## Protect your mortgage with our insurance package

Taking out a mortgage loan is a big financial decision. With our insurance package (Betalskydd and Livskydd), you can protect the family's finances against unexpected events such as unemployment, sick leave or death. Buy the package with both insurances or one of them.

### To buy the insurances you need to

- be 18-64 år and registered in Sweden.

To buy Betalskydd you also need to

- confirm that you do not have sickness benefit or assistance allowance from Försäkringskassan and,
- be employed\* or self-employed.

For Livskydd you also need to fill in a health questionnaire in the application.

\*By employed we mean a permanent or temporary employment with an agreed contract of at least six months.

### How to apply for the insurances

You will receive an sms and email with a link to the application from insurer BNP Paribas Cardif. Sign the application with BankID.

BNP Paribas Cardif is a Swedish insurance company with local headquarters in Gothenburg.

### What is the price?

#### Price for Betalskydd

The price is 3,95 % of your insured amount.

Example: If you have chosen to insure SEK 4000, you pay SEK 158 per month for the insurance.

#### Price for Livskydd

The price is based on age and the chosen insured amount and changes when you get older or make a change in the amount.

Example: If you are 35 years old with an insured amount of SEK 1,000,000 you will pay SEK 56.20/month.

## This is included

- ✓ Betalskydd can provide benefit in case of unemployment and sick leave with maximum SEK 20,000 a month with payments up to 18 months.
- ✓ Betalskydd can also provide benefit for hospital stays that last more than seven days.
- ✓ Livskydd can provide a one-time payment in case of death — max amount SEK 4,000,000.
