued by the Swedish FSA which will affect Notes issued under the Programme.

Non-compliance with matching rules

According to the Act on Covered Bonds, the Issuer must comply with certain matching requirements, which, *inter alia*, require that the nominal value and the present value of the assets registered to the Cover Pool respectively exceed the nominal value and the present value of liabilities which relate to the Covered Bonds issued from time to time, with respect to the Cover Pool and the Covered Bonds by at least two per cent. In order to comply with these requirements, the Issuer may enter into derivative contracts. To do so, the Issuer is dependent on the availability of derivative counterparties with sufficient credit rating and also on such counterparties fulfilling their contractual obligations.

A breach of the matching requirements prior to the Issuer's bankruptcy in the circumstances where no additional assets are available to the Issuer or the Issuer lacks the ability to acquire additional assets could result in the Issuer being unable to issue further Covered Bonds.

If, following the Issuer's bankruptcy, the Cover Pool ceases to meet the requirements of the Act on Covered Bonds (including the matching requirements), and the deviations are not just temporary and minor, the Cover Pool may no longer be maintained as a unit and the continuous payment under the terms and conditions of the covered bonds and derivative contracts will cease. The Noteholders would in such case instead benefit from a priority right in the proceeds of a sale of the assets in the Cover Pool in accordance with general bankruptcy rules. This could result in the Noteholders receiving payment according to a schedule that is different from that contemplated by the terms and conditions of the Covered Bonds (with accelerations as well as delays) or that the Noteholders are not paid in full. However, the Noteholders and the Eligible Swap Providers would retain the benefit of the right of priority in the assets comprising the Cover Pool. Any residual claims of the Noteholders and the Eligible Swap Providers remain valid claims against the Issuer, but will rank *pari passu* with other unsecured and unsubordinated creditors of the Issuer.

Deterioration of the Loan-to-Value Ratio

If the value of property which has been mortgaged as security for the assets in the Cover Pool decreases substantially – and the Issuer does not take any action to restore the ratio between the value of the Covered Bonds and the value of the assets in the Cover Pool – there is a risk that the Issuer will not be able to make full payment to the holders of the Notes.

Conflicting interests of other creditors

In the event of the Issuer's bankruptcy, the Act on Covered Bonds does not give clear guidance on certain issues, which may lead to a conflict between the Noteholders, any other Covered Bondholders and the Eligible Swap Providers on the one hand and other creditors of the Issuer on the other hand. Examples of such issues are (a) how proceeds from a loan partly registered to the Cover Pool should be distributed between the portion of such loan registered to the Cover Pool and the portion of such loan not registered to the Cover Pool and (b) how the proceeds of enforcement of a mortgage certificate should be distributed if this serves as collateral for two different loans ranking *pari passu* in the mortgage certificate where one such loan is not wholly or partly registered to the Cover Pool. The lack of clear guidance on these and similar issues may lead to unsecured creditors arguing that part of the proceeds from a loan and/or mortgage certificate should not be included in the Cover Pool or to any creditors with loans that rank *pari passu* in a mortgage certificate which also serves as collateral for a loan registered to the Cover Pool arguing that part of the proceeds from such mortgage certificate should not be included in the Cover Pool.

Any assets of the Issuer that are not included in a Cover Pool will be available to meet the claims of Covered Bondholders through dividends in the bankruptcy (advance and/or final) if the assets in the Cover Pool

are insufficient to pay the claims of the holders of Covered Bonds in respect of such Cover Pool in full. When one mortgage certificate serves as collateral for two loans and one of such loans is held by SBAB as creditor and the other loan is registered to the Cover Pool, SBAB has agreed with the Issuer to subordinate its claim to the benefit of the Issuer in accordance with the Subordination Agreement. Furthermore, SBAB will represent to the Issuer pursuant to the Master Sale Agreement (as defined under “*Information Relating to the Issuer*”) that at the time of the sale of any loans in respect of which the related mortgage certificate also serves as shared security (Sw. *gemensam säkerhet*) for a loan from a party other than the Issuer or SBAB that such party has entered into a subordination agreement with the Issuer which is substantially the same as the Subordination Agreement and to repurchase the relevant loan if such representation was breached at the time of sale.

Levy of execution on the assets in the Cover Pools

Although the Swedish Rights of Priority Act (Sw. *Förmånsrättslagen (1970:979)*) (the **Rights of Priority Act**) prescribes that a special right of priority applies upon both bankruptcy and levy of execution, it has been argued with considerable authority that, as the Swedish Enforcement Code (Sw. *Utsökningsbalken (1981:774)*) does not protect the special right of priority of a holder of covered bonds in competition with another creditor seeking execution, such a creditor may, through levy of execution, obtain a right which is superior to the right of priority accorded to holders of covered bonds under the Rights of Priority Act. Such preference right may be challenged by a bankruptcy administrator and be voidable if the preference was obtained within three months prior to the commencement of the Issuer’s bankruptcy proceedings on the basis that such creditor has been preferred over the Covered Bondholders and the Issuer’s ordinary creditors. If such challenge is not made this could ultimately result in a reduction in the return to the holders of Notes.

Payment of advance dividends post Issuer’s bankruptcy

In the event of the Issuer’s bankruptcy, an administrator-in-bankruptcy could make advance dividend payments to creditors other than the Noteholders, any other Covered Bondholders and the Eligible Swap Providers. The payment of advance dividends could result in Noteholders not being paid in a timely manner. It is likely that an administrator-in-bankruptcy would only authorise such advance dividend payments if satisfied that the Cover Pool contained significantly more assets than necessary to pay amounts owing to the Noteholders, any other Covered Bondholders and the Eligible Swap Providers before making such payment.

Additionally, the Issuer’s estate would be entitled to have any advance dividend repaid should the Cover Pool subsequently prove to be insufficient to make payments to the Noteholders, any other Covered Bondholders and the Eligible Swap Providers as a result of the payment of advance dividends. The right to reclaim advance dividends may also be secured by a bank guarantee or equivalent security pursuant to the Swedish Bankruptcy Act (Sw. *konkurslagen (1987:672)*).

SBAB has agreed that all its claims against the Issuer (except in relation to claims deriving from any Eligible Swap) shall be subordinated to the claims of the holders of Covered Bonds and the Eligible Swap Providers in case of bankruptcy of the Issuer.

Liquidity following bankruptcy

Upon a credit institution’s bankruptcy, neither the credit institution nor its bankruptcy estate would have the ability to issue further covered bonds. Whilst there can be no assurance as to the actual ability of the bankruptcy estate to raise post-bankruptcy liquidity in other ways, the Act on Covered Bonds gives the administrators-in-bankruptcy an explicit and broad mandate to enter into loan, derivative, repo and other transactions on behalf of the bankruptcy estate with a view to attaining matching of cash flows, currencies, interest rates and interest periods between assets in the Cover Pool, covered bonds and derivative contracts. The administrators-in-bankruptcy may also raise liquidity by selling assets in the Cover Pool in the market for example. If the bankruptcy estate is not able to raise sufficient liquidity, this could result in Noteholders not being paid in a timely manner.

Reliance on Swap Providers

If the Issuer fails to make timely payments of amount due or certain other events occur in relation to the Issuer under an Eligible Swap and any applicable grace period has expired, then the Issuer will have defaulted under such Eligible Swap. If the Issuer defaults under an Eligible Swap due to non-payment or otherwise, the relevant Eligible Swap Provider will not be obliged to make further payments under that Eligible Swap and may terminate that Eligible Swap. If an Eligible Swap Provider is not obliged to make payments, or if it exercises any right of termination it may have, or if it defaults in its obligation to make payments under an Eligible Swap or ceases to be an Eligible Swap Provider (as a result of a down-grade or otherwise), the Issuer may be exposed to (i) changes in currency exchange rates and in the associated interest rate rates on the currencies and (ii) changes in interest rates. Unless a replacement swap is entered into, the Issuer may have insufficient funds to make payments due on the Covered Bonds.

The Issuer may enter into Non-Cover Pool Swaps in respect of assets owned by the Issuer from time to time which are not registered in the Cover Pool. If the relevant Non-Cover Pool Swap Provider is not obliged to make payments, or if it exercises any right of termination it may have under the relevant Non-Cover Pool Swap Agreement (as defined under “*Terms and Conditions of the Notes*”), or if it defaults in its obligations to make payments under a Non-Cover Pool Swap, the Issuer will be exposed to changes in interest rates in respect of those assets which are not registered to the Cover Pool.

Termination payments for Swaps

If any of the Eligible Swaps or Non-Cover Pool Swaps are terminated, the Issuer may as a result be obliged to make a termination payment to the relevant Swap Provider. Any termination payment to be made by the Issuer to an Eligible Swap Provider will rank *pari passu* with payments due to the Covered Bondholders.

Risks related to the structure of a particular issue of Notes

A range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain of those features.

If the Issuer has the right to redeem any Notes at its option, this may limit the market value of the Notes concerned and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of such Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

If the Issuer has the right to convert the interest rate on any Notes from a fixed rate to a floating rate, or vice versa, this may affect the secondary market and the market value of the Notes concerned

Fixed/Floating Rate Notes are Notes which bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the

Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing market rates.

Risks related to Notes which are linked to “benchmarks”

The London Interbank Offered Rate (**LIBOR**), the Euro Interbank Offered Rate (**EURIBOR**), the Stockholm Interbank Offered Rate (**STIBOR**) and other reference rates and indices which are deemed to be “benchmarks” are the subject of ongoing national and international regulatory reform. The implementation of the reforms may result in changes to a benchmark’s administration, causing it to perform differently than in the past, or to be eliminated entirely, or resulting in other consequences which cannot be predicted. Any such consequence could have an adverse effect on any Notes linked to such a “benchmark” (including, for example, Floating Rate Notes whose interest rate is linked to LIBOR, EURIBOR or STIBOR).

Regulation (EU) 2016/1011 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds (as amended, the **Benchmarks Regulation**) applies to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the EU. Among other things, it (i) requires benchmark administrators to be authorised or registered (or, if non-EU-based and providing benchmarks which are intended for use in the EU, to be subject to an equivalent regime or otherwise recognised or to have such benchmarks endorsed) and (ii) prevents certain uses by EU supervised entities (such as the Issuer) of benchmarks administered by administrators that are not authorised or registered (or, if non-EU based, that are not subject to an equivalent regime or recognised and have not had such benchmarks endorsed).

The Benchmarks Regulation could have a material impact on any Notes linked to a benchmark, in particular, if the methodology or other terms of the benchmark are changed in order to comply with the terms of the Benchmarks Regulation. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the benchmark.

More broadly, any of the international or national reforms, or the general increased regulatory scrutiny of benchmarks, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or contribute to certain benchmarks, trigger changes in the rules or methodologies used in certain benchmarks or lead to the disappearance of certain benchmarks. Uncertainty about the future of benchmarks, any of the above changes or any other consequential changes as a result of international, national or other proposals for reform or other initiatives or investigations, could have an adverse effect on the value of, and return on, any Notes linked to a benchmark and the trading market for such Notes.

In a speech in July 2017, the Chief Executive of the United Kingdom Financial Conduct Authority (the **FCA**), which regulates LIBOR, announced that the FCA will no longer persuade or compel banks to submit rates for the calculation of the LIBOR benchmark after 2021 and committed the FCA to begin planning a transition away from LIBOR to alternative reference rates that are based on actual transactions, such as SONIA (the Sterling Over Night Index Average). The speech envisaged the current LIBOR arrangements continuing until at least the end of 2021. The announcement indicates that the continuation of LIBOR in its current form is not guaranteed after 2021. It is not possible to predict the effect of the establishment of any alternative reference rates, any changes in the methods pursuant to which LIBOR rates are determined and any other reforms to LIBOR, including to the rules promulgated by the FCA in relation thereto, that may be enacted in the UK or elsewhere, which may adversely affect the trading market for LIBOR-based securities, including Floating Rate Notes, or result in the phasing out of LIBOR as a reference rate for securities. In addition, any changes announced by the FCA (including the FCA announcement), ICE Benchmark Administration Limited as independent administrator of LIBOR or any other successor governance or oversight body, or future changes adopted by such body, in the method pursuant to which the LIBOR rates are determined may result in a sudden or prolonged increase or decrease in the reported LIBOR rates. If that were to occur, the level of interest payments and the value of any relevant Floating Rate Notes may be affected.

Investors should be aware that, if a benchmark rate (such as LIBOR, EURIBOR or STIBOR) was discontinued or otherwise unavailable, the rate of interest on Floating Rate Notes which reference such benchmark rate will be determined for the relevant period in accordance with the fallback provisions applicable to such Notes as set out in clause 8.2 of the Agency Agreement. Depending on the manner in which the relevant benchmark rate is to be determined under the Terms and Conditions of the Notes, this may in certain circumstances (i) be reliant upon the provision by reference banks of offered quotations for such benchmark rate which, depending on market circumstances, may not be available at the relevant time or (ii) result in the effective application of a fixed rate based on the rate which applied in the previous period when such benchmark rate was available. Any of the foregoing could have an adverse effect on the value or liquidity of, and return on, any Floating Rate Notes which reference a benchmark rate.

Notes which are issued at a substantial discount or premium may experience price volatility in response to changes in market interest rates

The market values of securities issued at a substantial discount (such as Zero Coupon Notes) or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Extendable obligations under the Notes

If Extended Final Maturity is specified as being applicable in the Final Terms (or, in the case of Exempt Notes, Pricing Supplement) for any Series of Notes, following the failure by the Issuer to pay (in full) the Final Redemption Amount on such Series of Notes on the Maturity Date or within two Business Days thereafter, payment of any unpaid amounts shall be automatically deferred until the Extended Final Maturity Date.

To the extent that the Issuer has sufficient moneys available to pay in part the relevant Final Redemption Amount in respect of the relevant Series of Notes, the Issuer shall make partial payment of the relevant Final Redemption Amount as described in Condition 4(h). Payment of all unpaid amounts shall be deferred automatically until the applicable Extended Final Maturity Date, provided that any amount representing the Final Redemption Amount due and remaining unpaid on the Maturity Date may be paid by the Issuer on any Interest Payment Date thereafter up to (and including) the relevant Extended Final Maturity Date.

The Issuer is not required to notify the Noteholders of such automatic deferral. The Extended Final Maturity Date will be the date specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement). Interest will continue to accrue on any unpaid amount at the floating rate specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) and will be payable on each Interest Payment Date falling after the Maturity Date up to (and including) the Extended Final Maturity Date. In these circumstances, failure by the Issuer to make payment in respect of the Final Redemption Amount on the Maturity Date (or within two Business Days thereafter) shall not constitute a default in payment by the Issuer. However, failure by the Issuer to pay the Final Redemption Amount or the balance thereof on the Extended Final Maturity Date and/or interest on such amount on any Interest Payment Date falling after the Maturity Date up to (and including) the Extended Final Maturity Date shall constitute a default in payment by the Issuer.

Furthermore, in relation to all amounts constituting accrued interest due and payable on each Interest Payment Date falling after the Maturity Date up to (and including) the Extended Final Maturity Date, as provided in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement), the relevant Notes shall accrue interest at the Floating Rate specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) notwithstanding that the relevant Note may have been a Fixed Rate Note or a Zero Coupon Note as at its Issue Date.

In addition, following deferral of the Maturity Date, the Interest Payment Dates and Interest Periods may change as set out in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement).

In respect of any Notes issued with a specific use of proceeds, such as a 'green bond', there can be no assurance that such use of proceeds will be suitable for the investment criteria of an investor

The applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) relating to any specific Tranche of Notes may provide that it will be the Issuer's intention to apply the relevant proceeds towards projects and activities that promote sustainability and other environmental purposes. Prospective investors should have regard to the information in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) regarding such use of proceeds and must determine for themselves the relevance of such information for the purpose of any investment in such Notes, together with any other investigation such investor deems necessary. In particular no assurance is given by the Issuer or the Dealers that the use of such proceeds for the stated purposes will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply. Furthermore, it should be noted that there is currently no clearly defined definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "green" or "sustainable" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be defined as such. As at the date of this Prospectus, the Issuer has not published a framework relating to an investment in green bonds although it would do so prior to the issuance of any Notes which specify that the relevant proceeds will be used for any such "green" or "sustainable" purposes.

No assurance or representation is given as to the suitability or reliability for any purpose whatsoever of any opinion or certification of any third party (whether or not solicited by the Issuer) which may or may not be made available in connection with the issue of any Notes in order to fulfil any environmental, sustainability, social and/or other criteria. Prospective investors must determine for themselves the relevance of any such opinion or certification and/or the information contained therein and/or the provider of such opinion or certification for the purpose of any investment in such Notes. In addition, the withdrawal of any such opinion or certification or any such opinion or certification attesting that the Issuer is not complying in whole or in part with any matters for which such opinion or certification is opining or certifying on may have a material adverse effect on the value of such Notes and/or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose.

Risks related to all Notes issued under the Programme

All Notes issued under the Programme will have a number of common features. Set out is a description of certain of those features.

Notes issued under the Programme

Notes issued under the Programme (save in respect of the first issue of Notes) will either be fungible with an existing Series of Notes or have different terms to an existing Series of Notes (in which case they will constitute a new Series). All Notes issued from time to time will rank *pari passu* with each other in all respects and will rank *pari passu* with the Swedish Benchmark Bonds issued under the Swedish Benchmark Bond Programme, the Australian Covered Bonds issued under the Australian Covered Bond Issuance Programme and with any other securities which may be issued by the Issuer in accordance with the Act on Covered Bonds.

Meetings of Noteholders: the Terms and Conditions of the Notes permit defined majorities to bind all Noteholders of the relevant Series

The Terms and Conditions of the Notes and the Agency Agreement (or, in respect of VPS Notes, the VPS Trustee Agreement) contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Reliance on Euroclear and Clearstream, Luxembourg and VPS procedures

Notes issued under the Programme (other than VPS Notes) will be represented on issue by one or more Global Notes that may be deposited with a common depositary or common safekeeper for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in each Global Note, investors will not be entitled to receive Notes in definitive form. Each of Euroclear and Clearstream, Luxembourg and their respective direct and indirect participants will maintain records of the beneficial interests in each Global Note held through it. While the Notes are represented by a Global Note, investors will be able to trade their beneficial interests only through the relevant clearing systems and their respective participants.

While the Notes are represented by Global Notes, the Issuer will discharge its payment obligation under the Notes by making payments through the relevant clearing systems. A holder of a beneficial interest in a Global Note must rely on the procedures of the relevant clearing system and its participants to receive payments under the Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in any Global Note.

Holders of beneficial interests in a Global Note will not have a direct right to vote in respect of the Notes so represented. Instead, such holders will be permitted to act only to the extent that they are enabled by the relevant clearing system and its participants to appoint appropriate proxies.

Similarly, VPS Notes will be issued in uncertificated and dematerialised book-entry form registered in the VPS. The VPS will maintain records of the ownership of the VPS Notes. VPS Notes will not be evidenced by any physical note or document of title other than statements of account made by the VPS. Ownership of VPS Notes will be recorded and transfer effected only through the book-entry system and register maintained by the VPS.

The Issuer will discharge its payment obligations under VPS Notes by making payments through the VPS and holders of VPS Notes must therefore rely on the procedures of the VPS to receive payments under VPS Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in VPS Notes. Investors with accounts in Euroclear and Clearstream, Luxembourg may hold VPS Notes in their accounts with such clearing systems and the relevant clearing system will be shown in the records of the VPS as the holder of the relevant amount of VPS Notes.

Modifications

In the case of Notes other than VPS Notes, the Principal Paying Agent and the Issuer may agree, without the prior consent or sanction of any of the Noteholders, or Couponholders, to:

- (a) any modification to the Notes, the Coupons or Agency Agreement which, in the opinion of the Issuer, is not materially prejudicial to the interests of the Noteholders; or
- (b) any modification to the Notes, the Coupons, the Deed of Covenant or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any modification will be binding on the Noteholders and the Couponholders.

In the case of VPS Notes, the VPS Trustee Agreement provides that:

- (i) the VPS Trustee may in certain circumstances, without providing prior written notice to, or consultation with, the holders of the VPS Notes, make decisions binding on all holders relating to the Terms and Conditions of the relevant VPS Notes, the VPS Trustee Agreement or the relevant VPS Agency Agreement including amendments which are not, in the VPS Trustee's opinion, materially prejudicial to the interests of the holders of the VPS Notes; and

- (ii) having given holders of the VPS Notes the opportunity to protest against the proposal, the VPS Trustee may reach other decisions binding for all holders of VPS Notes.

Judgments entered against Swedish entities in the courts of a state which is not subject to the Brussels Regulations or the Lugano Convention may not be recognised or enforceable in Sweden

A judgment entered against a company incorporated in Sweden in the courts of a state which is not, under the terms of (i) Regulation (EU) No. 1215/2012 of the European Parliament and of the Council of 12 December 2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (the **2012 Brussels Regulation**), (ii) Council Regulation (EC) No. 44/2001 of 22 December 2000 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (the **2000 Brussels Regulation**), or (iii) the Convention on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters made at Lugano on 30 October 2007 (the **Lugano Convention**), a Member State (as defined in the 2012 Brussels Regulation and the 2000 Brussels Regulation) or a Contracting State (as defined in the Lugano Convention), would not be recognised or enforceable in Sweden as a matter of law without a retrial on its merits (but will be of persuasive authority as a matter of evidence before the courts of law, administrative tribunals or executive or other public authorities of Sweden). As a result, if the UK leaves the EU, an English court judgment entered against the Issuer in relation to the Notes may not be recognised or enforceable in Sweden (absent any replacement arrangements being put in place).

Investors who hold less than the minimum Specified Denomination may be unable to sell their Notes and may be adversely affected if definitive Notes are subsequently required to be issued

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts in excess of the minimum Specified Denomination that are not integral multiples of such minimum Specified Denomination. In such a case, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in its account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of such Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. Further, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in its account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed or issued) and would need to purchase a principal amount of Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risk related to the market in general

An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Notes

The Notes may have no established trading market when issued, and one may never develop. If a market for the Notes does develop, it may not be liquid or may become illiquid at a later stage. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case where the Issuer is in financial distress, which may result in a sale of the Notes at a substantial discount to their principal amount, or where the Notes are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

If an investor holds Notes which are not denominated in the investor's home currency, he will be exposed to movements in exchange rates adversely affecting the value of his holding. In addition, the imposition of exchange controls in relation to any Notes could result in an investor not receiving payments on those Notes

The Issuer will pay the principal amount and interest of the Notes in the Specified Currency. This involves certain risks relating to currency conversion if an investor's financial activities are denominated principally in a currency or a currency unit other than the Specified Currency.

Exchange rate risks occur for the Issuer if the present value of assets and liabilities, including derivatives, in foreign currencies do not coincide. However, the risk is limited by the use of the Currency Swaps and by matching interest rate flow with the maturity of loan and other assets of the Issuer.

Interest rate risks

Investments in Notes with fixed interest involves a risk that subsequent changes in market interest rates may adversely affect the value of fixed interest Notes. Investments in Notes with floating interest involve a risk of interest rate changes.

Interest rate risks occur when fixed interest periods or interest bases for assets and liabilities do not coincide. The Issuer has entered into, and may enter into additional Cover Pool Swaps and may also enter into Interest Rate Swaps to ensure that the risks do not exceed the credit limit approved by its board of directors and to ensure that matching is maintained in accordance with the Act on Covered Bonds.

Credit rating assigned to any Notes may not reflect all the risks associated with an investment in those Notes

Moody's is expected to assign a credit rating of Aaa to Notes issued under the Programme. There are no guarantees that such rating reflects the potential impact of all risks related to an investment in the Notes. A rating agency may change its rating methodology in respect of a particular class of instruments, making it more difficult to maintain a certain credit rating. A credit rating is not a recommendation to buy, sell or hold the relevant Notes and may be revised, suspended or withdrawn by the relevant rating agency at any time. Any such revision, suspension or withdrawal could adversely affect the market value of the relevant Notes. For the avoidance of doubt, the Issuer does not commit to ensure that any specific rating of the Notes or the Programme will be upheld nor that any rating agency rating the Notes will remain the same.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes unless such ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). Certain information with respect to the credit rating agencies and ratings is set out on the front cover of this Prospectus. Where a Tranche of Notes is rated such rating will be disclosed in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) and may not necessarily be the same as the rating assigned to the Programme generally.

Judicial considerations may restrict certain investments

The investment activities of certain investors are subject to rules and regulations and/or review or regulation by certain authorities. Each potential investor should consult its legal advisers or responsible supervisory authority in order to determine whether and to what extent the investor has the opportunity to invest in Notes.

European Monetary Union (EMU)

In the event that Sweden joins the EMU before the Maturity Date of a Note, this could adversely affect investors. If the euro becomes the legal currency in Sweden, the Notes denominated in SEK will be paid in euro. Furthermore, it may become allowed or required by law to convert outstanding Notes denominated in SEK to euro and that other measures are taken. A transition to euro may be followed by an interest rate disturbance which may have an adverse effect on an investment in Notes denominated in SEK.

Regulatory risks relating to the United Kingdom leaving the EU

On 29 March 2019, the United Kingdom will leave the European Union (**Brexit**). Brexit is anticipated to result in changes to the regulatory system of the United Kingdom and the European Union. These could have implications for Notes listed on a stock exchange in the United Kingdom and/or governed by English law. As a consequence of Brexit, the Notes might not fulfil the requirements set out by EU law. These regulatory changes might affect the Notes and Noteholders negatively.

The effects of Brexit will depend on any agreements the United Kingdom enters into in order to retain access to the European markets, either during the transitional period or permanently, as well as agreements with other trading partners. Any of the potential effects of Brexit could have unpredictable consequences for credit markets and adversely affect the business of SBAB and the Issuer.

DOCUMENTS INCORPORATED BY REFERENCE

The following documents which have previously been published and have been filed with the UK Listing Authority shall be incorporated in, and form part of, this Prospectus:

- (a) the audited annual financial statements for the financial year ended 31 December 2017 including the auditors' report thereon, as set out on pages 14-44 inclusive of the Issuer's Annual Report 2017;
- (b) the audited annual financial statements for the financial year ended 31 December 2016 including the auditors' report thereon, as set out on pages 10-39 inclusive of the Issuer's Annual Report 2016; and
- (c) the section "*Terms and Conditions of the Notes*" from each of the previous Prospectuses relating to the Programme as follows: (i) Prospectus dated 20 June 2006 (pages 38-57 inclusive); (ii) Prospectus dated 20 June 2007 (pages 40-59 inclusive); (iii) Prospectus dated 18 June 2008 (pages 57-79 inclusive); (iv) Prospectus dated 12 June 2009 (pages 58-83 inclusive); (v) Prospectus dated 11 June 2010 (pages 59-84 inclusive); (vi) Prospectus dated 10 June 2011 (pages 60-85 inclusive); (vii) Prospectus dated 11 June 2012 (pages 59-83 inclusive); (viii) Prospectus dated 11 June 2013 (pages 38-61 inclusive); (ix) Prospectus dated 18 June 2014 (pages 54-78 inclusive); (x) Prospectus dated 18 June 2015 (pages 56-80 inclusive); (xi) Prospectus dated 17 June 2016 (pages 57-81 inclusive); and (xii) Prospectus dated 16 June 2017 (pages 61-85 inclusive).

Following the publication of this Prospectus a supplement may be prepared by the Issuer and approved by the UK Listing Authority in accordance with Article 16 of the Prospectus Directive. Statements contained in any such supplement (or contained in any document incorporated by reference therein) shall, to the extent applicable (whether expressly, by implication or otherwise), be deemed to modify or supersede statements contained in this Prospectus or in a document which is incorporated by reference in this Prospectus. Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Prospectus.

Copies of documents incorporated by reference in this Prospectus can be obtained from the registered office of the Issuer and from the specified office of the Principal Paying Agent for the time being in London and, save in respect of (c) above, are available for viewing on the Issuer's website at https://www.sbab.se/1/in_english/investor_relations.html.

Any documents themselves incorporated by reference in the documents incorporated by reference in this Prospectus shall not form part of this Prospectus.

Any non-incorporated parts of a document referred to herein are either not relevant for investors or are covered elsewhere in this Prospectus.

The Issuer will, in the event of any significant new factor, material mistake or inaccuracy relating to information included in this Prospectus which is capable of affecting the assessment of any Notes, prepare a supplement to this Prospectus or publish a new prospectus for use in connection with any subsequent issue of Notes. The Issuer has undertaken to the Dealers in the Programme Agreement that it will comply with section 87G of the FSMA.

FORM OF THE NOTES

Any reference in this section to "applicable Final Terms" shall be deemed to include a reference to "applicable Pricing Supplement" where relevant.

The Notes of each Series will be either (i) in the case of Notes other than VPS Notes, in bearer form, with or without interest coupons (**Coupons**) attached or (ii) in the case of VPS Notes, in uncertificated and dematerialised book entry form registered in the VPS. The Notes will be issued outside the United States in reliance on Regulation S under the Securities Act (**Regulation S**).

Form of Notes other than VPS Notes

Each Tranche of Notes other than VPS Notes will be initially issued in the form of either a temporary global note (a **Temporary Global Note**) or a permanent global note (a **Permanent Global Note** and, together with the Temporary Global Note, the **Global Notes**) as indicated in the applicable Final Terms, which, in either case, will:

- (i) if the Global Notes are intended to be issued in New Global Note (**NGN**) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking S.A. (**Clearstream, Luxembourg**); and
- (ii) if the Global Notes are not intended to be issued in NGN form but are intended to be issued in Classic Global Note (**CGN**) form, be delivered on or prior to the original issue date of the Tranche to a common depository (the **Common Depository**) for Euroclear and Clearstream, Luxembourg.

Where the Global Notes issued in respect of any Tranche are in NGN form, the applicable Final Terms will also indicate whether or not such Global Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is issued in CGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Temporary Global Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the **Exchange Date**) which, in respect of each Tranche in respect of which a Temporary Global Note is issued, is 40 days after the Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for (a) interests in a Permanent Global Note of the same Series or (b) for definitive Notes of the same Series with, where applicable, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of non-U.S. beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the

Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is issued in CGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, interest coupons and talons attached upon either (a) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) to the Principal Paying Agent as described therein or (b) only upon the occurrence of an Exchange Event.

For these purposes, **Exchange Event** means that (i) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no alternative clearing system is available or (ii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 11 of the Terms and Conditions of the Notes if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 60 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The exchange upon not less than 60 days' written notice option, as described in paragraph (a) above, should not be expressed to be applicable if the Notes are issued in denominations comprising a minimum Specified Denomination (such as €100,000 (or its equivalent in another currency)) plus one or more higher integral multiples of another smaller amount (such as €1,000 (or its equivalent in another currency)). Furthermore, such denomination construction is not permitted in relation to any issue of Notes which is to be represented on issue by a Temporary Global Note exchangeable for definitive Notes.

The following legend will appear on all Notes which have an original maturity of more than one year and on all interest coupons relating to such Notes:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes or interest coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under “*Terms and Conditions of the Notes*” below), the Principal Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholders** and **holder of Notes** and related expressions shall be construed accordingly.

Where any Note is represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then, unless within the period of seven days commencing on the relevant due date payment in full of the amount due in respect of the Global Note is received by the bearer in accordance with the provisions of the Global Note holders of interest in such Global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and Clearstream, Luxembourg on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated 17 June 2016 and executed by the Issuer.

In respect of Notes represented by a Global Note issued in NGN form, the nominal amount of such Notes shall be the aggregate amount from time to time entered in the records of both Euroclear and Clearstream, Luxembourg. The records of Euroclear and Clearstream, Luxembourg shall be conclusive evidence of the nominal amount of such Notes and a statement issued by Euroclear and/or Clearstream, Luxembourg shall be conclusive evidence of the records of such parties at that time.

The Issuer has entered into an agreement with Euroclear and Clearstream, Luxembourg (the **ICSDs**) in respect of any Notes issued in NGN form that the Issuer may request be made eligible for settlement with the ICSDs (the **Issuer-ICSDs Agreement**). The Issuer-ICSDs Agreement sets out that the ICSDs will, in respect of any such Notes, *inter alia*, maintain records of their respective portion of the issue outstanding amount and will, upon the Issuer's request, produce a statement for the Issuer's use showing the total nominal amount of its customer holding of such Notes as of a specified date.

Form of VPS Notes

Each Tranche of VPS Notes will be issued in uncertificated and dematerialised book entry form registered in the VPS. Legal title to the VPS Notes will be evidenced by book entries in the records of the VPS. Issues of VPS Notes will be issued with the benefit of the VPS Trustee Agreement and a VPS Agency Agreement. On the issue of such VPS Notes, the Issuer will send a copy of the applicable Final Terms to the Principal Paying Agent, with a copy sent to the VPS Agent. On delivery of the applicable Final Terms by the VPS Agent to the VPS and notification to the VPS of the subscribers and their VPS account details by the relevant Dealer, the VPS Agent acting on behalf of the Issuer will credit each subscribing account holder with the VPS with a nominal amount of VPS Notes equal to the nominal amount thereof for which it has subscribed and paid.

Settlement of sale and purchase transactions in respect of VPS Notes in the VPS will take place in accordance with market practice at the time of the transaction. Transfers of interests in the relevant VPS Notes will take place in accordance with the Norwegian Securities Registry Act of 5 July 2002 (No. *verdipapirregisterloven*) (the **VPS Act**) and the rules and procedures for the time being of the VPS.

Title to VPS Notes will pass by registration in the registers between the direct account holders at the VPS in accordance with the rules and procedures of the VPS. The holder of a VPS Note will be the person evidenced as such by a book entry in the records of the VPS. The person evidenced (including any nominee) as a

holder of the VPS Notes shall be treated as the holder of such VPS Notes for the purposes of payment of principal or interest on such VPS Notes. The expressions **Noteholders** and **holder of Notes** and related expressions shall, in each case, be construed accordingly.

Alternative Clearing Systems

Any reference herein to Euroclear and/or Clearstream, Luxembourg and/or the VPS shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

FORM OF FINAL TERMS

Set out below is the form of Final Terms which will be completed for each Tranche of Notes issued under the Programme which are not Exempt Notes.

[PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the **EEA**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**); (ii) a customer within the meaning of Directive 2002/92/EC on insurance mediation, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive (as defined below). Consequently, no key information document required by Regulation (EU) No. 1286/2014 on key information documents for packaged retail and insurance-based investment products (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.]

[MiFID II PRODUCT GOVERNANCE – Professional investors and eligible counterparties only target market: Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in [Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**)] [MiFID II]; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. [*Details of any negative target market to be included if applicable*] Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]

[MiFID II PRODUCT GOVERNANCE – Retail investors, professional investors and eligible counterparties target market: Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in [Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**)] [MiFID II]; EITHER [(ii) all channels for distribution of the Notes are appropriate[, including investment advice, portfolio management, non-advised sales and pure execution services]] OR [(ii) all channels for distribution to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the Notes to retail clients are appropriate – investment advice[,/and] portfolio management[,/ and] [non-advised sales] [and pure execution services][, subject to the distributor’s (as defined below) suitability and appropriateness obligations under MiFID II, as applicable]]. [*Consider any negative target market*] Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels[, subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable].]]

9. PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA RETAIL INVESTORS

[Applicable] / [Not Applicable]

10. BENCHMARKS REGULATION (*Floating Rate Notes only*)

[Amounts payable under the Notes will be calculated by reference to [*specify benchmark (as this term is defined in the Benchmarks Regulation)*] which is provided by [*legal name of the benchmark administrator*]. As at the date of this Final Terms, [*legal name of the benchmark administrator*] [appears/does not appear] on the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority pursuant to Article 36 of Regulation (EU) 2016/1011 (the **Benchmarks Regulation**).

[As far as the Issuer is aware, [*specify benchmark (as this term is defined in the Benchmarks Regulation)*] [does not fall within the scope of the Benchmarks Regulation by virtue of Article 2 of that regulation/the transitional provisions in Article 51 of the Benchmarks Regulation apply] such that [*legal name of the benchmark administrator*] is not currently required to obtain authorisation or registration (or, if located outside the EU, recognition, endorsement or equivalence).]

FORM OF PRICING SUPPLEMENT

Set out below is the form of Pricing Supplement which will be completed for each Tranche of Exempt Notes issued under the Programme.

NO PROSPECTUS IS REQUIRED IN ACCORDANCE WITH DIRECTIVE 2003/71/EC (AS AMENDED, INCLUDING BY DIRECTIVE 2010/73/EU) FOR THE ISSUE OF NOTES DESCRIBED BELOW. THE UK LISTING AUTHORITY HAS NEITHER APPROVED NOR REVIEWED THIS PRICING SUPPLEMENT.

[PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the EEA). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**); (ii) a customer within the meaning of Directive 2002/92/EC on insurance mediation, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive (as defined below). Consequently, no key information document required by Regulation (EU) No. 1286/2014 on key information documents for packaged retail and insurance-based investment products (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.]¹

[MiFID II PRODUCT GOVERNANCE – Professional investors and eligible counterparties only target market: Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in [Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**)] [MiFID II]; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. *[Details of any negative target market to be included if applicable]* Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

[MiFID II PRODUCT GOVERNANCE – Retail investors, professional investors and eligible counterparties target market: Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in [Directive 2014/65/EU on markets in financial instruments (as amended, **MiFID II**)] [MiFID II]; EITHER [(ii) all channels for distribution of the Notes are appropriate[, including investment advice, portfolio management, non-advised sales and pure execution services]] OR [(ii) all channels for distribution to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the Notes to retail clients are appropriate – investment advice[,/and] portfolio management[,/ and] [non-advised sales] [and pure execution services][, subject to the distributor's (as defined below) suitability and appropriateness obligations under MiFID II, as applicable]]. *[Consider any negative target market]* Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market

¹ Delete legend if the offer of the Notes is concluded prior to 1 January 2018, or on and after that date the Notes do not constitute "packaged" products for the purposes of the PRIIPs Regulation, in which case, insert "Not Applicable" in paragraph 7 of Part B below. Include legend if the offer of the Notes will be concluded on or after 1 January 2018, the Notes may constitute "packaged" products and the Issuer intends to prohibit the Notes being offered, sold or otherwise made available to EEA retail investors. In this case, insert "Applicable" in paragraph 7 of Part B below.

(If the Notes being offered do not constitute "packaged" products, "Not Applicable" should be specified. If the Notes may constitute "packaged" products, "Applicable" should be specified unless the Issuer has drawn up a key information document in accordance with the PRIIPs Regulation)

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or listing authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The following are also the Terms and Conditions of the Notes which will be applicable to each VPS Note. VPS Notes will not be evidenced by any physical note or document of title other than statements of account made by the VPS. Ownership of VPS Notes will be recorded and transfer effected only through the book entry system and register maintained by the VPS. The applicable Final Terms in relation to any Tranche of Notes (other than Exempt Notes) will complete the Terms and Conditions for the purpose of such Notes. The applicable Pricing Supplement in relation to any Tranche of Exempt Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace and/or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms or Pricing Supplement, as the case may be, (or the relevant provisions thereof) will be (i) in the case of Notes other than VPS Notes, endorsed upon, or attached to, each Global Note and definitive Note or (ii) in the case of VPS Notes, deemed to apply to any such Notes.

The Notes are Swedish covered bonds (**Covered Bonds**) issued by AB Sveriges Säkerställda Obligationer (publ) (with the parallel trade name The Swedish Covered Bond Corporation) (the **Issuer**) in accordance with the Swedish Act on Issuance of Covered Bonds (Sw. *Lag (2003:1223) om utgivning av säkerställda obligationer*) (the **Act on Covered Bonds**). This Note is one of a Series (as defined below) of Notes issued by the Issuer. The Notes (other than VPS Notes (as defined below)) will be issued pursuant to the Agency Agreement (as defined below). VPS Notes will be issued in accordance with and subject to a trust agreement (such trust agreement as amended and/or supplemented and/or restated from time to time, the **VPS Trustee Agreement**) dated 16 June 2017 made between the Issuer and Nordic Trustee ASA (the **VPS Trustee**, which expression shall include any successor as VPS Trustee). The VPS Trustee acts for the benefit of the holders for the time being of the VPS Notes, in accordance with the provisions of the VPS Trustee Agreement and these Terms and Conditions.

The Issuer may also issue (a) Covered Bonds governed by Swedish law pursuant to a programme (the **Swedish Benchmark Bond Programme**) established by the Issuer for the issuance of Swedish benchmark bonds (**Swedish Benchmark Bonds**), (b) Covered Bonds governed by the laws of New South Wales, Australia pursuant to a programme (the **Australian Covered Bond Issuance Programme**) established by the Issuer for the issuance of Australian covered bonds (**Australian Covered Bonds**) and (c) other Covered Bonds on a stand-alone basis (together with the Notes of each Series, the **Covered Bonds**).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (i) in relation to any Notes represented by a global Note (a **Global Note**), units of the lowest Specified Denomination in the Specified Currency;
- (ii) any Global Note;
- (iii) any definitive Notes issued in exchange for a Global Note; and
- (iv) uncertificated and dematerialised Notes in book entry form registered in the Norwegian Central Securities Depository, *Verdipapirsentralen ASA* (**VPS Notes** and the **VPS**, respectively).

The Notes (other than VPS Notes, save to the extent provided therein) and the Coupons (as defined below) have the benefit of an Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**) dated 16 June 2017, and made between the Issuer, Citibank, N.A., London Branch as issuing and principal paying agent and agent bank (the **Principal Paying Agent**, which expression shall include any successor principal paying agent) and the other paying agents named

therein (together with the Principal Paying Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents).

Each issue of VPS Notes will have the benefit of a VPS Agency Agreement (such VPS Agency Agreement as amended and/or supplemented and/or restated from time to time, the **VPS Agency Agreement**) between the Issuer and an agent (the **VPS Agent**) who will act as agent of the Issuer in respect of all dealings with the VPS in respect of VPS Notes as provided in the relevant VPS Agency Agreement. References herein to the VPS Agency Agreement shall be to the relevant VPS Agency Agreement entered into in respect of each issue of VPS Notes.

References herein to **Exempt Notes** are to Notes which are neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive. For the purposes of these Terms and Conditions, **Prospectus Directive** means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in a relevant Member State of the European Economic Area.

The final terms for this Note (or the relevant provisions thereof) are set out in (i) in the case of Notes other than Exempt Notes, Part A of a final terms document (the **Final Terms**) which completes these Terms and Conditions (the **Conditions**) for the purposes of such Notes or (ii) in the case of Exempt Notes, Part A of a pricing supplement (the **Pricing Supplement**) which completes, amends, modifies and/or replaces these Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Conditions, amend, modify and/or replace the Conditions for the purposes of such Exempt Notes. Except in the case of a VPS Note, the Final Terms or Pricing Supplement, as the case may be, for this Note shall be attached to, or endorsed on, this Note. References herein to the **applicable Final Terms** are, except in the case of a VPS Note, to Part A of the Final Terms (or the relevant provisions thereof) attached to, or endorsed on, this Note. If this Note is an Exempt Note, any reference in the Conditions to **applicable Final Terms** shall be deemed to be a reference to **applicable Pricing Supplement** where relevant. In the case of a VPS Note, references herein to the **applicable Final Terms** are to Part A of the Final Terms or Pricing Supplement, as the case may be, provided to the VPS Agent, the VPS Trustee and the VPS in connection with such VPS Notes.

Interest bearing definitive Notes have interest coupons (**Coupons**) and, if indicated in the applicable Final Terms, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a Global Note and in relation to any VPS Notes, be construed as provided below. Any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing) and Series means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Noteholders (other than holders of VPS Notes) and the Couponholders are entitled to the benefit of the Deed of Covenant (the **Deed of Covenant**) dated 17 June 2016 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement and the Deed of Covenant are available for inspection during normal business hours at the specified office of each of the Principal Paying Agent and the other Paying Agents (together referred to as the **Agents**). Copies of the VPS Agency Agreement and the VPS Trustee Agreement will

be available for inspection during normal business hours at the specified office of the VPS Agent and at the registered office for the time being of the VPS Trustee. Copies of the applicable Final Terms are available from the registered office of the Issuer and the specified office of each of the Agents (save that, if this Note is an Exempt Note, the applicable Pricing Supplement will only be available for inspection by a holder of such Notes and such holder must produce evidence satisfactory to the Issuer and/or the relevant Agent as to its holding of Notes and identity). In addition, copies of each Final Terms relating to Notes which are admitted to trading on the London Stock Exchange's regulated market will be published on the website of the London Stock Exchange through a regulatory information service. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant, the VPS Agency Agreement, the VPS Trustee Agreement and the applicable Final Terms which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement and, in the case of VPS Notes, the VPS Agency Agreement and the VPS Trustee Agreement.

Words and expressions defined in the Agency Agreement, the VPS Agency Agreement, the VPS Trustee Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement, the VPS Agency Agreement or the VPS Trustee Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

1. FORM, DENOMINATION AND TITLE

The Notes are either (i) in the case of Notes other than VPS Notes, in bearer form which, in the case of definitive Notes, will be serially numbered, or (ii) in the case VPS Notes, in uncertificated and dematerialised book entry form, as specified in the applicable Final Terms, in each case in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination. Notes (other than VPS Notes) may not be exchanged for VPS Notes and *vice versa*.

Unless this Note is an Exempt Note, this Note is a Fixed Rate Note, a Floating Rate Note or a Zero Coupon Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Notes (other than VPS Notes) and Coupons will pass by delivery. The Issuer and any Agent will (except as otherwise required by law) deem and treat the bearer of any such Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

Title to VPS Notes will pass by registration in the registers between the direct or indirect accountholders at the VPS in accordance with the Norwegian Securities Registry Act of 5 July 2002 (No. *verdipapirregisterloven*) (the **VPS Act**) and the rules and procedures of the VPS. The holder of a VPS Note will be the person evidenced as such by a book entry in the records of the VPS. The person evidenced (including any nominee) as a holder of the VPS Notes shall be treated as the holder of such VPS Notes for the purposes of payment of principal or interest on such Notes and for all other purposes. The expressions **Noteholders** and **holder of Notes** and related expressions shall, in each case, be construed accordingly. Any references in these Terms and Conditions to Coupons, Talons, Couponholders, Global Notes and Notes in definitive form (or, in each case, similar expressions) shall not apply to VPS Notes.

2. STATUS OF THE NOTES

The Notes constitute unconditional and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves. The Notes are Covered Bonds issued in accordance with the Act on Covered Bonds and rank *pari passu* with all other outstanding Covered Bonds and other obligations of the Issuer which benefit from the same priority right in the Cover Pool as Covered Bonds under the Swedish Rights of Priority Act (Sw. *Förmånsrättslagen (1970:979)*) and the Act on Covered Bonds.

3. INTEREST

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note;
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount; or
- (C) in the case of Fixed Rate Notes which are VPS Notes, the aggregate outstanding nominal amount of the Fixed Rate Notes,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the

Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 3(a):

- (i) if “*Actual/Actual (ICMA)*” is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year; or
 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; or
- (ii) if “*30/360*” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; or
- (iii) if any of “*Actual/Actual*”, “*Actual/Actual – ISDA*”, “*Actual/365 (Fixed)*”, “*Actual/365 (Sterling)*”, “*Actual/360*”, “*360/360*”, “*Bond Basis*”, “*30E/360*”, “*Eurobond Basis*” or “*30E/360 (ISDA)*” is specified in the applicable Final Terms, such terms shall have the meanings specified in Condition 3(b)(iv) below save that references therein to an “Interest Period” shall be construed as references to a “Fixed Interest Period”.

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms;
or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each **Interest Period** (which expression shall mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 3(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, **Business Day** means a day which is:

- (A) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open;
- (B) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Business Centre (other than the TARGET2 System) specified in the applicable Final Terms (if any); and

- (C) if TARGET2 System is specified as an Additional Business Centre in the applicable Final Terms, a day on which the TARGET2 System is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as amended and updated as at the Issue Date of the first Tranche of the Notes, published by the International Swaps and Derivatives Association, Inc. (the **ISDA Definitions**) under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this subparagraph (A), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at the Relevant Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent or, in the case of VPS Notes, the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent or the Calculation Agent, as the case may be, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

For the purposes of these Terms and Conditions:

Interest Determination Date shall mean the date specified as such in the Final Terms or if none is so specified:

- (i) if the Reference Rate is the London interbank offered rate (**LIBOR**) (other than Sterling or Euro LIBOR), the second London business day prior to the start of each Interest Period;
- (ii) if the Reference Rate is Sterling LIBOR, the first day of each Interest Period;
- (iii) if the Reference Rate is Euro LIBOR or the Euro-zone interbank offered rate (**EURIBOR**), the second day on which the TARGET2 System is open prior to the start of each Interest Period;
- (iv) if the Reference Rate is the Stockholm interbank offered rate (**STIBOR**), the second Stockholm business day prior to the start of each Interest Period;
- (v) if the Reference Rate is the Norwegian interbank offered rate (**NIBOR**), the second Oslo business day prior to the start of each Interest Period; or
- (vi) if the Reference Rate is the Copenhagen interbank offered rate (**CIBOR**), the second Copenhagen business day prior to the start of each Interest Period.

Reference Rate shall mean (i) LIBOR, (ii) EURIBOR, (iii) STIBOR, (iv) NIBOR or (v) CIBOR, in each case for the relevant period, as specified in the applicable Final Terms.

Relevant Financial Centre shall mean (i) London, in the case of a determination of LIBOR, (ii) Brussels, in the case of a determination of EURIBOR, (iii) Stockholm, in the case of a determination of STIBOR, (iv) Oslo, in the case of a determination of NIBOR or (v) Copenhagen, in the case of a determination of CIBOR, as specified in the applicable Final Terms.

Relevant Time shall mean (i) in the case of LIBOR, 11.00 a.m., (ii) in the case of EURIBOR, 11.00 a.m., (iii) in the case of STIBOR, 11.00 a.m., (iv) in the case of NIBOR, 12.00 noon, and (v) in the case of CIBOR, 11.00 a.m., in each case in the Relevant Financial Centre, as specified in the applicable Final Terms.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

In the case of Exempt Notes which are also Floating Rate Notes where the applicable Pricing Supplement specifies that Screen Rate Determination applies to the calculation of interest, if the Reference Rate from time to time is specified in the applicable Pricing Supplement as being other than LIBOR, EURIBOR, STIBOR, NIBOR or CIBOR, the Rate of Interest in respect of such Exempt Notes will be determined as provided in the applicable Pricing Supplement.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance

with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Principal Paying Agent, in the case of Floating Rate Notes other than Floating Rate Notes which are VPS Notes, and the Calculation Agent, in the case of Floating Rate Notes which are VPS Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Floating Rate Notes which are VPS Notes, the Calculation Agent will notify the VPS Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent or, in the case of either Floating Rate Notes which are VPS Notes, the Calculation Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note;
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount; or
- (C) in the case of Floating Rate Notes which are VPS Notes, the aggregate outstanding nominal amount of the VPS Notes,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest for any Interest Period:

- (i) if “*Actual/Actual*” or “*Actual/Actual – ISDA*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “*Actual/365 (Fixed)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “*Actual/365 (Sterling)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;

- (iv) if “*Actual/360*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “*30/360*”, “*360/360*” or “*Bond Basis*” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if “*30E/360*” or “*Eurobond Basis*” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30; and

- (vii) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y_1 is the year, expressed as a number, in which the first day of the Interest Period falls;

Y_2 is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M_1 is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M_2 is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D_1 is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D_1 will be 30; and

D_2 is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D_2 will be 30.

(v) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent or, in the case of VPS Notes, the Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, any stock exchange on which the relevant Floating Rate Notes are for the time being listed and, in the case of VPS Notes, the VPS, the VPS Trustee and the VPS Agent (by no later than the first day of each Interest Period) and notice thereof is to be published in accordance with Condition 11 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 11. For the purposes of this paragraph (v), the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London. The notification of any rate or amount, if applicable, shall be made to the VPS in accordance with and subject to the rules and regulations of the VPS for the time being in effect.

(vi) *Linear Interpolation*

Where Linear Interpolation is specified as being applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Principal Paying Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the

length of the relevant Interest Period and the other of which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Principal Paying Agent in consultation with the Issuer shall determine such rate at such time and by reference to such sources as the Principal Paying Agent and the Issuer shall determine appropriate.

Designated Maturity means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(vii) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 3(b), whether by the Principal Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Principal Paying Agent, the Calculation Agent (if applicable), the other Paying Agents, the VPS Agent, the VPS Trustee and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Principal Paying Agent, the Calculation Agent (if applicable), the VPS Agent or the VPS Trustee, as the case may be, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Exempt Notes*

The rate or amount of interest payable in respect of Exempt Notes which are not also Fixed Rate Notes or Floating Rate Notes shall be determined in the manner specified in the applicable Pricing Supplement, provided that the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

(d) *Interest Rate and Payments from the Maturity Date if Extended Final Maturity applies*

- (i) If Extended Final Maturity is specified as being applicable in the applicable Final Terms and the Issuer has failed to pay (in full) the Final Redemption Amount on the Maturity Date specified in the applicable Final Terms, each Note shall bear interest in accordance with this Condition 3(d) on its outstanding nominal amount from (and including) the Maturity Date to (but excluding) the earlier of the Interest Payment Date upon which the Notes are redeemed in full and the Extended Final Maturity Date, subject to Condition 3(e). In such circumstances, the Rate of Interest for each Interest Period falling after the Maturity Date, and the amount of interest payable on each Interest Payment Date in respect of such Interest Period, shall be determined by the Principal Paying Agent, in the case of Notes other than VPS Notes, and the Calculation Agent, in the case of Notes which are VPS Notes, in accordance with Condition 3(b), *mutatis mutandis*, and the applicable Final Terms.
- (ii) All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 3(d), whether by the Principal Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Principal Paying Agent, the Calculation Agent (if applicable), the other Paying Agents, the VPS Agent, the VPS Trustee and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Principal Paying Agent, the Calculation Agent (if applicable), the VPS Agent or the VPS Trustee, as the case may be, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

- (iii) This Condition 3(d) shall only apply to a Series of Notes if the Issuer fails to redeem such Series of Notes (in full) at their Final Redemption Amount (as specified in the applicable Final Terms) on the Maturity Date and the maturity of such Notes is automatically extended to the Extended Final Maturity Date in accordance with Condition 5(a).

(e) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) the date on which the full amount of the moneys payable has been received by the Principal Paying Agent or the VPS Agent, as the case may be, and notice to that effect has been given in accordance with Condition 11.

(f) *VPS Notes – Calculation Agent*

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in respect of the VPS Notes and for so long as any such VPS Note is outstanding. Where more than one Calculation Agent is appointed in respect of the VPS Notes, references in these Terms and Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Terms and Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or to calculate any Interest Amount or to comply with any other requirement, the Issuer shall (with the prior approval of the VPS Trustee) appoint a leading bank or investment banking firm engaged in the inter-bank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

4. PAYMENTS

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or at the option of the payee, by a euro cheque.

In no event will payment be made by a cheque mailed to an address in the United States. All payments of interest will be made to accounts located outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)) except as may be permitted by United States tax law in effect at the time of such payment without detriment to the Issuer.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 6 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any law implementing such an intergovernmental agreement thereto).

(b) *Presentation of definitive Notes and Coupons*

Payments of principal in respect of definitive Notes will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States.

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined below) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 7) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

As used herein, the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent or, in the case of VPS Notes, the holders of the VPS Notes, as the case may be, on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 11.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable, against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of

each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

(d) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the provisions of paragraph (a) above, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(e) *Payment Day*

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 7) is:

- (A) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open;
- (B) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Financial Centre (other than the TARGET2 System) specified in the applicable Final Terms (if any);
- (C) if TARGET2 System is specified as an Additional Financial Centre in the applicable Final Terms, a day on which the TARGET2 System is open; and
- (D) in the case of Notes (other than VPS Notes) in definitive form only, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the relevant place of presentation.

In these Terms and Conditions, **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended (the **Treaty**).

(f) *VPS Notes*

Payments of principal and interest in respect of VPS Notes shall be made to the holders shown in the relevant records of the VPS in accordance with and subject to the VPS Act and the rules and regulations from time to time governing the VPS.

(g) *Interpretation of principal*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) the Final Redemption Amount of the Notes;
- (ii) the Early Redemption Amount of the Notes;
- (iii) the Optional Redemption Amount(s) (if any) of the Notes;
- (iv) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 5(d)(ii)); and
- (v) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

(h) *Partial Payment*

If Extended Final Maturity is specified as being applicable in the applicable Final Terms and on the Maturity Date the Issuer fails to pay (in full) the Final Redemption Amount in respect of that Series of Notes and any other amounts due and payable by the Issuer in respect of Covered Bonds on such date, then the Issuer shall apply available moneys, after having made payment of all other amounts due and payable by the Issuer in respect of Covered Bonds on such date, to redeem the relevant Series of Notes in part at par together with accrued interest *pro rata* and *pari passu* with any other Series of Notes for which Extended Final Maturity is specified as being applicable in the Final Terms or in respect of which an Extended Final Maturity Date is specified in the applicable Final Terms.

5. REDEMPTION AND PURCHASE

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms, subject as provided below if Extended Final Maturity is specified as being applicable in the applicable Final Terms. The Final Redemption Amount of each Note will be equivalent to its principal amount.

If Extended Final Maturity is specified as being applicable in the applicable Final Terms and the Issuer fails to pay (in full) the Final Redemption Amount on the Maturity Date specified in the Final Terms or within two Business Days thereafter, then (subject as provided below) payment of the unpaid amount by the Issuer shall be automatically deferred until the Extended Final Maturity Date specified in the applicable Final Terms, provided that any amount representing the Final Redemption Amount due and remaining unpaid on the Maturity Date may be paid by the Issuer on any Interest Payment Date occurring thereafter up to (and including) the relevant Extended Final Maturity Date.

The Issuer shall confirm to the Principal Paying Agent as soon as reasonably practicable and in any event at least four London business days prior to the Maturity Date if the Final Redemption Amount in respect of a Series of Notes will not be paid (in full) on that Maturity Date. Any failure by the Issuer to notify the Principal Paying Agent shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party and shall not constitute a default.

Where the applicable Final Terms provides that Extended Final Maturity applies, any such failure by the Issuer to pay (in full) the Final Redemption Amount on the Maturity Date (or within two Business Days thereafter) shall not constitute a default in payment.

For the purposes of these Terms and Conditions, **Extended Final Maturity Date** means, in relation to any Series of Notes, the date (if any) specified as such in the applicable Final Terms, being a date falling no later than 12 months from the Maturity Date, to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Maturity Date or within two Business Days thereafter.

(b) *Redemption for tax reasons*

If:

- (i) as a result of any actual or proposed change in, or amendment to, the laws of the Kingdom of Sweden, or the regulations of any taxing authority therein or thereof, or in or to the application of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes, on the occasion of the next payment due in respect of the Notes the Issuer would be required to deduct or withhold from any payment of principal or interest in respect of the Notes and Coupons (other than because the relevant holder has some connection with the Kingdom of Sweden other than the holding of such Note or Coupon) any amount for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the Kingdom of Sweden (or any political subdivision or authority in the Kingdom of Sweden having power to tax); or
- (ii) by reason of a change in law (or the application or official interpretation thereof), which change becomes effective on or after the Issue Date of the first Tranche of the Notes, on the occasion of the next payment due in respect of any Interest Rate Swap Agreement, Currency Swap Agreement, Cover Pool Swap Agreement or, as the case may be, Non-Cover Pool Swap Agreement, the Issuer, the relevant Interest Rate Swap Provider, the relevant Currency Swap Provider, the relevant Cover Pool Swap Provider, or as the case may be, the relevant Non-Cover Pool Swap Provider would be required to deduct or withhold from any payment under the relevant Interest Rate Swap Agreement, the relevant Currency Swap Agreement, the relevant Cover Pool Swap Agreement or, as the case may be, the relevant Non-Cover Pool Swap Agreement any amount for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature,

then the Issuer shall, if the same would avoid the effect of such relevant event described in subparagraph (i) or (ii) above, appoint a Paying Agent in another jurisdiction.

If one or more of the events described in subparagraph (i) or (ii) above is continuing immediately before giving the notice referred to below and the appointment of a Paying Agent would not avoid the effect of the relevant event or, having used its reasonable endeavours, the Issuer is unable to arrange such an appointment, then the Issuer may at its option at any time (in the case of Notes which are not Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes), having given not less than 30 nor more than 60 days' notice to the Principal Paying Agent and the Noteholders in accordance with Condition 11 (which notice shall be irrevocable), redeem all the Notes, but not some only, each at its Early Redemption Amount referred to in this Condition 5 together with interest, if any, accrued to but excluding the date of redemption, provided that (in

either case), prior to giving any such notice, the Issuer shall have provided to the Principal Paying Agent and, in the case of VPS Notes, to the VPS Agent (A) a certificate signed by two directors of the Issuer stating that the circumstances referred to in the paragraph immediately above prevail and setting out details of such circumstances, and (B) an opinion of independent legal advisers of recognised standing to the effect that the Issuer, the relevant Interest Rate Swap Provider, the relevant Currency Swap Provider, the relevant Cover Pool Swap Provider or the relevant Non-Cover Pool Swap Provider (as the case may be) has or will become obliged to deduct or withhold amounts as a result of such change or amendment.

(c) *Redemption at the Option of the Issuer*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (i) not less than 30 nor more than 60 days' notice (or such lesser period as may be stated in the applicable Final Terms) to the Noteholders in accordance with Condition 11; and
- (ii) not less than 14 days' notice (or such lesser period as may be agreed between the Issuer and the Principal Paying Agent) before the giving of the notice referred to in (i), to the Principal Paying Agent,

(which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Maximum Redemption Amount. In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg at their discretion as either a pool factor or a reduction in nominal amount) in the case of Redeemed Notes represented by a Global Note, and in accordance with the rules of the VPS in the case of VPS Notes, in each case not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 11 not less than 30 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 11 at least five days prior to the Selection Date.

(d) *Early Redemption Amounts*

For the purposes of Condition 5(b), each Note will be redeemed at an amount (the **Early Redemption Amount**) calculated as follows:

- (i) in the case of a Note (other than a Zero Coupon Note) at the amount specified in the applicable Final Terms as the Early Redemption Amount or, if no such amount or manner is set out in the applicable Final Terms, at its nominal amount; or
- (ii) in the case of a Zero Coupon Note, at an amount (the **Amortised Face Amount**) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

^y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360 day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).

(e) *Purchases*

The Issuer may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(f) *Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph 5(e) above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(g) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b) or (c) above is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (d)(ii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 11.

6. TAXATION

All payments of principal and interest in respect of the Notes and Coupons by the Issuer will be made without withholding or deduction for, or on account of, any present or future taxes or duties of whatever nature imposed or levied by, or on behalf of, the Kingdom of Sweden (or any political subdivision or any authority in the Kingdom of Sweden having power to tax) unless the withholding or deduction of such taxes is required by law, in which case such withholding or deduction will be made.

7. PRESCRIPTION

The Notes and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 4(b)) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 4 or any Talon which would be void pursuant to Condition 4.

8. REPLACEMENT OF NOTES, COUPONS AND TALONS

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent (or such other place as may be notified to the Noteholder) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

9. AGENTS

The names of the initial Agents are set out above. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents and their initial specified offices will be specified in Part B of the applicable Final Terms.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that:

- (a) there will at all times be a Principal Paying Agent;
- (b) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority); and
- (c) in the case of VPS Notes, there will at all times be a VPS Agent authorised to act as an account holding institution with the VPS and one or more Calculation Agent(s) where the Terms and Conditions of the relevant VPS Notes so require.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 4. Notice of any variation, termination, appointment or change in the Paying Agents will be given to the Noteholders promptly by the Issuer in accordance with Condition 11.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

10. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 7.

11. NOTICES

(a) *Notes other than VPS Notes*

All notices regarding the Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of the London Stock Exchange's regulated market or any other stock exchange (or any other relevant authority) on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on the London Stock Exchange's regulated market or any other stock exchange or are admitted to trading by any other relevant authority and the rules of that stock exchange (or other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

(b) *VPS Notes*

Notices to holders of VPS Notes shall be valid if the relevant notice is given to the VPS for communication by it to the holders and, so long as the VPS Notes are listed on a stock exchange, the Issuer shall ensure that notices are duly published in a manner which complies with the rules of such exchange. Any such notice shall be deemed to have been given to the holders of the VPS Notes on the date of delivery of such notice by the VPS.

12. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

(a) *Notes other than VPS Notes*

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Agency Agreement, the Deed of Covenant, the Notes, these Terms and Conditions or the Coupons. Such a meeting may be convened by the Issuer or shall be convened by the Issuer if required in writing by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons present holding or representing a clear majority of the nominal amount of the Notes for the time being outstanding, or at any such adjourned meeting one or more persons present being or representing the Noteholders whatever the nominal amount of the Notes held or represented, except that at any meeting, the business of which includes the modification of certain Terms and Conditions of the Notes or the Coupons, the necessary quorum for passing an Extraordinary Resolution will be one or more persons present holding or representing not less than 75 per cent. or at any such adjourned meeting not less than 50 per cent. of the nominal amount of the Notes for the time being outstanding.

Any resolution passed at any meeting of Noteholders will be binding on all the Noteholders, whether or not they are present at the meeting, and on all the Couponholders. Any Notes which have been purchased and are held by or on behalf of the Issuer but have not been cancelled shall (unless and until resold) be deemed not to be outstanding for the purposes of the right to attend or participate in any way at any meeting of Noteholders.

In the case of Notes other than VPS Notes, the Principal Paying Agent and the Issuer may agree, without the consent of the Noteholders or Couponholders, to:

- (i) any modification (except as mentioned above) of the Notes, the Coupons or the Agency Agreement which, in the opinion of the Issuer, is not materially prejudicial to the interests of the Noteholders; or
- (ii) any modification of the Notes, the Coupons, the Deed of Covenant or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 11 as soon as practicable thereafter.

(b) *VPS Notes*

The VPS Trustee Agreement contains provisions for convening meetings of the holders of VPS Notes to consider any matter affecting their interests, including sanctioning by a majority of votes (as more fully set out in the VPS Trustee Agreement) a modification of the VPS Notes or any of the provisions of the VPS Trustee Agreement (or, in certain cases, sanctioning by a majority of two thirds of votes). Such a meeting may be convened by the Issuer, the VPS Trustee or by the holders of not less than 10 per cent. of the Voting VPS Notes. For the purpose of this Condition, **Voting VPS Notes** means the aggregate nominal amount of the total number of VPS Notes not redeemed or otherwise deregistered in the VPS, less the VPS Notes owned by the Issuer, any party who has decisive influence over the Issuer or any party over whom the Issuer has decisive influence.

The quorum at a meeting for passing a resolution is one or more persons holding at least one half of the Voting VPS Notes or at any adjourned meeting one or more persons being or representing holders of Voting VPS Notes whatever the nominal amount of the VPS Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the VPS Notes, the VPS Trustee Agreement (including modifying the date of maturity of the VPS Notes or any date for payment of interest thereof, reducing or cancelling the amount of principal or the rate of interest payable in respect of the VPS Notes or altering the currency of payment of the VPS Notes), the quorum shall be one or more persons holding or representing not less than two-thirds in aggregate nominal amount of the Voting VPS Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in aggregate nominal amount of the Voting VPS Notes. A resolution passed at any meeting of the holders of VPS Notes shall be binding on all the holders, whether or not they are present at such meeting.

In the case of VPS Notes, the VPS Trustee Agreement provides that:

- (i) the VPS Trustee may in certain circumstances, without the consent of the holders of the VPS Notes, make decisions binding on all holders relating to the Terms and Conditions, the VPS Trustee Agreement or the VPS Agency Agreement including amendments which are not, in the VPS Trustee's opinion, materially prejudicial to the interests of the holders of the VPS Notes; and
- (ii) the VPS Trustee may reach decisions binding for all holders of VPS Notes.

13. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further Notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

14. GOVERNING LAW, SUBMISSION TO JURISDICTION AND CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

(a) *Governing law*

The Agency Agreement, the Deed of Covenant, the Notes and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Deed of Covenant, the Notes and the Coupons shall be governed by, and construed in accordance with, English law except that (i) the provisions of the Notes under Condition 2 are governed by, and shall be construed in accordance with, the laws of the Kingdom of Sweden and (ii) the registration of VPS Notes in the VPS as well as the recording and transfer of ownership to, and other interests in, VPS Notes and Condition 12(b) are governed by, and shall be construed in accordance with, Norwegian law. The VPS Trustee Agreement is, and the VPS Agency Agreement shall be, governed by and construed in accordance with Norwegian law.

(b) *Submission to jurisdiction*

The Issuer agrees, for the exclusive benefit of the Noteholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes and/or the Coupons) and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes and the Coupons (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Notes and/or the Coupons) may be brought in such courts.

The Issuer hereby irrevocably waives any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and hereby further irrevocably agrees that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

To the extent allowed by law, nothing contained in this Condition shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(c) *Contracts (Rights of Third Parties) Act 1999*

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 (the **Act**), but this does not affect any right or remedy of any person which exists or is available apart from that Act.

(d) *Appointment of Process Agent*

The Issuer has appointed Business Sweden – The Swedish Trade & Invest Council at its office at 5 Upper Montagu Street, London W1H 2AG, England as its agent for service of process, and undertakes that, in the event of Business Sweden – The Swedish Trade & Invest Council ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of

any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

(e) *Waiver of immunity*

The Issuer hereby irrevocably and unconditionally waives with respect to the Notes and the Coupons any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence and irrevocably and unconditionally consents to the giving of any relief or the issue of any process, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any proceedings.

(f) *Other documents*

The Issuer has in the Agency Agreement and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process on terms substantially similar to those set out above.

15. DEFINITIONS

In these Terms and Conditions the following words shall have the following meanings:

Cover Pool means the cover pool of eligible assets maintained by the Issuer in accordance with the Act on Covered Bonds;

Cover Pool Swap means each cover pool swap which enables the Issuer to convert SEK interest payments received by the Issuer in respect of assets (other than Eligible Swaps) registered to the Cover Pool into floating payments linked to 3-month STIBOR;

Cover Pool Swap Agreement means each ISDA Master Agreement, schedule and confirmation(s) (as amended and supplemented from time to time) relating to Cover Pool Swaps entered into from time to time between the Issuer and each Cover Pool Swap Provider;

Cover Pool Swap Provider means SBAB Bank AB (publ) in its capacity as swap provider under a Cover Pool Swap Agreement or any other entity providing such Cover Pool Swap;

Currency Swap means each currency swap which enables the Issuer to hedge currency risks arising from (a) Covered Bonds which are issued in currencies other than SEK and (b) assets (other than loans) which are registered to the Cover Pool and are denominated in currencies other than SEK;

Currency Swap Agreement means each ISDA Master Agreement, schedule and confirmation(s) (as amended and supplemented from time to time) relating to the Currency Swap(s) entered into from time to time between the Issuer and each Currency Swap Provider;

Currency Swap Provider means SBAB Bank AB (publ) and/or other third party counterparties in their respective capacities as currency swap provider under a Currency Swap Agreement;

Interest Rate Swap means each interest rate swap which enables the Issuer to hedge the Issuer's interest rate risks in SEK and/or other currencies to the extent that they have not been hedged by a Cover Pool Swap or a Currency Swap;

Interest Rate Swap Agreement means each ISDA Master Agreement, schedule and confirmation(s) (as amended and supplemented from time to time) relating to the Interest Rate Swap(s) entered into from time to time between the Issuer and each Interest Rate Swap Provider;

Swap Providers means each Cover Pool Swap Provider, each Non-Cover Pool Swap Provider, each Currency Swap Provider and each Interest Rate Swap Provider.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the Issuer:

- (a) to purchase (i) loans and their related security and other assets from SBAB in accordance with the terms of the Master Sale Agreement (as defined under “*Information Relating to the Issuer*”) or (ii) loans and their related security and other assets from any other entity who enter into mortgage sale agreements with the Issuer in accordance with the terms of the applicable mortgage sale agreement; and/or
- (b) to acquire supplementary collateral up to the prescribed legislative limit set out in the Act on Covered Bonds; and/or
- (c) if an existing Series or Tranche of Notes or, as the case may be, any other Covered Bond is being refinanced (by the issue of a further Series or Tranche of Notes), to repay the existing Series or Tranche of Notes or, as the case may be, that other Covered Bond; and/or
- (d) to repay the Subordinated Debt (as defined in the Subordination Agreement (as defined under “*Information Relating to the Issuer*”)); and/or
- (e) if so specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement), towards the origination of loans to fund or re-finance certain defined projects, as described in the Issuer’s internal policies and/or frameworks from time to time, available at www.sbab.se; and/or
- (f) towards the Issuer’s general corporate purposes.

SUMMARY OF THE SWEDISH LEGISLATION REGARDING COVERED BONDS

The following is a brief summary of certain features of the Act on Covered Bonds as of the date of this Prospectus. The summary does not purport to be, and is not, a complete description of all aspects of the Swedish legislative and regulatory framework for covered bonds. In addition to the summary below, please also refer to the section “Risk Factors” above.

Introduction

The Act on Covered Bonds entered into force on 1 July 2004 and was last amended in 2016. It enables Swedish banks and credit market undertakings (**Institutions**), which have been granted a specific licence by the Swedish FSA, to issue full-recourse debt instruments secured by a pool of mortgage credits and/or public sector credits.

The Swedish FSA has issued regulations and recommendations under the authority conferred on it by the Act on Covered Bonds, including the Swedish FSA’s regulations and general guidelines regarding covered bonds (Sw. *Finansinspektionens föreskrifter och allmänna råd om säkerställda obligationer (FFFS 2013:1)*) as amended from time to time (the **Swedish FSA Regulations**). Swedish covered bonds may take the form of bonds and other comparable debt instruments, such as commercial paper. In the event of an Institution’s bankruptcy, holders of covered bonds (and certain eligible counterparties to derivative contracts entered into for the purpose of matching the financial terms of the assets in the pool with those of the covered bonds) benefit from a priority right in the pool of assets consisting of Eligible Mortgages, Public Credits and Supplemental Assets (all as defined below) (the **Cover Pool**). The Act on Covered Bonds further enables such holders (and derivative counterparties) to continue to receive timely payments also following the Institution’s bankruptcy, subject to certain conditions being met. The Cover Pool is dynamic in the sense that an Institution may supplement or substitute assets in the Cover Pool at any time.

Registration

Information in respect of all covered bonds, assets in the Cover Pool and relevant derivative contracts must be entered into a special register (the **Register**), which is maintained by the Institution. The actual registration of the covered bonds and relevant derivative contracts in the Register is necessary to confer the priority right in the Cover Pool. Further, only assets entered into the Register form part of the Cover Pool. The Register must at all times show the nominal value of the covered bonds, the Cover Pool and the relevant derivative contracts. As a result, the Register requires regular updating, including, without limitation, due to changes in interest rates, interest periods, outstanding debt and the composition of the Cover Pool. The value of the underlying collateral securing Eligible Mortgages in the Cover Pool must also be entered into the Register.

Eligibility criteria for assets in the Cover Pool

The Cover Pool may consist of certain Eligible Mortgages, Public Credits and Supplemental Assets.

Eligible Mortgages means loans secured by (i) mortgages over real property (Sw. *fastigheter*) intended for residential, agricultural, office or commercial purposes or site leasehold rights (Sw. *tomträtter*) intended for residential, office or commercial purposes, (ii) pledges over tenant-owner rights (Sw. *bostadsrätter*), or (iii) comparable security interests over equivalent assets situated in other countries within the EEA.

Public Credits means certain loans to (or guaranteed by), among others, the Swedish State, Swedish municipalities and comparable public bodies and the European Union.

Supplemental Assets means primarily government bonds and cash, although the Swedish FSA may also authorise the use of certain debt instruments issued by credit institutions and other bodies as Supplemental Assets.

Loan-to-value ratios and certain other restrictions

For Eligible Mortgages, there is a maximum loan amount which may be included in the Cover Pool, depending on the value of the underlying collateral:

1. For residential collateral, a loan may be included in the Cover Pool only to the extent the loan amount does not exceed 75 per cent. of the market value of the collateral.
2. For agricultural collateral, a loan may be included in the Cover Pool only to the extent the loan amount does not exceed 70 per cent. of the market value of the collateral.
3. For office or commercial collateral, a loan may be included in the Cover Pool only to the extent the loan amount does not exceed 60 per cent. of the market value of the collateral.

Should a loan exceed the relevant ratio, only the part of the loan that falls within the permitted limit may be included in the Cover Pool (a **Partly Eligible Loan**). The Act on Covered Bonds does not explicitly regulate how proceeds in respect of a Partly Eligible Loan shall be distributed between the eligible and the non-eligible parts of the loan.

The most likely interpretation is that interest payments shall be allocated *pro rata* between the eligible and non-eligible parts of the loan and that amortisations shall be applied first towards the non-eligible part of the loan (absent enforcement of the security over the underlying collateral). However, proceeds from enforcement of the security should most likely be applied first towards the eligible part of the loan.

A similar situation arises if, for example, the same mortgage security serves as first-ranking security for two (or more) loans granted by an Institution and only one of these loans is included in the Cover Pool. The Act on Covered Bonds does not give clear guidance as to how proceeds shall be allocated between the two loans in case of the Institution's bankruptcy. The lack of guidance may give room for unsecured creditors of the Institution to argue that only a *pro rata* portion of such proceeds shall be allocated to the loan included in the Cover Pool.

The Act on Covered Bonds restricts the overall proportion of loans provided against security over real property (or site leasehold rights or tenant-owner rights) intended for office or commercial purposes to 10 per cent. of an Institution's Cover Pool.

Furthermore, the proportion of Supplemental Assets may not exceed 20 per cent. of the Cover Pool, although the Swedish FSA has the authority to raise this limit to 30 per cent. for a limited period in special circumstances.

Institutions are required to regularly monitor the market value of the mortgage assets that serve as collateral for loans included in the Cover Pool and at least once a year to analyse how future changes in market values may affect the loan-to-value ratios and the value of all such mortgage assets. If the market value of a mortgage asset declines significantly (15 per cent. or more according to the preparatory works to the Act on Covered Bonds), then only such part of the loan that falls within the permitted loan-to-value ratio will be eligible for inclusion in the Cover Pool and will be subject to the priority right described below. However, a decline in the market value following an Institution's bankruptcy would not result in a reduction of the assets in which holders of covered bonds (and relevant derivative counterparties) have a priority right, but could result in the Cover Pool ceasing to meet the matching requirements.

Matching requirements

The Act on Covered Bonds prescribes that an Institution must comply with certain matching requirements, which, among other things, require that the nominal value of the assets registered to the Cover Pool exceeds the nominal value of liabilities which relate to covered bonds issued from time to time by at least 2 per cent. The calculation shall be made on the basis of current book values. In order to comply with these

requirements, the Institution may enter into derivative contracts, which will also be taken into account when testing the matching. To do so, the Institution is dependent on the availability of derivative counterparties with sufficient credit rating and also on such counterparties fulfilling their contractual obligations.

Furthermore, an Institution must compose the Cover Pool in such a way as to ensure a sound balance between the covered bonds and the assets in the Cover Pool in terms of currencies, interest rates and interest fixation periods. Such sound balance is deemed to exist when the present value of the Cover Pool at all times exceeds the present value of the liabilities relating to the covered bonds by at least 2 per cent. The present value of derivative contracts shall be taken into account for the purposes of such calculation. The calculations of present value shall withstand certain stress tests (changes in interest rates and/or currency exchange rates).

The payment flows relating to the assets in the Cover Pool, derivative contracts and covered bonds shall be such that an Institution is at all times able to meet its payment obligations towards holders of covered bonds and relevant derivative counterparties.

Non-performing assets in the Cover Pool which are more than 60 days overdue must be disregarded for the purposes of the matching tests.

Supervision by the Swedish FSA and the independent monitor

The Swedish FSA monitors that an Institution complies with the Act on Covered Bonds and other provisions of the legislative and regulatory framework which regulates the business of the Institution. In addition, the Swedish FSA appoints an independent monitor (Sw. *oberoende granskare*) for each Institution that issues covered bonds.

The independent monitor is responsible for monitoring the Register to assess whether or not it is being maintained correctly and in compliance with the Act on Covered Bonds and the Swedish FSA Regulations. The monitoring shall be risk-based. In particular, the independent monitor shall verify that (i) covered bonds and relevant derivative contracts are registered in the Register, (ii) only loans and Supplemental Assets that satisfy the eligibility criteria are included in the Cover Pool and registered in the Register, (iii) the valuations of the underlying collateral for loans in the Cover Pool are in accordance with the Act on Covered Bonds and the Swedish FSA Regulations, (iv) mortgage loans the underlying collateral of which has decreased significantly in value are, for the purpose of the matching requirements, deducted from the Cover Pool to the extent necessary to comply with the relevant loan-to-value ratio and (v) the matching requirements are complied with. In addition, the independent monitor shall annually review revaluations by the Institution of the underlying collateral.

The independent monitor is entitled to request information from the Institution, conduct site visits and is required to report regularly and at least once a year to the Swedish FSA. The Act on Covered Bonds does not provide for any change to the independent monitor's remit upon the bankruptcy of an Institution.

Benefit of a priority right in the Cover Pool

Pursuant to the Act on Covered Bonds and the Rights of Priority Act, the holders of covered bonds benefit from a priority right in the Cover Pool should the Institution be declared bankrupt (Sw. *försatt i konkurs*). The same priority is awarded to the Institution's eligible counterparties to derivative contracts entered into for the purpose of matching the financial terms of the assets in the Cover Pool with those of the covered bonds. Such derivative counterparties and the holders of covered bonds rank *pari passu* with joint seniority in relation to the Cover Pool.

By virtue of the aforementioned priority, holders of covered bonds and relevant derivative counterparties rank ahead of unsecured creditors and all other creditors of the Institution in respect of assets in the Cover Pool (except the administrator-in-bankruptcy as regards fees for its administration of assets in the Cover Pool and costs for such administration and obligations under liquidity loans and other agreements entered into by the administrator in bankruptcy on behalf of the bankruptcy estate with a view to fulfilling the matching requirements for the Cover Pool (see further below)). The priority right also covers cash received by an

Institution and deriving from the Cover Pool or relevant derivative contracts, provided that certain administrative procedures have been complied with.

Due to what is generally regarded as an oversight by the legislator, there is some uncertainty as to whether a creditor that obtains execution (Sw. *utmätning*) against an asset in the Cover Pool earlier than three months before an Institution's bankruptcy could defeat the priority afforded to holders of covered bonds and derivative counterparties as regards such asset. However, an execution that is levied less than three months before the Institution is being declared bankrupt will typically not defeat the priority.

Administration of the Cover Pool in the event of bankruptcy

Should an Institution be declared bankrupt, at least one administrator-in-bankruptcy would be appointed by the bankruptcy court and one administrator-in-bankruptcy would be appointed by the Swedish FSA. The administrators-in-bankruptcy would take over the administration of the bankruptcy estate, including the Cover Pool.

Provided that (and as long as) the Cover Pool meets the requirements of the Act on Covered Bonds (including the matching requirements), the assets in the Cover Pool, the covered bonds and any relevant derivative contracts that have been entered into the Register are required to be maintained as a unit and kept segregated from other assets and liabilities of the bankruptcy estate of the Institution. The administrators-in-bankruptcy are in such case required to procure the continued timely service of payments due under the covered bonds and any relevant derivative contracts. Consequently, the bankruptcy would not as such result in early repayment or suspension of payments to holders of covered bonds or to derivative counterparties, so long as the Cover Pool continues to meet the requirements of the Act on Covered Bonds.

Upon an Institution's bankruptcy, neither the Institution nor its bankruptcy estate would have the ability to issue further covered bonds. However, the Act on Covered Bonds gives the administrators-in-bankruptcy an explicit and broad mandate to enter into loan, derivative, repo and other transactions on behalf of the bankruptcy estate with a view to maintaining matching cash flows, currencies, interest rates and interest periods between assets in the Cover Pool, covered bonds and derivative contracts. Counterparties in such transactions will rank senior to holders of covered bonds and derivative counterparties. The administrators-in-bankruptcy may also raise liquidity by selling assets in the Cover Pool in the market for example.

If the Cover Pool ceases to meet the requirements of the Act on Covered Bonds, and the deviations are not just temporary and minor, the Cover Pool may no longer be maintained as a unit and the continuous payment under the terms and conditions of the covered bonds and derivative contracts will cease. The holders of covered bonds and derivative counterparties would in such case instead benefit from a priority right in the proceeds of a sale of the assets in the Cover Pool in accordance with general bankruptcy rules. This could result in the holders of covered bonds receiving payment according to a schedule that is different from that contemplated by the terms and conditions of the covered bonds (with accelerations as well as delays) or that the holders of covered bonds are not paid in full. However, the holders of covered bonds and derivative counterparties would retain the benefit of the right of priority in the assets comprising the Cover Pool. Any residual claims of the holders of covered bonds and derivative counterparties remain valid claims against the Institution, but will rank *pari passu* with other unsecured and unsubordinated creditors of the Institution.

Proposal for a directive on covered bonds

On 12 March 2018, the European Commission presented a proposal for a directive on covered bonds. The proposal lays down the conditions that covered bonds have to meet in order to be recognised under EU law, aiming to strengthen investor protection in the EU by imposing specific supervisory duties. The proposal is complemented by a proposal for a regulation amending the Capital Requirements Regulation. If these proposals are adopted by the European Parliament and the Council, certain changes to the Act on Covered Bonds and the Swedish FSA Regulations are likely to be required.

INFORMATION RELATING TO THE ISSUER

Introduction

The Issuer was established with the trade name Lagrummet Augusti nr 52 Aktiebolag and registered in Sweden on 24 June 2003. The shares in Lagrummet Augusti nr 52 Aktiebolag were acquired by SBAB on 13 October 2005. The Issuer was acquired for the purpose of managing SBAB's issuance of covered bonds. On 31 March 2006 the Issuer was granted a licence by the Swedish FSA to conduct financing operations and to issue covered bonds under the Act on Covered Bonds. On the same date, the change of name to AB Sveriges Säkerställda Obligationer (publ) with the parallel trade name The Swedish Covered Bond Corporation was registered with the Swedish Companies Registration Office (Sw. *Bolagsverket*).

The Issuer's corporate identification number is 556645-9755 and its postal address is P.O. Box 4209, SE-171 04 Solna, Sweden, telephone no. +46 8-614 43 00 and visiting address is Svetsarvägen 24, SE-171 41 Solna, Sweden. From its establishment date until 16 November 2015, the Issuer's principal place of business was Stockholm, Sweden and, as of 16 November 2015, the Issuer's principal place of business has been Solna, Sweden.

Relevant Legislation

The Issuer is a public limited liability company and is governed by the Swedish Companies Act (Sw. *Aktiebolagslagen (2005:551)*) and its Articles of Association.

The Issuer undertakes financing operations and is therefore governed by the Swedish Act on Banking and Financing Activities and is under the supervision of the Swedish FSA.

The Issuer has been granted a licence by the Swedish FSA to issue covered bonds in accordance with the Act on Covered Bonds.

In addition, the Swedish Supervision of Credit and Investment Institutions Act (Sw. *Lag (2014:968) om särskild tillsyn över kreditinstitut och värdepappersbolag*) and the Swedish Act on Capital Buffers (Sw. *Lag (2014:966) om kapitalbuffertar*) set forth certain requirements concerning capital adequacy which are based on the Bank for International Settlements regulations and EU capital requirements and, with effect from 1 January 2014, the CRD IV Regulation entered into force in Sweden.

Operations

The Issuer is a wholly-owned subsidiary of SBAB. SBAB has been undertaking lending operations for over 20 years and in order to finance these operations SBAB has historically mainly issued debt instruments. The main debt instruments issued by SBAB have been Swedish mortgage bonds, bonds under its EMTN programme and commercial paper. Following the introduction of the Act on Covered Bonds, SBAB decided to diversify its debt raising by also issuing covered bonds under the Act on Covered Bonds. SBAB chose, instead of issuing covered bonds in its own name, to issue the covered bonds through a subsidiary, namely the Issuer. In addition to the Programme, the Issuer has established the Swedish Benchmark Bond Programme and the Australian Covered Bond Issuance Programme, and may from time to time establish other cover bond programmes.

The Issuer does not conduct any new lending operations, but acquires loans primarily from SBAB and will potentially also acquire loans from others. The Issuer and SBAB originally entered into a master sale agreement on the 2 June 2006 (which took effect as of 5 May 2006) (as amended, restated and/or supplemented from time to time, the **Master Sale Agreement**), pursuant to which the Issuer acquired an initial portfolio of loans from SBAB.

The Master Sale Agreement also provides for the continuous transfer of loans from SBAB to the Issuer on the terms and conditions stated in that agreement.

SBAB's claims for the purchase price of the loans acquired by the Issuer pursuant to the Master Sale Agreement are (fully or partially) repaid concurrently with the issue of covered bonds. SBAB's claims under the Master Sale Agreement are subordinated in case of the Issuer's bankruptcy pursuant to the Subordination Agreement (as defined below) further described below.

If the Issuer intends to acquire assets directly from entities other than SBAB it will enter into a new mortgage sale agreement with such entity.

The assets of the Issuer that are not included in the Cover Pool will be available to satisfy the Noteholders' claims by Noteholders seeking execution against the Issuer prior to the Issuer's bankruptcy or as dividends (advance and/or final) following the bankruptcy of the Issuer if the assets in the Cover Pool are not sufficient to pay the Noteholders' claims against the Issuer in full. However, there may be other creditors (other than SBAB) competing with the Noteholders, any other Covered Bondholders and the Eligible Swap Providers in all or any part of the other assets of the Issuer not comprising the Cover Pool. Further, SBAB has agreed, pursuant to a subordination agreement made between SBAB and the Issuer originally dated 2 June 2006 (which took effect as of 5 May 2006) (as amended, restated and/or supplemented from time to time, the **Subordination Agreement**), that all its claims against the Issuer (except in relation to claims deriving from the Eligible Swaps) will be subordinated to all unsubordinated claims against the Issuer (including, without limitation, the claims of the Covered Bondholders and the Eligible Swap Providers) in the Issuer's bankruptcy.

Where one mortgage certificate serves as collateral for two loans and one of those loans is held by SBAB as creditor and the other loan is registered to the Cover Pool, SBAB has agreed with the Issuer to subordinate its claim to the benefit of the Issuer. Further, SBAB will represent to the Issuer pursuant to the Master Sale Agreement that at the time of the sale of any loans in respect of which the related mortgage certificate also serves as shared security (*Sw. gemensam säkerhet*) for a loan from a party other than the Issuer or SBAB that such party has entered into a subordination agreement with the Issuer which is substantially the same as the Subordination Agreement and to repurchase the relevant loan if such representation was breached at the time of sale.

Outsourcing Agreement concerning certain Services

For the purpose of achieving efficiency benefits, SBAB and the Issuer have agreed that SBAB shall undertake all services necessary for the Issuer to be able to carry out its business operations. An outsourcing agreement was originally entered into on 2 June 2006 between the Issuer and SBAB (as amended, restated and/or supplemented from time to time, the **Outsourcing Agreement**) pursuant to which SBAB shall perform certain services that the Issuer may need to carry out its business operations such as cash management services, services relating to the loans, monitoring the matching requirements in the Cover Pool and other business activities services. SBAB must also ensure that the Cover Pool is administrated in accordance with the provisions of the Act on Covered Bonds applicable from time to time, regulations and general guidelines governing covered bonds issued by the FSA (*Sw. FFFS 2013:1*), as amended or superseded, the Issuer's Articles of Association, the terms and conditions of the Notes and the policies and instructions set by the Issuer.

Cover Pool Swap

The Issuer and SBAB have entered into interest rate swap transactions governed by an ISDA Master Agreement (including a schedule and confirmation(s)), and the Issuer may enter into additional interest rate swap transactions with SBAB or other third party counterparties, in respect of the assets registered in the Cover Pool (each, a **Cover Pool Swap**). The Cover Pool Swaps enable the Issuer to convert SEK interest payments received by the Issuer in respect of assets (other than Eligible Swaps) registered to the Cover Pool into floating payments linked to 3-month STIBOR.

Falling within the exemption for intragroup transactions provided for under Articles 3 and 4.2 of the European Market Infrastructure Regulation (**EMIR**) (Regulation (EU) No 648/2012 on OTC derivatives, central counterparties and trade repositories) and satisfying the requirement on notification to the Swedish FSA set out in Article 4.2(a) of EMIR, the Cover Pool Swaps shall not be subject to the clearing obligation in EMIR.

Financial Information

The Issuer was established on 24 June 2003 as a limited liability company with the minimum share capital, SEK 100,000 and was made a public company on 31 March 2006.

The present share capital is SEK 50 million. The Issuer's entire share capital has been fully paid. Each share carries one vote.

The financial statements of the Issuer for the financial year 2017 have been prepared in accordance with the Annual Accounts Act for Credit Institutions and Securities Companies (Sw. *Lag (1995:1559) om årsredovisning i kreditinstitut och värdepappersbolag*). The Issuer applies IFRS as adopted by the EU, and the Swedish Financial Reporting Board's recommendation RFR 2, Accounting for Legal Entities, and the Swedish FSA's regulations and general guidelines on annual accounts for credit institutions and securities companies (FFFS 2008:25). The financial statements have been prepared on the historical cost basis except for financial instruments that are measured at fair value. A more detailed description of the accounting policies in general is included on pages 18-21 of the Annual Report 2017.

The amount for own funds with transitional rules was at 31 December 2017 SEK 16.711 million (SEK 15,162 million as at 31 December 2016).

Board of Directors

The Issuer's Board of Directors should according to the Articles of Association consist of three to six members which are normally elected at the annual shareholder's meeting. Following the annual shareholder's meeting on 24 April 2018, the following members have been elected:

Bo Magnusson	Chairman of the Issuer and Chairman of the Board of Directors of SBAB
Jane Lundgren	Board Member of the Issuer and SBAB
Klas Danielsson	Board Member of the Issuer and Chief Executive Officer of SBAB

As at the date of this Prospectus, the address of the members of the board is the registered address of the Issuer being P.O. Box 4209, SE-171 04 Solna, Sweden with visiting address Svetsarvägen 24, SE-171 41 Solna, Sweden.

The Board of Directors will conduct its work in accordance with the rules of procedure annually adopted at the Board of Director's inaugural meeting. The rules of procedure will also regulate the work allocation between the Board of Directors, the Chairman of the Board of Directors and the Chief Executive Officer of the Issuer.

Executive Management

Mikael Inglander is the Issuer's Chief Executive Officer. He is also Chief Financial Officer of SBAB.

As of the date of this Prospectus, the address of the Chief Executive Officer is the registered address of the Issuer being P.O. Box 4209, SE-171 04 Solna, Sweden with visiting address Svetsarvägen 24, SE-171 41 Solna, Sweden.

Auditors

The annual shareholder's meeting will, every year, elect one auditor or an auditing firm to audit the Issuer. The auditor shall be an authorised public accountant or a registered public accounting firm that elects an auditor in charge. At the annual shareholder's meeting held on 24 April 2018, the registered public accounting firm Deloitte AB was re-elected as auditor. The auditor in charge is Patrick Honeth.

The financial statements of the Issuer in respect of the financial years ended 31 December 2016 and 31 December 2017 were audited by Deloitte AB of Rehnsgatan 11, SE-113 79 Stockholm, Sweden, with Patrick Honeth as the auditor in charge.

The above-mentioned auditor in charge is a member of FAR, the professional institute for authorised public accountants, licensed auditors for financial institutions and other highly qualified professionals in the accountancy sector in Sweden.

Conflict of Interest within Administration, Management and Supervisory Bodies

All members of the Board of Directors are board members of SBAB or employed by SBAB and the Issuer's Chief Executive Officer is employed by SBAB. The Issuer's Chief Executive Officer is also employed by the Issuer. There are no potential conflicts of interest of the directors set out above and the Chief Executive Officer between any duties to the Issuer and their private interests and/or other duties.

Credit facility agreement between SBAB and the Issuer

In December 2008, a multicurrency revolving credit facility agreement was established between SBAB and the Issuer. Under the agreement SBAB makes available a committed credit facility to the Issuer up to an amount equal to the Issuer's covered bonds from time to time outstanding with an original maturity falling in the period within 364 days from the date of the agreement. The term of the agreement is 364 days and is automatically extended for 364 days unless terminated by the Issuer or if a default under the agreement is outstanding and SBAB gives the Issuer notice 30 days prior to the relevant termination date that the agreement should not be extended.

Satisfying the requirements set out in FFFS 2013:27 Chapter 6, §1 and the corresponding requirements in the Capital Requirements Regulation (Regulation (EU) No 575/2013 on prudential requirements for credit institutions and investment firms), the Issuer and SBAB shall be supervised as a single liquidity sub-group as part of the liquidity management and risk control pursuant to FFFS 2010:7.

Jurisdiction

The Issuer is established under, and accordingly subject to, Swedish laws. Should the Issuer conduct operations outside Sweden the operations conducted will also be governed by the laws and regulations of the country in question.

INFORMATION RELATING TO SBAB

The Issuer's parent company, SBAB, is a wholly state-owned public limited liability company and joint-stock banking company. The interest of the Kingdom of Sweden is represented by the Swedish Government Offices. SBAB is an independent profit making company regulated as a banking company by the Swedish Act on Banking and Financing Activities (Sw. *Lag (2004:297) om bank- och finansieringsrörelse*) and subject to the supervision of the Swedish FSA.

At the date of this Prospectus, the registered postal address of SBAB is P.O. Box 4209, SE-171 04 Solna, Sweden and its visiting address is Svetsarvägen 24, SE-171 41 Solna, Sweden.

The SBAB group consists of SBAB with its wholly-owned subsidiary, the Issuer, and its subsidiary Booli Search Technologies AB (**Booli**). Booli, in which 71 per cent. of the shares were acquired on 14 January 2016, is one of Sweden's largest housing sites and search engines for homes and is included operationally in SBAB's Retail business area. During the fourth quarter of 2016 and 2017, an existing share option programme in Booli was exercised (and thereby exhausted), whereby SBAB's shareholding fell from 71 per cent. to 68 per cent. For the remaining shares in Booli, both put and call options exist.

On 24 April 2012, SBAB was authorised by the Swedish FSA to conduct securities operations in the form of a licence to receive and forward orders in fund units and it began such activities in March 2013. The securities operations have since been wound up and the relevant licence has been de-registered.

On 28 August 2014, it was announced that SBAB's board of directors had approved a new strategy to focus on, and develop, the core business areas of mortgages and residential financing, a decision based on a strategic review that pointed to the potential in SBAB's mortgage business, assuming more efficient operations and an increased focus on mortgage offers, customer communication and sales where SBAB's savings offer continues to be an important part of the business. For this reason, the development of bank services such as payment solutions, current accounts and card services was discontinued and the fund offering (securities operations) were wound up as referred to above.

Adjustments to the Articles of Association have been made when relevant and the latest Articles of Association were adopted on 28 April 2016 and duly registered on and valid as of 3 June 2016.

SUBSCRIPTION AND SALE AND SELLING RESTRICTIONS

The Initial Dealer has in a programme agreement dated 14 June 2018 (such programme agreement as amended and/or supplemented and/or restated from time to time, the **Programme Agreement**), agreed with the Issuer a basis upon which it and all other Dealers appointed under the Programme Agreement from time to time or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*” and “*Terms and Conditions of the Notes*”. In the Programme Agreement, the Issuer has agreed to reimburse the Initial Dealer for certain of its expenses in connection with the update of the Programme and has agreed to reimburse the Dealers for certain of their expenses in connection with the issue of Notes under the Programme. The price at which a Tranche of Notes will be purchased or subscribed and the commission or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such subscription or purchase will be as agreed between the Issuer and the relevant Dealer at or prior to the time of the issue of the relevant Tranche. The Programme Agreement also makes provision for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Notes.

Selling Restrictions

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and Treasury regulations promulgated thereunder. The applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement) will identify whether TEFRA C rules or TEFRA D rules apply or whether TEFRA is not applicable.

The Initial Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (a) as part of their distribution at any time or (b) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons. The Initial Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Prohibition of Sales to EEA Retail Investors

Unless the applicable Final Terms (or Pricing Supplement, in the case of Exempt Notes) in respect of any Notes specifies “*Prohibition of Sales to European Economic Area Retail Investors*” as “Not Applicable”, the Initial Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Prospectus as

completed by the applicable Final Terms (or Pricing Supplement, in the case of Exempt Notes) in relation thereto to any retail investor in the EEA. For the purposes of this provision:

- (a) the expression “retail investor“ means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or
 - (ii) a customer within the meaning of the Insurance Mediation Directive, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in the Prospectus Directive; and
- (b) the expression an “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe to the Notes.

If the applicable Final Terms (or the applicable Pricing Supplement) in respect of any Notes specifies “*Prohibition of Sales to European Economic Area Retail Investors*” as “Not Applicable”, in relation to each Member State of the EEA which has implemented the Prospectus Directive (each, a **Relevant Member State**), the Initial Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the Final Terms (or, in the case of Exempt Notes, Pricing Supplement) in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State at any time:

- (a) to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an **offer of Notes to the public** in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Relevant Member State.

United Kingdom

The Initial Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (i) in relation to any Notes having a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or

agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer;

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

France

This Prospectus has not been approved by the *Autorité des marchés financiers* (AMF).

The Initial Dealer and the Issuer have represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold and will not offer or sell, directly or indirectly, Notes to the public in France, and has not distributed or caused to be distributed and will not distribute or cause to be distributed to the public in France, this Prospectus, the relevant Final Terms (or, in the case of Exempt Notes, Pricing Supplement) or any other offering material relating to the Notes, and that such offers, sales and distributions have been and will be made in France only to (a) providers of the investment service of portfolio management for the account of third parties, and/or (b) qualified investors (*investisseurs qualifiés*) acting for their own account, other than individuals, all as defined in, and in accordance with, Articles L.411-2, D.411-1, D.744-1, D.754-1 and D.764-1 of the French *Code monétaire et financier*.

The direct or indirect resale of Notes to the public in France may be made only as provided by and in accordance with Articles L.411-1, L.411-2, L.412-1 and L.621-8 to L.621-8-3 of the French *Code monétaire et financier*.

Italy

The offering of the Notes has not been registered with the *Commissione Nazionale per le Società e la Borsa* (CONSOB) pursuant to Italian securities legislation and, accordingly, no Notes may be offered, sold or delivered, nor may copies of this Prospectus or of any other document relating to the Notes be distributed in the Republic of Italy, except:

- (i) to qualified investors (*investitori qualificati*), as referred to in Article 100, first paragraph, letter (a) of Legislative Decree No. 58 of 24 February 1998, as amended (the **Financial Services Act**) and Article 34-ter, first paragraph, letter (b) of CONSOB Regulation No. 11971 of 14 May 1999, as amended from time to time (**Regulation No. 11971**); or
- (ii) in other circumstances which are exempted from the rules on public offerings pursuant to Article 100 of the Financial Services Act and Article 34-ter, first paragraph of Regulation No. 11971.

Any offer, sale or delivery of the Notes or distribution of copies of this Prospectus or any other document relating to the Notes in the Republic of Italy under (i) or (ii) above must be:

- (a) made by an investment firm, bank or financial intermediary permitted to conduct such activities in the Republic of Italy in accordance with the Financial Services Act, CONSOB Regulation No. 20307 of 15 February 2018 (as amended from time to time) and Legislative Decree No. 385 of 1 September 1993, as amended (the **Banking Act**); and

- (b) in compliance with any other applicable laws and regulations or requirements imposed by CONSOB, the Bank of Italy (including the reporting requirements, where applicable, pursuant to Article 129 of the Banking Act and the implementing guidelines of the Bank of Italy, as amended from time to time) and/or any other Italian authority.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended; the **FIEA**) and the Initial Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer or sell any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act (Act No. 228 of 1949, as amended)), or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the FIEA and any other applicable laws, regulations and ministerial guidelines of Japan.

The Kingdom of Sweden

The Initial Dealer has confirmed and agreed, and each further Dealer appointed under the Programme will be required to confirm and agree, that it will not (directly or indirectly) offer for subscription or purchase or issue invitations to subscribe for or purchase or sell Notes or distribute any draft or definitive document in relation to any such offer, invitation or sale, except in circumstances that will not result in a requirement to prepare a prospectus pursuant to the provisions of the Swedish Financial Instruments Trading Act (Sw. *Lag (1991:980) om handel med finansiella instrument*).

The Kingdom of Norway

The Initial Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that, unless the Issuer has confirmed in writing to each Dealer that the Notes (if required) and the Prospectus have been approved by the Financial Supervisory Authority of Norway, it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Norway or to residents of Norway, other than to "professional investors" as defined in Section 7-1 cf. Sections 10-2 to 10-5 in the Norwegian Securities Regulation of 29 June 2007 No. 876 or pursuant to another exemption from the obligation to prepare an offering prospectus as described in the Norwegian Securities Trading Act of 29 June 2007 No. 75. Notes denominated in Norwegian Kroner may not be offered or sold in the Norwegian market without the Notes prior thereto having been registered in the Norwegian Central Securities Depository, *Verdipapirsentralen ASA* or VPS.

General

The Initial Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will (to the best of its knowledge and belief) comply with all applicable laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers Notes or possesses or distributes this Prospectus and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or delivers and neither the Issuer nor any other Dealer shall have any responsibility therefor.

None of the Issuer and any of the Dealers represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

With regard to each Tranche, the relevant Dealer will be required to comply with such other additional restrictions as the Issuer and the relevant Dealer shall agree.

TAXATION

Swedish Taxation

The following summary outlines certain Swedish tax consequences of the acquisition, ownership and disposal of Notes. The summary is based on the laws of the Kingdom of Sweden as currently in effect and is intended to provide general information only. The summary is not exhaustive and does thus not address all potential aspects of Swedish taxation that may be relevant for a potential investor in the Notes and is neither intended to be nor should be construed as legal or tax advice. In particular, the summary does not address the rules regarding reporting obligations for, among others, payers of interest. Specific tax consequences may be applicable to certain categories of corporations, e.g. investment companies and life insurance companies. Specific tax consequences may also apply when Notes are held by partnerships and as trading assets in a business. Such tax consequences are not described below. Neither does the summary cover Notes which are placed on an investment savings account (Sw. Investeringssparkonto). Investors should consult their professional tax advisors regarding the Swedish and foreign tax consequences (including the applicability and effect of tax treaties) of acquiring, owning and disposing of Notes in their particular situation.

Non-resident holders of Notes

As used herein, a non-resident holder means a holder of Notes who is (a) an individual who is not a resident of Sweden for tax purposes and who has no connection to Sweden other than his/her investment in the Notes, or (b) an entity not organised under the laws of Sweden.

Payments of any principal amount or any amount that is considered to be interest for Swedish tax purposes to a non-resident holder of any Notes should not be subject to Swedish income tax provided that such holder does not carry out business activities from a permanent establishment in Sweden to which the Notes are effectively connected. Under Swedish tax law, no withholding tax is imposed on payments of principal or interest to a non-resident holder of any Notes.

Individuals who are not resident in the Kingdom of Sweden for tax purposes may be liable to capital gains taxation in the Kingdom of Sweden upon disposal or redemption of certain financial instruments, depending on the classification of the particular financial instrument for Swedish income tax purposes, if they have been resident in the Kingdom of Sweden or have lived permanently in the Kingdom of Sweden at any time during the calendar year of disposal or redemption or the ten calendar years preceding the year of disposal or redemption. Taxation may, however, be limited by an applicable tax treaty.

Resident holders of Notes

As used herein, a resident holder means a holder of Notes who is (a) an individual who is a resident in Sweden for tax purposes or (b) an entity organised under the laws of Sweden.

Generally, for Swedish corporations and individuals (and estates of deceased individuals) that are resident holders of any Notes, all capital income (e.g. income that is considered to be interest for Swedish tax purposes and capital gains on Notes) will be taxable. A capital gain or capital loss is calculated as the difference between the sales proceeds, after deduction for sales expenses, and the acquisition cost for tax purposes. The acquisition cost for all Notes of the same kind is determined according to the “average method” (Sw. *genomsnittsmetoden*).

An individual’s capital income such as capital gains and interest is subject to a 30 per cent. tax rate. Limited liability companies and other legal entities are taxed on all income, including capital gains and interest, as business income at the tax rate of 22 per cent.

Losses on listed Notes (Sw. *marknadsnoterade fordringsrätter*) should generally be fully deductible for limited liability companies and for individuals in the capital income category. Certain deduction limitations may

apply for individuals and limited liability companies with respect to losses on financial instruments deemed share equivalents (Sw. *delägarätter*) for Swedish tax purposes, not described further herein.

Under Swedish tax law, no withholding tax is imposed on payments of principal or interest to a resident holder of Notes. However, if amounts that are considered to be interest for Swedish tax purposes are paid to a private individual (or an estate of a deceased individual) that is a resident holder of Notes, Swedish preliminary taxes (Sw. *preliminärskatt*) are normally withheld at a rate of 30 per cent.

Foreign Account Tax Compliance Act

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a “foreign financial institution” (as defined by FATCA) may be required to withhold on certain payments it makes (**foreign passthru payments**) to persons that fail to meet certain certification, reporting or related requirements. The Issuer may be a foreign financial institution for these purposes. A number of jurisdictions (including Sweden) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (**IGAs**), which modify the way in which FATCA applies in their jurisdictions. The IGA between the United States and Sweden (the **U.S.-Sweden IGA**) has been implemented in Swedish legislation through, *inter alia*, the Swedish Act on identification of reportable accounts with reference to the intergovernmental agreement regarding FATCA between the United States and Sweden (Sw. *Lag (2015:62) om identifiering av rapporteringspliktiga konton med anledning av FATCA-avtalet*) (the **Swedish FATCA Act**). Under the provisions of IGAs (including the U.S.-Sweden IGA) as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to 1 January 2019 and Notes issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are filed with the U.S. Federal Register generally would be grandfathered for purposes of FATCA withholding unless materially modified after such date. However, if additional Notes (as described under Condition 13 of the Terms and Conditions of the Notes) that are not distinguishable from previously issued Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders should consult their own tax advisers regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

United Kingdom Taxation

The following applies only to persons who are the beneficial owners of Notes and is a summary of the Issuer’s understanding of current withholding tax treatment under United Kingdom law and published HM Revenue & Customs (HMRC) practice. The following does not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes. Some aspects do not apply to certain classes of person (such as dealers) to whom special rules may apply. The United Kingdom tax treatment of prospective Noteholders depends on their individual circumstances and may be subject to change in the future. Prospective Noteholders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom should seek their own professional advice.

Payments of interest on the Notes may be made without withholding on account of United Kingdom income tax.

The Proposed Financial Transactions Tax

The European Commission has published a proposal (the **Commission's Proposal**) for a Directive for a common financial transactions tax (**FTT**) which is being considered by Belgium, Germany, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the **participating Member States**).

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission's Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

GENERAL INFORMATION

Authorisation

The establishment of the Programme and the issue of Notes was duly authorised by a resolution of the Board of Directors of the Issuer passed on 31 March 2006. The most recent update of the Programme was duly authorised by a resolution of the Board of Directors of the Issuer passed on 24 April 2018.

Listing of Notes on the Official List

The admission of Notes to the Official List will be expressed as a percentage of their nominal amount (excluding accrued interest). It is expected that each Tranche of Notes which is to be admitted to the Official List and to trading on the London Stock Exchange's regulated market will be admitted separately as and when issued, subject only to the issue of a Global Note or Notes initially representing the Notes of such Tranche. Application has been made to the UK Listing Authority for Notes issued under the Programme to be admitted to the Official List and to the London Stock Exchange's regulated market. The listing of the Programme in respect of the Notes is expected to be granted on or around 18 June 2018.

Documents Available

For the period of 12 months from the date of this Prospectus, copies of the following documents will, when published, be available from the registered office of the Issuer and from the specified office of the Principal Paying Agent for the time being in London:

- (i) the Articles of Association of the Issuer (with an English translation thereof);
- (ii) the Annual Report 2016 (including the audited financial statements of the Issuer in respect of the financial year ended 31 December 2016 and the audit report thereon) and the Annual Report 2017 (including the audited financial statements of the Issuer in respect of the financial year ended 31 December 2017 and the audit report thereon) (in each case with an English translation thereof);
- (iii) a copy of this Prospectus;
- (iv) the Agency Agreement (which includes the forms of the Global Notes, Notes in definitive form, Coupons and Talons), the Deed of Covenant and the Issuer-ICSDs Agreement; and
- (v) any future offering circulars, prospectuses, information memoranda and supplements to this Prospectus, any other documents incorporated herein or therein by reference and any Final Terms and Pricing Supplements (save that Pricing Supplements relating to Exempt Notes will only be available for inspection by a holder of such Notes and such holder must produce evidence satisfactory to the Issuer and the Principal Paying Agent as to its holding of Notes and identity).

Copies of the VPS Trustee Agreement and each VPS Agency Agreement will be available for inspection at the registered office of the Issuer, the specified office of each respective VPS Agent and at the registered office of the VPS Trustee.

In addition, copies of this Prospectus, any supplements to this Prospectus, any documents incorporated by reference and each Final Terms relating to Notes which are admitted to trading on the London Stock Exchange's regulated market will also be published on the website of the Regulatory News Service operated by the London Stock Exchange at www.londonstockexchange.com/exchange/news/market-news/market-news-home.html. Final Terms relating to Notes which are either admitted to trading on a regulated market within the EEA other than the London Stock Exchange's regulated market or offered in the EEA in circumstances where a prospectus is required to be published under the Prospectus Directive will be published in accordance with Article 14 of the Prospectus Directive and the rules and regulations of the relevant regulated market.

Clearing Systems

The Notes (other than VPS Notes) have been accepted for clearance through Euroclear and Clearstream, Luxembourg. The appropriate Common Code and ISIN for each Tranche of Notes allocated by Euroclear and Clearstream, Luxembourg will be specified in the applicable Final Terms (or, in the case of Exempt Notes, Pricing Supplement).

VPS Notes will be registered with the VPS. Investors with accounts in Euroclear and/or Clearstream, Luxembourg may hold VPS Notes in their accounts with such clearing systems and the relevant clearing system will be shown in the records of the VPS as the holder of the relevant amount of VPS Notes.

In respect of any VPS Notes, the Issuer shall be entitled to obtain certain information from the register maintained by the VPS for the purpose of performing its obligations under any VPS Notes. The VPS Agent shall be entitled to obtain such information as is required to perform its duties under the VPS Agency Agreement and the rules and regulations of, and applicable to, the VPS.

The entities in charge of keeping the records in relation to each Tranche of Notes shall be Euroclear, Clearstream, Luxembourg and/or the VPS, as applicable. The address of Euroclear is Euroclear Bank SA/NV, 1 Boulevard du Roi Albert II, B-1210 Brussels and the address of Clearstream, Luxembourg is Clearstream Banking S.A., 42 Avenue JF Kennedy, L-1855 Luxembourg. The address of VPS is Verdipapirsentralen ASA, Fred. Olsens gate 1, P.O. Box 1174 Sentrum, NO-0107, Oslo, Norway.

Issue price

The issue price and amount of the Notes of any Tranche will be determined at the time of the offering of such Tranche in accordance with prevailing market conditions.

Yield

In relation to any Tranche of Fixed Rate Notes which are not Exempt Notes, an indication of the yield in respect of such Notes will be specified in the applicable Final Terms. The yield is calculated at the Issue Date of the Notes on the basis of the relevant Issue Price. The yield indicated will be calculated as the yield to maturity as at the Issue Date of the Notes and will not be an indication of future yield.

Litigation

There are no, and have not been any, governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Issuer is aware) in the 12 months preceding the date of this Prospectus which may have, or have had in the recent past, significant effects on the financial position or profitability of the Issuer.

Auditors

The financial statements of the Issuer in respect of the financial years ended 31 December 2016 and 31 December 2017 were audited, without qualification, by Deloitte AB of Rehnsgatan 11, SE-113 79 Stockholm, Sweden, with Patrick Honeth as the auditor in charge.

The annual shareholder's meeting will, every year, elect one auditor or an auditing firm to audit the Issuer. The auditor shall be an authorised public accountant or a registered public accounting firm that elects an auditor in charge. At the annual shareholder's meeting held on 24 April 2018, the registered public accounting firm Deloitte AB of Rehnsgatan 11, SE-113 79 Stockholm, Sweden was re-elected as auditor. The auditor in charge is Patrick Honeth.

The above-mentioned auditor in charge is a member of FAR, the professional institute for authorised public accountants, licensed auditors for financial institutions and other highly qualified professionals in the accountancy sector in Sweden.

The auditing firm referred to above has no material interest in the Issuer.

Dealers transacting with the Issuer

The Initial Dealer and its affiliates have engaged and may in the future engage, and any other Dealer appointed under the Programme from time to time and its affiliates may have engaged and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services, to the Issuer and its affiliates in the ordinary course of business.

Significant or Material Change

No material adverse change in the prospects of the Issuer, nor any significant change in the financial or trading position of the Issuer, has occurred since 31 December 2017.

Cover Pool

The assets comprising the Cover Pool will change from time to time. The Issuer makes portfolio information available to investors on a monthly basis. Such information will be available on the Issuer's website at www.sbab.se.
