The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €10,000,000,000 (or its equivalent in other currencies calculated as described in the Programme Agreement), subject to increase as described herein.

The Notes may be issued on a continuing basis to the Dealer specified under “*Summary of the Programme and Terms and Conditions of the Notes*” and any additional Dealer appointed under the Programme from time to time by the Issuer (each a **Dealer** and together the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Prospectus to the **relevant Dealer** shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Notes.

Application has been made to the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 (the **UK Listing Authority** and the **FSMA**, respectively) for Notes issued during the period of 12 months from the date of this Prospectus to be admitted to the official list maintained by the UK Listing Authority (the **Official List**) and to the London Stock Exchange plc (the **London Stock Exchange**) for such Notes to be admitted to trading on the London Stock Exchange’s regulated market. References in this Prospectus to Notes being **listed** (and all related references) shall mean that such Notes have been admitted to trading on the London Stock Exchange’s regulated market and have been admitted to the Official List. The London Stock Exchange’s regulated market is a regulated market for the purposes of Directive 2004/39/EC (the **Markets in Financial Instruments Directive**). The Issuer may also request that the UK Listing Authority delivers a certificate of approval to the competent authority of the Kingdom of Sweden and other European Economic Area Member States, pursuant to Article 18 of Directive 2003/71/EC (the **Prospectus Directive**) in order for Notes to be admitted to trading on NASDAQ OMX Stockholm AB (the **Stockholm Stock Exchange**) or any other stock exchange or market in such other European Economic Area Member State. **The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchanges or markets as may be agreed between the Issuer and the relevant Dealer. The Issuer may also issue Notes which are not listed or admitted to trading on any stock exchange or market.**

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under “*Terms and Conditions of the Notes*” below) of Notes will be set out in a final terms document (the **Final Terms**) which, with respect to Notes to be listed on the London Stock Exchange, will be delivered to the UK Listing Authority and the London Stock Exchange and, with respect to Notes to be listed on the Stockholm Stock Exchange or any other stock exchange or market, will be delivered to the Stockholm Stock Exchange or such other stock exchange or market, in each case on or before the date of issue of the Notes of such Tranche.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the **Securities Act**) and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons unless the Notes are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available. See “*Form of the Notes*” for a description of the manner in which Notes will be issued.

The Notes issued under the Programme are expected on issue to be assigned an “AAA” rating by Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies Inc. (**Standard & Poor’s** or **S&P**) and an “Aaa” rating by Moody’s Investors Service Limited (**Moody’s** and, together with Standard & Poor’s, the **Rating Agencies** and each a **Rating Agency**). A credit rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating organisation.

The Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes, in which event a supplemental prospectus or further prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

The Issuer may also issue Swedish Benchmark Bonds (as defined herein) and other securities pursuant to the Act on Säkerställda Obligationer from time to time.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see “*Risk Factors*” below.

Any person (an Investor) intending to acquire or acquiring any Notes from any person (an Offeror) should be aware that, in the context of an offer to the public as defined in section 102B of the FSMA, the Issuer may be responsible to the Investor for this Prospectus under section 90 of FSMA, only if the Issuer has authorised that Offeror to make the offer to the Investor. Each Investor should therefore enquire whether the Offeror is so authorised by the Issuer. If the Offeror is not authorised by the Issuer, the Investor should check with the Offeror whether anyone is responsible for this Prospectus for the purposes of section 90 of the FSMA in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on this Prospectus and/or who is responsible for its contents it should take legal advice.

The Issuer will not be a party to any such arrangements with Investors (other than the Arranger and the Dealers) in connection with the offer or sale of the Notes and, accordingly, this Prospectus and any Final Terms will not contain such information. The Investor must look to the Offeror at the time of such offer for the provision of such information. The Issuer has no responsibility to an Investor in respect of such information.

Copies of Final Terms will be available from the registered office of the Issuer and the specified office of the Paying Agent (as defined below) for the time being in London.

Save for the Issuer, no other party has verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Arranger or any of the Dealers as to the accuracy or completeness of the information contained or incorporated in this Prospectus or any other information provided by the Issuer in connection with the Programme or any Notes. Neither the Arranger nor any Dealer accepts any liability in relation to the information contained or incorporated by reference in this Prospectus or any other information provided by the Issuer in connection with the Programme or any Notes.

No person is or has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Prospectus or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger or any of the Dealers.

Neither this Prospectus nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer, the Arranger or any of the Dealers that any recipient of this Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of the Issuer, the Arranger or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Arranger and the Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Programme or to advise any investor in the Notes of any information coming to their attention.

The Notes have not been and will not be registered under the Securities Act and are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or delivered within the U.S. or to United States persons (see “*Subscription and Sale and Selling Restrictions*”).

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer, the Arranger and the Dealers do not represent that this Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by the Issuer, the Arranger or the Dealers which is intended to permit a public offering of any Notes or distribution of this Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented that all offers and sales by them will be made on the same terms. Persons into whose possession this Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States, the European Economic Area (including the Kingdom of Sweden, the Kingdom of Norway, the United Kingdom, the Republic of Italy and France) and Japan. See “*Subscription and Sale and Selling Restrictions*”.

This Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Prospectus as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable. Except to the extent subparagraph (ii) above may apply, neither the Issuer nor any Dealer has authorised, nor does it authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

This Prospectus, which has been prepared in connection with the Notes, has not been submitted to the clearance procedures of the *Autorité des marchés financiers* in France.

In making an investment decision, investors must rely on their own examination of the Issuer and the terms of the Notes being offered, including the merits and risks involved.

None of the Arranger, the Dealers and the Issuer makes any representation to any investor in the Notes regarding the legality of its investment under any applicable laws. Any investor in the Notes should be able to bear the economic risk of an investment in the Notes for an indefinite period of time.

See also "*Summary of the Swedish Legislation Regarding Säkerställda Obligationer*" below.

References in this Prospectus to **Covered Bondholders** are to the Noteholders, the Swedish Benchmark Bondholders and the holders of any other securities issued by the Issuer in accordance with the Act on Säkerställda Obligationer.

Limited Activities: For so long as the Notes are outstanding, the Issuer will covenant not to engage in any activity except for the issuance of Covered Bonds, entering into derivatives agreements and ancillary activities reasonably related thereto (including, without limitation, purchasing, owning, selling and managing loans and their related security and any other substitute assets) (the **Issuer Covenant**).

Overcollateralisation: The Issuer is intending (although is not required by the Act on Säkerställda Obligationer or under the transaction documents relating to the Programme) to ensure that the nominal value of assets in the Cover Pool at all times exceeds the outstanding nominal value of the claims that may be made under the Covered Bonds (taking into account any possible derivative agreements) by at least 2 per cent. (the **Overcollateralisation Test**).

Listing and Admission to Trading: Application has been made to the UK Listing Authority for Notes issued under the Programme to be admitted to the Official List and to the London Stock Exchange for such Notes to be admitted to trading on the London Stock Exchange's regulated market.

Governing Law: The Notes and any non-contractual obligations arising out of or in connection with the Notes shall be governed by, and construed in accordance with, English law, save for (i) Condition 2 of the Terms and Conditions of the Notes (the **Conditions**) which will be governed by, and construed in accordance with, Swedish law and (ii) the registration of VPS Notes in the VPS as well as the recording and transfer of ownership to, and other interests in, VPS Notes and Condition 13(b) which will be governed by, and construed in accordance with, Norwegian law. The VPS Trustee Agreement and VPS Agency Agreement will be governed by, and construed in accordance with, Norwegian law.

VPS Notes must comply with the relevant regulations of the VPS and the holders of VPS Notes will be entitled to the rights and are subject to the obligations and liabilities which arise under the relevant Norwegian regulations and legislation.

- Selling Restrictions:** There are restrictions on the offer, sale and transfer of the Notes in the United States, the European Economic Area (including the Kingdom of Sweden, the Kingdom of Norway, the United Kingdom, the Republic of Italy and France) and Japan and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes (as indicated in the applicable Final Terms).
- United States Selling Restrictions:** Regulation S, category 2. TEFRA C or D/TEFRA not applicable (as indicated in the applicable Final Terms).
- Risk Factors:** There are certain factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme. These include the dependence of the Issuer on the success of SBAB and other parties in originating loans which may be acquired by the Issuer and the resulting indirect exposure of the Issuer, as well as its direct exposure, to general economic and market conditions and the performance of the Swedish real estate market. Other risks include credit risk, legal risk in that the Act on Säkerställda Obligationer is relatively new legislation in Sweden and regulatory risk. In addition, there are certain risks which are material for the purpose of assessing the market risks associated with Notes issued under the Programme. These depend on the features of the relevant Notes and may include liquidity risk, exchange rate risk and interest rate risk and the risk of loss of all or part of a Noteholder's investment, for example, when the payment of principal or interest on the relevant Notes is determined with reference to an index, formula, asset or other variable.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme but the Issuer may be unable to pay interest, principal or other amounts on or in connection with any Notes for other reasons which may not be considered significant risks by the Issuer based on information currently available to it or which it may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Prospectus or in documents incorporated by reference and reach their own views prior to making any investment decision. The Issuer does not represent that the statements below regarding the risks are exhaustive.

Economic and business risks affecting the Notes

Risks relating to the Kingdom of Sweden

Financial instruments issued by the Kingdom of Sweden are rated “Aaa” (long-term) and “P-1” (short-term) by Moody’s and “AAA” (long-term) and “A-1+” (short-term) by S&P. Strong public finances and a competitive export sector, combined with a well educated labour force and high standards of living, are circumstances that support the creditworthiness of Sweden. High tax rates, rigidities in labour and product markets and high unemployment are factors that may negatively influence the creditworthiness of Sweden. Although Sweden has an ageing population, already implemented pension system reforms are considered to help insulate costs related thereto from the rest of the state finances. The housing market has been strong for many years driven by low interest rates and low supply of new homes in growth regions. House prices may be negatively affected should interest rates rise quickly.

Risks relating to the Swedish mortgage market

The Swedish mortgage market is dominated by a few institutions, consisting of banks, bank-owned mortgage companies and one state-owned mortgage company, i.e. SBAB. In recent years, low real interest rates, stable inflation, rising house prices and strong increases in disposable household income have led to continued strong growth in demand for loans, especially in the residential mortgage market. One of the main risks related to the Swedish residential mortgage market is the credit risk associated with borrowers’ creditworthiness, and their ability to pay under the mortgage loan, and with the value of the mortgaged properties. The relatively low risk profile among Swedish mortgage institutions reflects a high degree of lending to single-family homes, moderate loan-to-value ratios and relatively tight lending standards.

Risks relating to disruptions in the global credit markets and economy

Since the second half of 2007, conditions in the global financial markets have been difficult. During 2009 the squeeze gradually eased, but some markets still remain uncertain. Financial markets are subject to periods of historic volatility which may impact the Issuer’s ability to raise debt in a similar manner, and at a similar cost, to the funding raised in the past. Challenging market conditions may result in greater volatility and reduced liquidity, widening of credit spreads and lack of price transparency in credit markets, which may affect the Issuer. Changes in investment markets, including changes in interest rates, exchange rates and returns from equity, property and other investments, may affect the financial performance of the Issuer. In

addition, the financial performance of the Issuer could be adversely affected by a worsening of general economic conditions in the markets in which it operates.

Risks relating to the Issuer's business

The Issuer has acquired the Completion Portfolio (as defined below) from SBAB and additional loan portfolios from SBAB, and may also acquire further loans from SBAB or other parties that the Issuer enters into sale and purchase agreements with. Accordingly, the Issuer is dependent on the business of SBAB and such other parties to originate loans to be acquired by it. The Issuer will therefore be affected both by general economic and business conditions which affect SBAB and such other parties, including changes in the economic climate, both nationally and internationally, changes regarding taxation, interest rate developments, inflation and political changes as well as such conditions which affect itself.

Risks relating to the Issuer's collateral

Given that a considerable part of the Issuer's loans are granted with mortgages or tenant-owners' rights as collateral, the credit risk is partly related to the performance of the real estate and housing market. There can be no guarantees regarding the future development of the value of the collateral. When collateral is enforced, a court order may be needed to establish the borrower's obligation to pay and to enable a sale by execution measures. The Issuer's ability to enforce the collateral without the consent of the borrower is thus dependent on the above mentioned decisions from a court and the execution measures and on other relevant circumstances in the mortgage market and in the demand for the relevant real property. Should the prices of real property and the housing market substantially decline, this would affect the Issuer. There are many circumstances that affect the level of credit loss, early repayments, withdrawals and final payments of interest and principal amounts, such as changes in the economic climate, both nationally and internationally, changes regarding taxation, interest rate developments, inflation and political changes.

Concentration of location of mortgaged properties

At the date of this Prospectus, the vast majority of the Cover Pool consists of loans which are secured by mortgage certificates (Sw. *pantbrev*) in properties located in Sweden, pledges of tenant-owners' rights (Sw. *bostadsrätt*) in Sweden or loans guaranteed by the Kingdom of Sweden or Swedish municipalities. The value of the Cover Pool may therefore decline in the event of a general downturn in the value of property in Sweden.

Limited description of the Portfolio

The assets comprising the Cover Pool will change from time to time. The Issuer makes portfolio information available to investors on a monthly basis. Such information will be available on the Issuer's website at <http://www.scbc.se> (this uniform resource locator (URL) is an inactive textual reference only and is not intended to incorporate this website into this Prospectus).

No due diligence

None of the Dealers, the Arranger or the Issuer has or will undertake any investigations, searches or other actions in respect of the loans and other assets comprising the Cover Pool.

Notes obligations of the Issuer only

The Notes will be solely obligations of the Issuer and will not be obligations of or guaranteed by any other entities. In particular, the Notes will not be obligations of, and will not be guaranteed by, the Kingdom of Sweden, SBAB, the Arranger, the Dealers, the Swap Providers, any company in the same group of companies as such entities or any other party to the transaction documents relating to the Programme. No liability whatsoever in respect of any failure by the Issuer to pay any amount due under the Notes shall be

accepted by any of the Kingdom of Sweden, SBAB, the Arranger, the Dealers, the Swap Providers, any company in the same group of companies as such entities or any other party to the transaction documents relating to the Programme.

SBAB group account structure

Payments owing to the Issuer in respect of its assets will be received on behalf of the Issuer under the SBAB group account structure held with Skandinaviska Enskilda Banken AB (publ) (**SEB**). Payments will on a daily basis be credited to the relevant Issuer Sub-Ledgers (as defined below). Therefore, SBAB has agreed with the Issuer, pursuant to the Outsourcing Agreement, that the Issuer will have a claim against SBAB for any amount credited to the Issuer Sub-Ledgers and SBAB will be obliged to fully repay the Issuer upon first demand by the Issuer irrespective of whether or not SBAB receives payment of such amount from SEB or any other banking institution handling the SBAB group account structure. In addition, SBAB waives any circumstances which could release SBAB from its obligation to repay such funds to the Issuer. Accordingly, the Issuer is exposed to the credit risk of SBAB, and therefore indirectly to the credit risk of SEB.

In the event that SBAB's short term, unsecured and unsubordinated rating falls below (a) "P-1" by Moody's or (b) "A-1" by S&P (or, if no short-term rating is available, the long-term, unsecured and unsubordinated rating falls below "A+" by S&P), SBAB undertakes, within 60 days, to open and maintain an account with an account bank which has a short-term, unsecured and unsubordinated rating which is not below "A-1" by S&P (or, if no short-term rating is available, a long-term, unsecured and unsubordinated rating which is not below "A+" by S&P) and "P-1" by Moody's (the **Issuer Collection Account**). See "*Summary of Transaction Documents – Outsourcing Agreement – Cash Management Services*" below for further details.

International Financial Reporting Standards

SCBC applies statutory International Financial Reporting Standards (**IFRS**), which means that the annual report has been prepared in compliance with IFRS subject to the additions and exceptions that ensue from the Swedish Financial Reporting Council's recommendation RFR 2.2, Accounting for Legal Entities, and the Swedish FSA's regulations and general guidelines on annual reports in credit institutions and securities companies undertakings (FFFS 2008:25). The annual report has been prepared in accordance with the acquisition method, apart from derivative instruments and financial assets and liabilities at fair value through profit or loss.

Legal and regulatory risks relating to the Notes

Legal risks

The Issuer's business operations are governed by law and regulations and are subject to authority supervision. Any changes to the current legislation might affect the Issuer's business operations and its operating results.

Basel II Capital Requirements

The European Capital Requirements Directive (2006/48/EC and 2006/49/EC, the **CRD**) (which on the date hereof is in the process of being reformed) has been implemented in Sweden by the Capital Adequacy and Large Exposures Act (Sw. *Lag (2006:1371) om kapitaltäckning och stora exponeringar*). The amendments made so far to the CRD have not yet been implemented in Sweden and the Issuer cannot predict the precise effects of changes that might result from such legislation or any reforms of thereof, whether on its own financial performance or on the pricing of the Notes. Prospective investors in the Notes should consult their own advisers as to the consequences of the implementation of such legislation or any reforms thereof.

Change of law and establishment of case law

The Notes will be governed by and construed in accordance with English law and (i) in respect of Condition 2 of the Terms and Conditions of the Notes (the **Conditions**), Swedish law and (ii) in respect of the registration of VPS Notes in the VPS as well as the recording and transfer of ownership to, and other interests in, VPS Notes and Condition 13(b), Norwegian law, in each case, in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law, Swedish law, Norwegian law or administrative practice after the date of issue of the relevant Notes.

In particular, the Act on Säkerställda Obligationer is relatively new legislation in Sweden and for this reason there is no available case law on it. It is uncertain how the Act on Säkerställda Obligationer will be interpreted or whether changes or amendments will be made to it which will affect Notes issued under the Programme.

Non-compliance with matching rules

The Act on Säkerställda Obligationer contains matching rules which, *inter alia*, require that the nominal value and the present value of the assets registered to the Cover Pool respectively exceed the nominal value and the present value of liabilities which relate to the Covered Bonds issued from time to time. When conducting each such calculation the effect of any Eligible Swap shall also be taken into account. See “*Summary of the Swedish Legislation Regarding Säkerställda Obligationer – Matching requirements*” below for further details.

A breach of the matching requirements prior to the Issuer’s bankruptcy in the circumstances where no additional assets are available to the Issuer or the Issuer lacks the ability to acquire additional assets could result in the Issuer being unable to issue further Covered Bonds.

If, however, the Cover Pool ceases to meet the requirements of the Act on Säkerställda Obligationer (including the matching requirements), and the deviations are not just temporary and minor, the Cover Pool may no longer be maintained as a unit and the continuous payment under the terms and conditions of the covered bonds and derivative contracts will cease. The Noteholders would in such case instead benefit from a priority right in the proceeds of a sale of the assets in the Cover Pool in accordance with general bankruptcy rules. This could result in the Noteholders receiving payment according to a schedule that is different from that contemplated by the terms and conditions of the covered bonds (with accelerations as well as delays) or that the Noteholders are not paid in full. However, the Noteholders and the Eligible Swap Providers would retain the benefit of the right of priority in the assets comprising the Cover Pool. Any residual claims of the Noteholders and the Eligible Swap Providers remain valid claims against the Issuer, but will rank *pari passu* with other unsecured and unsubordinated creditors of the Issuer.

Conflicting interests of other creditors

In the event of the Issuer’s bankruptcy, the Act on Säkerställda Obligationer does not give clear guidance on certain issues, which may lead to a conflict between the Noteholders, any other Covered Bondholders and the Eligible Swap Providers on the one hand and other creditors of the Issuer on the other hand. Examples of such issues include (a) how proceeds from a loan partly registered to the Cover Pool should be distributed between the portion of such loan registered to the Cover Pool and the portion of such loan not registered to the Cover Pool and (b) how the proceeds of enforcement of a mortgage certificate should be distributed if this serves as collateral for two different loans ranking *pari passu* in the mortgage certificate where one such loan is not wholly or partly registered to the Cover Pool. The lack of clear guidance on these and similar issues may lead to unsecured creditors arguing that part of the proceeds from a loan and/or mortgage certificate should not be included in the Cover Pool or to any creditors with loans that rank *pari passu* in a mortgage certificate which also serves as collateral for a loan registered to the Cover

Pool arguing that part of the proceeds from such mortgage certificate should not be included in the Cover Pool.

Where one mortgage certificate serves as collateral for two loans and one of such loans is held by SBAB as creditor and the other loan is registered to the Cover Pool, SBAB has agreed with the Issuer to subordinate its claim to the benefit of the Issuer. Further, SBAB will represent to the Issuer pursuant to the Master Sale Agreement that at the time of the sale of any Loans in respect of which the related mortgage certificate also serves as shared security (Sw. *gemensam säkerhet*) for a loan from a party other than the Issuer or SBAB that such party has entered into a subordination agreement with the Issuer which is substantially the same as the Subordination Agreement and to repurchase the relevant Loan if such representation was breached at the time of sale.

Payment of advance dividends post Issuer's bankruptcy

In the event of the Issuer's bankruptcy, an administrator-in-bankruptcy could make advance dividend payments to creditors other than the Noteholders, any other Covered Bondholders and the Eligible Swap Providers. The payment of advance dividends could result in Noteholders not being paid in a timely manner. It is likely that an administrator-in-bankruptcy would only authorise such advance dividend payments if satisfied that the Cover Pool contained significantly more assets than necessary to pay amounts owing to the Noteholders, any other Covered Bondholders and the Eligible Swap Providers before making such payment.

Additionally, the Issuer's estate would be entitled to have any advance dividend repaid should the Cover Pool subsequently prove to be insufficient to make payments to the Noteholders, any other Covered Bondholders and the Eligible Swap Providers as a result of the payment of advance dividends. The right to reclaim advance dividends may also be secured by a bank guarantee or equivalent security pursuant to the Swedish Bankruptcy Act (as amended) (Sw. *konkurslagen (1987:672)*).

Liquidity

Upon a credit institution's bankruptcy, neither the credit institution nor its bankruptcy estate would have the ability to issue further covered bonds. Whilst there can be no assurance as to the actual ability of the bankruptcy estate to raise post-bankruptcy liquidity in other ways, following a recent amendment the Act on Säkerställda Obligationer gives the administrators-in-bankruptcy an explicit and broad mandate to enter into loan, derivative, repo and other transactions on behalf of the bankruptcy estate with a view to attaining matching of cash flows, currencies, interest rates and interest periods between assets in the cover pool, covered bonds and derivative contracts. The administrators-in-bankruptcy may also raise liquidity by selling assets in the cover pool in the market for example.

The Issuer is also subject to liquidity requirements in its capacity as a credit institution supervised by the Swedish FSA, including a statutory requirement to maintain sufficient liquidity to enable it to discharge its obligations as they fall due. The Swedish FSA has issued guidelines on liquidity, which are not binding on the Issuer. However, any serious or systematic deviations from such guidelines may lead to the Swedish FSA determining that the Issuer's business does not satisfy the statutory soundness requirement for credit institutions and result in the Swedish FSA imposing sanctions against the Issuer.

Risk related to the market in general

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may

not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

No gross-up

Under the Terms and Conditions of the Notes, all payments of principal and interest in respect of the Notes by the Issuer will be made without withholding or deduction for, or on account of, any withholding taxes imposed by the Kingdom of Sweden (or any political subdivision or any authority in the Kingdom of Sweden having power to tax) unless such withholding or deduction is required by law, in which case such withholding or deduction will be made by the Issuer.

In the event that any such withholding or deduction is required by law, the Terms and Conditions of the Notes do not require the Issuer to pay additional amounts in respect of such withholding or deduction.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

On 15 September 2008, the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008, the European Commission published a more detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

Liquidity risk

Insufficient liquidity in the secondary market for the Notes may have a negative impact on their market value. If the marketplaces concerned are closed, or if temporary restrictions are imposed, it may be difficult or impossible to dispose of an investment in the Notes. Even if a secondary market does develop, its liquidity for the term of the Notes cannot be guaranteed, which may result in an investor in the Notes being unable to sell its holding at the price sought or unable to sell its holding at all.

Currency exchange rate risk and currency exchange control

The Issuer will pay the principal amount and interest of the Notes in the Specified Currency. This involves certain risks relating to currency conversion if an investor's financial activities are denominated principally in a currency or a currency unit other than the Specified Currency.

Exchange rate risks occur for the Issuer if the present value of assets and liabilities, including derivatives, in foreign currencies do not coincide. However, the risk is limited by the use of the Currency Swaps and by matching interest rate flow with the maturity of loan and other assets of the Issuer.

Interest rate risks

Investments in Notes with fixed interest involves a risk that subsequent changes in market interest rates may adversely affect the value of fixed interest Notes. Investments in Notes with floating interest involve a risk of interest rate changes.

Interest rate risks occur when fixed interest periods or interest bases for assets and liabilities do not coincide. The Issuer will enter into the Cover Pool Swap and Interest Rate Swaps to ensure that the risks do not exceed the credit limit approved by its board of directors and to ensure that matching is maintained in accordance with the Act on Säkerställda Obligationer.

Credit rating may not reflect all risks

S&P and Moody's will assign credit ratings of "AAA" and "Aaa" respectively to the Programme. There are no guarantees that such ratings reflect the potential impact of all risks related to an investment in the Notes. Accordingly, a credit rating is not a recommendation to buy, sell or hold Notes and may be revised or withdrawn by the relevant Rating Agency at any time. For the avoidance of doubt, the Issuer does not commit to ensure that any specific rating of the Notes or the Programme will be upheld.

Judicial considerations may restrict certain investments

The investment activities of certain investors are subject to rules and regulations and/or review or regulation by certain authorities. Each potential investor should consult its legal advisers or responsible supervisory authority in order to determine whether and to what extent the investor has the opportunity to invest in Notes.

European Monetary Union (EMU)

In the event that Sweden joins the EMU before the Maturity Date of a Note, this could adversely affect investors. If the euro becomes the legal currency in Sweden, the Notes denominated in SEK will be paid in euro. Furthermore, it may become allowed or required by law to convert outstanding Notes denominated in SEK to euro and that other measures are taken. A transition to euro may be followed by an interest rate disturbance which may have an adverse affect on an investment in Notes denominated in SEK.

Reliance on Swap Providers

Reliance on Currency Swaps

The Issuer may rely on the Currency Swap Providers under the Currency Swaps to provide payments on Covered Bonds denominated in currencies other than SEK. If the Issuer fails to make timely payments of amounts due or certain other events occur in relation to the Issuer under a Currency Swap and any applicable grace period has expired, then the Issuer will have defaulted under that Currency Swap. If the Issuer defaults under a Currency Swap due to non-payment or otherwise, the relevant Currency Swap Provider will not be obliged to make further payments under that Currency Swap and may terminate that Currency Swap. If a

Currency Swap Provider is not obliged to make payments, or if it exercises any right of termination it may have under the relevant Currency Swap Agreement, or if it defaults in its obligations to make payments under a Currency Swap, the Issuer will be exposed to changes in currency exchange rates and in the associated interest rates on the currencies. Unless a replacement swap is entered into, the Issuer may have insufficient funds to make payments due on the Covered Bonds.

Reliance on Interest Rate Swaps

In order to hedge the Issuer's interest rate risks in SEK and/or other currencies to the extent that these have not already been hedged by the Cover Pool Swap or a Currency Swap, the Issuer may enter into Interest Rate Swaps. If the Issuer fails to make timely payments of amounts due or certain other events occur in relation to the Issuer under an Interest Rate Swap and any applicable grace period has expired, then the Issuer will have defaulted under that Interest Rate Swap. If the Issuer defaults under an Interest Rate Swap due to non-payment or otherwise, the relevant Interest Rate Swap Provider will not be obliged to make further payments under that Interest Rate Swap and may terminate that Interest Rate Swap. If an Interest Rate Swap Provider is not obliged to make payments, or if it exercises any right of termination it may have under the relevant Interest Rate Swap Agreement, or if it defaults in its obligations to make payments under an Interest Rate Swap, the Issuer will be exposed to changes in interest rates. Unless a replacement swap is entered into, the Issuer may have insufficient funds to make payments due on the Covered Bonds.

Reliance on Cover Pool Swap and Non-Cover Pool Swap

In order to hedge the possible variance between 3-month STIBOR and the various rates of interest payable in respect of certain assets registered in the Cover Pool, the Issuer has entered into the Cover Pool Swap. If the Issuer fails to make timely payments of amounts due or certain other events occur in relation to the Issuer under the Cover Pool Swap and any applicable grace period has expired, then the Issuer will have defaulted under that Cover Pool Swap. If the Issuer defaults under the Cover Pool Swap due to non-payment or otherwise, the Cover Pool Swap Provider will not be obliged to make further payments under the Cover Pool Swap and may terminate the Cover Pool Swap. If the Cover Pool Swap Provider is not obliged to make payments, or if it exercises any right of termination it may have under the Cover Pool Swap Agreement, or if it defaults in its obligations to make payments under the Cover Pool Swap, the Issuer will be exposed to changes in interest rates. Unless a replacement swap is entered into, the Issuer may have insufficient funds to make payments due on the Covered Bonds.

The Issuer has entered into the Non-Cover Pool Swap in respect of assets owned by the Issuer from time to time which are not registered in the Cover Pool. If the Non-Cover Pool Swap Provider is not obliged to make payments, or if it exercises any right of termination it may have under the Non-Cover Pool Swap Agreement, or if it defaults in its obligations to make payments under the Non-Cover Pool Swap, the Issuer will be exposed to changes in interest rates in respect of those assets which are not registered to the Cover Pool.

Termination payments for Swaps

If any of the Interest Rate Swaps, Currency Swaps, Cover Pool Swap or Non-Cover Pool Swap are terminated, the Issuer may as a result be obliged to make a termination payment to the relevant Swap Provider. The amount of the termination payment will be based on the cost of entering into a replacement Interest Rate Swap, Currency Swap, Cover Pool Swap or Non-Cover Pool Swap, as the case may be. Any termination payment to be made by the Issuer to an Eligible Swap Provider will rank *pari passu* with payments due to the Covered Bondholders.

The Notes are not a suitable investment for all investors

Potential investors in the Notes must determine the suitability of its investment in light of their own circumstances. In particular, a potential investor should:

- (a) have sufficient knowledge and experience to make an informed assessment of the (i) Terms and Conditions and Final Terms for the relevant Note and (ii) the benefits and risks of investing in the relevant Notes and based upon the information contained in this Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to properly evaluate, in the context of the investor's particular financial situation, each Note and comprehend the impact such an investment would have on the investor's investment portfolio;
- (c) have sufficient financial resources and liquidity to bear the risks of an investment in the relevant Note, including possible currency exchange rate risks;
- (d) thoroughly understand the Terms and Conditions and the Final Terms of the relevant Note and be familiar with the behaviour of the financial markets (in particular with the Swedish financial market); and
- (e) be able to evaluate (either alone or with the assistance of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the associated risks.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain of those features.

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of such Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (a) the market price of such Notes may be volatile;
- (b) they may receive no interest;
- (c) payment of principal or interest may occur at a different time or in a different currency than expected;

- (d) the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- (e) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (f) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- (g) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of its particular circumstances.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of such Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Extendable obligations under the Notes

Following the failure by the Issuer to pay the Final Redemption Amount of a Series of Notes on their Maturity Date, payment of such amounts shall be automatically deferred. This will occur if the Final Terms for a relevant Series of Notes (the **relevant Series of Notes**) provides that such Notes are subject to an extended final maturity date on which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Maturity Date (the **Extended Final Maturity Date**).

To the extent that the Issuer has sufficient moneys available to pay in part the relevant Final Redemption Amount in respect of the relevant Series of Notes, the Issuer shall make partial payment of the relevant Final Redemption Amount as described in Condition 4(g). Payment of all unpaid amounts shall be deferred automatically until the applicable Extended Final Maturity Date, provided that any amount representing the Final Redemption Amount due and remaining unpaid on the Maturity Date may be paid by the Issuer on any Interest Payment Date thereafter up to (and including) the relevant Extended Final Maturity Date.

The Issuer is not required to notify the Noteholders of such automatic deferral. The Extended Final Maturity Date will fall one year after the Maturity Date. Interest will continue to accrue on any unpaid amount and be payable on each Interest Payment Date falling after the Maturity Date up to (and including) the Extended Final Maturity Date. In these circumstances, failure by the Issuer to make payment in respect of the Final Redemption Amount on the Maturity Date shall not constitute a default in payment by the Issuer. However, failure by the Issuer to pay the Final Redemption Amount or the balance thereof on the Extended Final Maturity Date and/or interest on such amount on any Interest Payment Date falling after the Maturity Date up to (and including) the Extended Final Maturity Date shall constitute a default in payment by the Issuer.

Furthermore, in relation to all amounts constituting accrued interest due and payable on each Interest Payment Date falling after the Maturity Date up to (and including) the Extended Final Maturity Date, as provided in the applicable Final Terms, the Issuer may pay such interest pursuant to the Floating Rate set out in the applicable Final Terms notwithstanding that the relevant Note was a Fixed Rate Note as at its relevant Issue Date.

In addition, following deferral of the Maturity Date, the Interest Payment Dates and Interest Periods may change as set out in the applicable Final Terms.

Risks related to all Notes issued under the Programme

All Notes issued under the Programme will have a number of common features. Set out is a description of certain of those features.

Notes issued under the Programme

Notes issued under the Programme (save in respect of the first issue of Notes) will either be fungible with an existing Series of Notes or have different terms to an existing Series of Notes (in which case they will constitute a new Series). All Notes issued from time to time will rank *pari passu* with each other in all respects and will rank *pari passu* with the Swedish Benchmark Bonds issued under the Swedish Benchmark

Bonds Programme and with any other covered bonds which may be issued by the Issuer in accordance with the Act on Säkerställda Obligationer.

Meetings of Noteholders

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Modifications

In the case of Notes other than VPS Notes, the Principal Paying Agent and the Issuer may agree, without the prior consent or sanction of any of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification to the Notes, the Receipts, the Coupons or Agency Agreement which, in the opinion of the Issuer, is not materially prejudicial to the interests of the Noteholders; or
- (b) any modification to the Notes, the Receipts, the Coupons, the Deed of Covenant or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any modification will be binding on the Noteholders, the Receiptholders and the Couponholders.

In the case of VPS Notes, the VPS Trustee Agreement provides that:

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, the Issuer may from time to time issue Notes denominated in any currency, subject as set out herein. A summary of the terms and conditions of the Programme and the Notes appears above. The applicable terms of any Notes will be agreed between the Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under “*Form of the Notes*” below.

This Prospectus and any supplement will only be valid for listing Notes on the Official List during the period of 12 months from the date of this Prospectus in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed €10,000,000,000 or its equivalent in other currencies. For the purpose of calculating the euro equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (a) the euro equivalent Notes denominated in another Specified Currency (as specified in the applicable Final Terms in relation to the relevant Notes, described under “*Form of the Notes*” below) shall be determined, at the discretion of the Issuer, either as of the date on which agreement is reached for the issue of Notes or on the preceding day on which commercial banks and foreign exchange markets are open for general business in London, in each case on the basis of the spot rate for the sale of the euro against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading international bank selected by the Issuer on the relevant day of calculation;
- (b) the euro equivalent of Dual Currency Notes, Index Linked Notes and Partly Paid Notes (each as specified in the applicable Final Terms in relation to the relevant Notes, described under “*Form of the Notes*” below) shall be calculated in the manner specified above by reference to the original nominal amount on issue of such Notes (in the case of Partly Paid Notes regardless of the amount of the subscription price paid); and
- (c) the euro equivalent of Zero Coupon Notes (as specified in the applicable Final Terms in relation to the relevant Notes, described under “*Form of the Notes*” below) and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the Issuer for the relevant issue.

FORM OF THE NOTES

The Notes of each Series will be either (i) in the case of Notes other than VPS Notes, in bearer form, with or without interest coupons (**Coupons**) attached or (ii) in the case of VPS Notes, in uncertificated and dematerialised book entry form registered in the VPS. The Notes will be issued outside the United States in reliance on Regulation S under the Securities Act (**Regulation S**).

Form of Notes other than VPS Notes

Each Tranche of Notes other than VPS Notes will be initially issued in the form of either a temporary global note (a **Temporary Global Note**) or a permanent global note (a **Permanent Global Note** and, together with the Temporary Global Note, the **Global Notes**) as indicated in the applicable Final Terms, which, in either case, will:

- (i) if the Global Notes are intended to be issued in new global note (**NGN**) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking, société anonyme (**Clearstream, Luxembourg**); and
- (ii) if the Global Notes are not intended to be issued in NGN form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Temporary Global Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the **Exchange Date**) which, in respect of each Tranche in respect of which a Temporary Global Note is issued, is 40 days after the Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for (a) interests in a Permanent Global Note of the same Series or (b) for definitive Notes of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of non-U.S. beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification. The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, receipts, interest coupons and talons attached upon either (a) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) to the Principal Paying Agent as described therein or (b) only upon the occurrence of an Exchange Event.

For these purposes, **Exchange Event** means that (a) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no alternative clearing system is available or (b) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 12 of the Conditions if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (b) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 60 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The following legend will appear on all Notes which have an original maturity of 365 days or more and on all receipts and interest coupons relating to such Notes:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under “*Terms and Conditions of the Notes*” below), the Principal Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholders** and **holder of Notes** and related expressions shall be construed accordingly.

Where any Note is represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then, unless within the period of seven days commencing on the relevant due date payment in full of the amount due in respect of the Global Note is received by the bearer in accordance with the provisions of the Global Note holders of interest in such Global Note credited to their accounts with Euroclear and/or Clearstream,

Luxembourg, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and Clearstream, Luxembourg on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated 11 June 2010 and executed by the Issuer.

Form of VPS Notes

Each Tranche of VPS Notes will be issued in uncertificated and dematerialised book entry form registered in the VPS. Legal title to the VPS Notes will be evidenced by book entries in the records of the VPS. Issues of VPS Notes will be issued with the benefit of the VPS Trustee Agreement and a VPS Agency Agreement. On the issue of such VPS Notes, the Issuer will send a copy of the applicable Final Terms to the Principal Paying Agent, with a copy sent to the VPS Agent. On delivery of the applicable Final Terms by the VPS Agent to the VPS and notification to the VPS of the subscribers and their VPS account details by the relevant Dealer, the VPS Agent acting on behalf of the Issuer will credit each subscribing account holder with the VPS with a nominal amount of VPS Notes equal to the nominal amount thereof for which it has subscribed and paid.

Settlement of sale and purchase transactions in respect of VPS Notes in the VPS will take place in accordance with market practice at the time of the transaction. Transfers of interests in the relevant VPS Notes will take place in accordance with the Norwegian Securities Registry Act 2002 (*verdipapirregisterloven*) (the **VPS Act**) and the rules and procedures for the time being of the VPS.

Title to VPS Notes will pass by registration in the registers between the direct accountholders at the VPS in accordance with the rules and procedures of the VPS. The holder of a VPS Note will be the person evidenced as such by a book entry in the records of the VPS. The person evidenced (including any nominee) as a holder of the VPS Notes shall be treated as the holder of such VPS Notes for the purposes of payment of principal or interest on such Notes. The expressions **Noteholders** and **holder of Notes** and related expressions shall, in each case, be construed accordingly.

Alternative Clearing Systems

Any reference herein to Euroclear and/or Clearstream, Luxembourg and/or the VPS shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or listing authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The following are also the Terms and Conditions of the Notes which will be applicable to each VPS Note. VPS Notes will not be evidenced by any physical note or document of title other than statements of account made by the VPS. Ownership of VPS Notes will be recorded and transfer effected only through the book entry system and register maintained by the VPS. The applicable Final Terms in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be (i) in the case of Notes other than VPS Notes, endorsed upon, or attached to, each Global Note and definitive Note or (ii) in the case of VPS Notes, deemed to apply to any such Notes. Reference should be made to "Form of the Notes" for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

The Notes are Swedish covered bonds (**Säkerställda Obligationer**) issued by AB Sveriges Säkerställda Obligationer (publ) (with the parallel trade name The Swedish Covered Bond Corporation) (the **Issuer**) in accordance with the Swedish Act (2003: 1223) on Issuance of Covered Bonds (*Lag (2003: 1223) om utgivning av säkerställda obligationer*) (the **Act on Säkerställda Obligationer**). This Note is one of a Series (as defined below) of Notes issued by the Issuer. The Notes (other than VPS Notes) will be issued pursuant to the Agency Agreement (as defined below). VPS Notes will be issued in accordance with and subject to a trust agreement (such trust agreement as amended and/or supplemented and/or restated from time to time, the **VPS Trustee Agreement**) dated 18 June 2008 made between the Issuer and Norsk Tillitsmann ASA (the **VPS Trustee**, which expression shall include any successor as VPS Trustee). principal paying agent) and the other paying agents named therein (together with the Principal Paying Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents).

Each issue of VPS Notes will have the benefit of a VPS agency agreement (such agency agreement as amended and/or supplemented and/or restated from time to time, the **VPS Agency Agreement**) between the Issuer and an agent (the **VPS Agent**) who will act as agent of the Issuer in respect of all dealings with the VPS in respect of VPS Notes as provided in the relevant VPS Agency Agreement. References herein to the VPS Agency Agreement shall be to the relevant VPS Agency Agreement entered into in respect of each issue of VPS Notes.

The Noteholders (other than holders of VPS Notes), the Receiptholders and the Couponholders are entitled to the benefit of the Deed of Covenant (the **Deed of Covenant**) dated 11 June 2010 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

The Notes are either (i) in the case of Notes other than VPS Notes in bearer form which, in the case of definitive Notes, will be serially numbered, or (ii) in the case VPS Notes, in uncertificated and dematerialised book entry form, as specified in the applicable Final Terms, in each case in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination. Notes (other than VPS Notes) may not be exchanged for VPS Notes and vice versa.

Subject as set out below, title to the Notes (other than VPS Notes), Receipts and Coupons will pass by delivery. The Issuer and any Agent will (except as otherwise required by law) deem and treat the bearer of any such Note, Receipt or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking, société anonyme (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Agent as the holder of such nominal amount of such Notes in accordance with

and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. The expressions **Noteholders** and **holder of Notes** and related expressions shall, in each case, be construed accordingly. Any references in these Terms and Conditions to Coupons, Talons, Receipts, Receiptholders, Couponholders, Global Notes and Notes in definitive form (or, in each case, similar expressions) shall not apply to VPS Notes.

2. STATUS OF THE NOTES

The Notes constitute unconditional and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves. The Notes are Säkerställda Obligationer issued in accordance with the Act on Säkerställda Obligationer and rank *pari passu* with all other outstanding Säkerställda Obligationer and other obligations of the Issuer which benefit from the same priority right in the Cover Pool as Säkerställda Obligationer under the Swedish Rights of Priority Act (Sw. *Förmånsrättslagen (1970:979)*) and the Act on Säkerställda Obligationer.

3. INTEREST

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date or, if the applicable Final Terms specifies that an Extended Final Maturity Date applies, the Extended Final Maturity Date or any earlier Interest Payment Date on which the Notes are redeemed in full, provided that any amounts representing interest payable after the Maturity Date shall be paid at such rate and on such dates specified in the applicable Final Terms.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up);
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount; or
- (C) in the case of Fixed Rate Notes which are VPS Notes, the aggregate outstanding nominal amount of the Fixed Rate Notes;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 3(a):

- (i) if “*Actual/Actual (ICMA)*” is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year; or
 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; or
- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360.

If no Day Count Fraction for Fixed Rate Notes is specified in the applicable Final Terms then the Day Count Fraction for such Notes shall be “30/360” for Notes denominated in U.S. dollars and “Actual/Actual (ICMA)” for all other Notes.

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the

final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes and Index Linked Interest Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note and Index Linked Interest Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each **Interest Period** (which expression shall mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 3(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, **Business Day** means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre specified in the applicable Final Terms; and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which if the Specified Currency is Australian or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as amended and updated as at the Issue Date of the first Tranche of the Notes, published by the International Swaps and Derivatives Association, Inc. (the **ISDA Definitions**) under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (**LIBOR**) or the Euro-zone inter-bank offered rate (**EURIBOR**) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this subparagraph (A), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR, or Stockholm time, if the Reference Rate is the Stockholm inter-bank offered rate (**STIBOR**)) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent or, in the case of VPS Notes, the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent or the Calculation Agent, as the case may be, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR, EURIBOR or STIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Principal Paying Agent, in the case of Floating Rate Notes other than Floating Rate Notes which are VPS Notes, and the Calculation Agent, in the case of Index Linked Interest Notes and Floating Rate Notes which are VPS Notes, will at or as soon as practicable after

each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes other than Index Linked Interest Notes which are VPS Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same. In the case of Index Linked Interest Notes and Floating Rate Notes which, in each case, are VPS Notes, the Calculation Agent will notify the VPS Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent or, in the case of either Floating Rate Notes which are VPS Notes or Index Linked Interest Notes, the Calculation Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up);
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount; or
- (C) in the case of Floating Rate Notes which are VPS Notes or Index Linked Interest Notes which are VPS Notes, the aggregate outstanding nominal amount of the VPS Notes;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest for any Interest Period:

- (i) if “*Actual/Actual or Actual/Actual – ISDA*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “*Actual/365 (Fixed)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “*Actual/365 (Sterling)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “*Actual/360*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;

- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[306 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[306 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30; and

- (vii) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[306 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

- (v) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent or, in the case of VPS Notes, the Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, any stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and, in the case of VPS Notes, the VPS, the VPS Trustee and the VPS Agent (by no later than the first day of each Interest Period) and notice thereof is to be published in accordance with Condition 12 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 12. For the purposes of this paragraph (v), the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London. The notification of any rate or amount, if applicable, shall be made to the VPS in accordance with and subject to the rules and regulations of the VPS for the time being in effect.

(vi) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 3(b), whether by the Principal Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Principal Paying Agent, the Calculation Agent (if applicable), the other Paying Agents, the VPS Agent, the VPS Trustee and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent, the Calculation Agent (if applicable), the VPS Agent or the VPS Trustee, as the case may be, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Dual Currency Interest Notes*

The rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Final Terms.

(d) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(e) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) the date on which the full amount of the moneys payable has been received by the Principal Paying Agent or the VPS Agent, as the case may be, and notice to that effect has been given in accordance with Condition 12.

(f) *VPS Notes – Calculation Agent*

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in respect of the VPS Notes and for so long as any such VPS Note is outstanding. Where more than one Calculation Agent is appointed in respect of the VPS Notes, references in these Terms and Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Terms and Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or to calculate any Interest Amount or to comply with any other requirement, the Issuer shall (with the prior approval of the VPS Trustee) appoint a leading bank or investment banking firm engaged in the inter-bank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

4. PAYMENTS

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian or New Zealand dollars, shall be Sydney or Auckland, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or at the option of the payee, by a euro cheque.

In no event will payment be made by a cheque mailed to an address in the United States. All payments of interest will be made to accounts located outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)) except as may be permitted by United States tax law in effect at the time of such payment without detriment to the Issuer. Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 6.

(b) *Presentation of definitive Notes, Receipts and Coupons*

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States.

Payments of instalments of principal (if any) in respect of definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant definitive Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Note to which it appertains. Receipts presented without the definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined below) in respect of

such principal (whether or not such Coupon would otherwise have become void under Condition 7) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

As used herein, the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent or, in the case of VPS Notes, the holders of the VPS Notes, as the case may be, on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 12.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date or, as the case may be, the Extended Final Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Interest Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable, against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

(d) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the provisions of paragraph (a) above, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;

- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(e) *Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 7) is:

in the case of Notes other than VPS Notes:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation (if presentation is required); and
 - (B) each Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian or New Zealand dollars shall be Sydney or Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open; or

in the case of VPS Notes:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian or New Zealand dollars shall be Sydney or Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

In these Conditions, **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended (the **Treaty**).

(f) *VPS Notes*

Payments of principal and interest in respect of VPS Notes shall be made to the holders shown in the relevant records of the VPS in accordance with and subject to the VPS Act and the rules and regulations from time to time governing the VPS.

(g) *Interpretation of principal*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) the Final Redemption Amount of the Notes;
- (ii) the Early Redemption Amount of the Notes;
- (iii) the Optional Redemption Amount(s) (if any) of the Notes;
- (iv) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (v) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 5); and
- (vi) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

(h) *Partial Payment*

If on the Maturity Date of a Series of Notes where an Extended Final Maturity Date is specified in the applicable Final Terms the Issuer has insufficient moneys to pay the Final Redemption Amount on that Series of Notes and any other amounts due and payable by the Issuer in respect of Covered Bonds on such date, then the Issuer shall apply available moneys, after having made payment of all other amounts due and payable by the Issuer in respect of Covered Bonds on such date, to redeem the relevant Series of Notes in part at par together with accrued interest *pro rata* and *pari passu* with any other Series of Notes for which an Extended Final Maturity Date is specified in the Final Terms.

5. REDEMPTION AND PURCHASE

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms, subject as provided below if an Extended Final Maturity Date is specified in the applicable Final Terms.

If an Extended Final Maturity Date is specified as applicable in the Final Terms for a Series of Notes and the Issuer has failed to pay the Final Redemption Amount on the Maturity Date specified in the Final Terms, then (subject as provided below) payment of the unpaid amount by the Issuer shall be deferred until the Extended Final Maturity Date, provided that any amount representing the Final Redemption Amount due and remaining unpaid on the Maturity Date may be paid by the Issuer on any Interest Payment Date occurring thereafter up to (and including) the relevant Extended Final Maturity Date.

The Issuer shall confirm to the Rating Agencies, any relevant Swap Provider and the Principal Paying Agent as soon as reasonably practicable and in any event at least 4 business days in London prior to

the Maturity Date of any inability of the Issuer to pay in full the Final Redemption Amount in respect of a Series of Notes on that Maturity Date. Any failure by the Issuer to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

Where the applicable Final Terms for a relevant Series of Notes provides that such Notes are subject to an Extended Final Maturity Date, such failure to pay by the Issuer on the Maturity Date shall not constitute a default in payment.

For the purposes of these Conditions:

Extended Final Maturity Date means, in relation to any Series of Notes, the date if any specified as such in the applicable Final Terms to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Maturity Date.

(b) *Redemption for tax reasons*

If:

- (i) as a result of any actual or proposed change in, or amendment to, the laws of the Kingdom of Sweden, or the regulations of any taxing authority therein or thereof, or in or to the application of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes, on the occasion of the next payment due in respect of the Notes the Issuer would be required to deduct or withhold from any payment of principal or interest in respect of the Notes, Receipts and Coupons (other than because the relevant holder has some connection with the Kingdom of Sweden other than the holding of such Note, Receipt or Coupon) any amount for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the Kingdom of Sweden (or any political subdivision or authority in the Kingdom of Sweden having power to tax); or
- (ii) by reason of a change in law (or the application or official interpretation thereof), which change becomes effective on or after the Issue Date of the first Tranche of the Notes, on the occasion of the next payment due in respect of any Interest Rate Swap Agreement, Currency Swap Agreement, Cover Pool Swap Agreement or, as the case may be, Non-Cover Pool Swap Agreement, the Issuer, the Interest Rate Swap Provider, the Currency Swap Provider, the Cover Pool Swap Provider, or as the case may be, the Non-Cover Pool Swap Provider would be required to deduct or withhold from any payment under the Interest Rate Swap Agreement, the Currency Swap Agreement, the Cover Pool Swap Agreement or, as the case may be, the Non-Cover Pool Swap Agreement any amount for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature,

then the Issuer shall, if the same would avoid the effect of such relevant event described in subparagraph (i) or (ii) above, appoint a Paying Agent in another jurisdiction.

If one or more of the such events described in subparagraph (i) or (ii) above is continuing immediately before giving the notice referred to below and the appointment of a Paying Agent would not avoid the effect of the relevant event or, having used its reasonable endeavours, the Issuer is unable to arrange such an appointment, then the Issuer may at its option at any time (in the case of Notes which are neither Floating Rate Notes, Index Linked Interest Notes nor Dual Currency Interest Notes) or on any Interest Payment Date (in the case of Floating Rate Notes, Index Linked Interest Notes or Dual Currency Interest Notes), having given not less than 30 or more than 60 days' notice to the Principal Paying Agent and the Noteholders in accordance with Condition 12 (which notice shall be irrevocable), redeem all the Notes, but not some only, each at its Early Redemption Amount referred to in this Condition 5 together with

interest, if any, accrued to but excluding the date of redemption, provided that (in either case), prior to giving any such notice, the Issuer shall have provided to the Principal Paying Agent and, in the case of VPS Notes, to the VPS Agent (A) a certificate signed by two directors of the Issuer stating that the circumstances referred to in the paragraph immediately above prevail and setting out details of such circumstances, and (B) an opinion of independent legal advisers of recognised standing to the effect that the Issuer, the Interest Rate Swap Provider, the Currency Swap Provider, the Cover Pool Swap Provider or the Non-Cover Pool Swap Provider (as the case may be) has or will become obliged to deduct or withhold amounts as a result of such change or amendment.

(c) *Redemption at the Option of the Issuer*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (i) not less than 30 nor more than 60 days' notice (or such lesser period as may be stated in the applicable Final Terms) to the Noteholders in accordance with Condition 12; and
- (ii) not less than 14 days' notice (or such lesser period as may be agreed between the Issuer and the Principal Paying Agent) before the giving of the notice referred to in (i), to the Principal Paying Agent,

(which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Maximum Redemption Amount. In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg at their discretion as either a pool factor or a reduction in nominal amount) in the case of Redeemed Notes represented by a Global Note, and in accordance with the rules of the VPS in the case of VPS Notes, in each case not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 12 not less than 30 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 12 at least five days prior to the Selection Date.

(d) *Early Redemption Amounts*

For the purposes of Condition 5(b), each Note will be redeemed at an amount (the **Early Redemption Amount**) calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and a Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount set out in, or determined in the manner set out in, the applicable Final Terms or, if no such amount or manner is set out in the applicable Final Terms, at its nominal amount; or

- (iii) in the case of a Zero Coupon Note, at an amount (the **Amortised Face Amount**) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

^y is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Final Terms.

(e) *Instalments*

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (d) above.

(f) *Partly Paid Notes*

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Final Terms.

(g) *Purchases*

The Issuer may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(h) *Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph 5(g) above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(i) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b) or (c) above is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (d)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and

- (ii) the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 12.

6. TAXATION

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer will be made without withholding or deduction for, or on account of, any present or future taxes or duties of whatever nature imposed or levied by, or on behalf of, the Kingdom of Sweden (or any political subdivision or any authority in the Kingdom of Sweden having power to tax) unless the withholding or deduction of such taxes is required by law, in which case such withholding or deduction will be made.

7. PRESCRIPTION

The Notes, Receipts and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 4(b)) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 4 or any Talon which would be void pursuant to Condition 4.

8. COVENANT

So long as any Note remains outstanding, the Issuer shall not engage in any activity except for the issuance of Covered Bonds, entering into derivatives agreements and ancillary activities reasonably related thereto (including, without limitation, purchasing, owning, selling and managing loans and their related security and any other substitute assets).

9. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent (or such other place as may be notified to the Noteholder) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

10. AGENTS

The names of the initial Agents are set out above.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that:

- (a) there will at all times be a Principal Paying Agent;
- (b) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority);

- (c) there will at all times be a Paying Agent in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; and
- (d) in the case of VPS Notes, there will at all times be a VPS Agent authorised to act as an account holding institution with the VPS and one or more Calculation Agent(s) where the Terms and Conditions of the relevant VPS Notes so require.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 4. Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 12 provided that no such variation, termination, appointment or change shall take effect (except in the case of insolvency) within 15 days before the due date for any payment in respect of any Note or any related Receipt or Coupon.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

11. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 7.

12. NOTICES

- (a) *Notes other than VPS Notes*

All notices regarding the Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of the London Stock Exchange's regulated market or any other stock exchange (or any other relevant authority) on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on the London Stock Exchange's regulated market or any other stock exchange or are admitted to trading by any other relevant authority and the rules of that stock exchange (or other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of

the Notes on the day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

(b) *VPS Notes*

Notices to holders of VPS Notes shall be valid if the relevant notice is given to the VPS for communication by it to the holders and, so long as the VPS Notes are listed on a stock exchange, the Issuer shall ensure that notices are duly published in a manner which complies with the rules of such exchange. Any such notice shall be deemed to have been given on the date two days after delivery to the VPS.

13. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

(a) *Notes other than VPS Notes*

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Agency Agreement, the Deed of Covenant, the Notes, these Conditions, the Receipts or the Coupons. Such a meeting may be convened by the Issuer or shall be convened by the Issuer if required in writing by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons present holding or representing a clear majority of the nominal amount of the Notes for the time being outstanding, or at any such adjourned meeting one or more persons present being or representing the Noteholders whatever the nominal amount of the Notes held or represented, except that at any meeting, the business of which includes the modification of certain Terms and Conditions of the Notes, the Receipts or the Coupons, the necessary quorum for passing an Extraordinary Resolution will be one or more persons present holding or representing not less than 75 per cent. or at any such adjourned meeting not less than 50 per cent. of the nominal amount of the Notes for the time being outstanding.

Any resolution passed at any meeting of Noteholders will be binding on all the Noteholders, whether or not they are present at the meeting, and on all the Receiptholders or Couponholders. Any Notes which have been purchased and are held by or on behalf of the Issuer but have not been cancelled shall (unless and until resold) be deemed not to be outstanding for the purposes of the right to attend or participate in any way at any meeting of Noteholders.

In the case of Notes other than VPS Notes, the Principal Paying Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except as mentioned above) of the Notes, the Receipts, the Coupons or the Agency Agreement which, in the opinion of the Issuer, is not materially prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons, the Deed of Covenant or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 12 as soon as practicable thereafter.

(b) *VPS Notes*

The VPS Trustee Agreement contains provisions for convening meetings of the holders of VPS Notes to consider any matter affecting their interests, including sanctioning by a majority of votes (as more fully set out in the VPS Trustee Agreement) a modification of the VPS Notes or any of the provisions of the VPS Trustee Agreement (or, in certain cases, sanctioning by a majority of two thirds of votes). Such a meeting may be convened by the Issuer, the VPS Trustee or by the holders of not less than 10 per cent. of the Voting VPS Notes. For the purpose of this Condition, **Voting VPS Notes** means the aggregate nominal amount of the total number of VPS Notes not redeemed or otherwise deregistered in the VPS, less the VPS Notes owned by the Issuer, any party who has decisive influence over the Issuer or any party over whom the Issuer has decisive influence.

The quorum at a meeting for passing a resolution is one or more persons holding at least one half of the Voting VPS Notes or at any adjourned meeting one or more persons being or representing holders of Voting VPS Notes whatever the nominal amount of the VPS Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the VPS Notes, the VPS Trustee Agreement (including modifying the date of maturity of the VPS Notes or any date for payment of interest thereof, reducing or cancelling the amount of principal or the rate of interest payable in respect of the VPS Notes or altering the currency of payment of the VPS Notes), the quorum shall be one or more persons holding or representing not less than two-thirds in aggregate nominal amount of the Voting VPS Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in aggregate nominal amount of the Voting VPS Notes. A resolution passed at any meeting of the holders of VPS Notes shall be binding on all the holders, whether or not they are present at such meeting.

In the case of VPS Notes, the VPS Trustee Agreement provides that:

- (i) the VPS Trustee may in certain circumstances, without the consent of the holders of the VPS Notes, make decisions binding on all holders relating to the Terms and Conditions, the VPS Trustee Agreement or the VPS Agency Agreement including amendments which are not, in the VPS Trustee's opinion, materially prejudicial to the interests of the holders of the VPS Notes; and
- (ii) the VPS Trustee may reach decisions binding for all holders of VPS Notes.

14. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further Notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

15. GOVERNING LAW, SUBMISSION TO JURISDICTION AND CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

(a) *Governing law*

The Agency Agreement, the Deed of Covenant, the Notes, the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Deed of Covenant, the Notes, the Receipts and the Coupons shall be governed by, and construed in accordance with,

The VPS Trustee Agreement is, and the VPS Agency Agreement shall be, governed by and construed in accordance with Norwegian law.

(b) *Submission to jurisdiction*

The Issuer agrees, for the exclusive benefit of the Noteholders, the Receiptholders and the Couponholders that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes, the Receipts and the Coupons (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) may be brought in such courts.

The Issuer hereby irrevocably waives any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and hereby further irrevocably agrees that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

Nothing contained in this Condition shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(c) *Contracts (Rights of Third Parties) Act 1999*

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 (the **Act**), but this does not affect any right or remedy of any person which exists or is available apart from that Act.

(d) *Appointment of Process Agent*

The Issuer has appointed the *Swedish Trade Council* at its office at Winchester House, 259-269 Old Marylebone Road, London NW1 5RA, England as its agent for service of process, and undertakes that, in the event of the *Swedish Trade Council* ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

(e) *Waiver of immunity*

The Issuer hereby irrevocably and unconditionally waives with respect to the Notes, the Receipts and the Coupons any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence and irrevocably and unconditionally consents to the giving of any relief or the issue of any process, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any proceedings.

(f) *Other documents*

The Issuer has in the Agency Agreement and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

SUMMARY OF THE SWEDISH LEGISLATION REGARDING SÄKERSTÄLLDA OBLIGATIONER

The following is a brief summary of certain features of the Act on Säkerställda Obligationer as of the date of this Prospectus. The summary does not purport to be, and is not, a complete description of all aspects of the Swedish legislative and regulatory framework for covered bonds. Please also refer to the section “Risk Factors” above.

Introduction

The Act on Säkerställda Obligationer entered into force on 1 July 2004. It enables Swedish banks and credit market undertakings (**Institutions**), which have been granted a specific licence by the Swedish Financial Supervisory Authority (Sw: *Finansinspektionen*) (the **Swedish FSA**), to issue full-recourse debt instruments secured by a pool of mortgage credits and/or public sector credits.

The Swedish FSA has issued regulations and recommendations under the authority conferred on it by the Act on Säkerställda Obligationer (Sw: *Finansinspektionens föreskrifter och allmänna råd om säkerställda obligationer (FFFS 2004:11)*) (the **SFSA Regulations**).

Swedish covered bonds may take the form of bonds and other comparable debt instruments, such as commercial paper.

In the event of an Institution’s bankruptcy, holders of covered bonds (and certain eligible counterparties to derivative contracts entered into for the purpose of matching the financial terms of the assets in the cover pool with those of the covered bonds) benefit from a priority right in the pool of assets. The Act on Säkerställda Obligationer further enables such holders (and derivative counterparties) to continue to receive timely payments also following the Institution’s bankruptcy, subject to certain conditions being met.

The cover pool is dynamic in the sense that an Institution may supplement or substitute assets in the cover pool at any time.

Registration

Information in respect of all covered bonds, assets in the cover pool and relevant derivative contracts must be entered into a special register (the **Register**), which is maintained by the Institution. The actual registration of the covered bonds and relevant derivative contracts in the Register is necessary to confer the priority right in the cover pool. Further, only assets entered into the Register form part of the cover pool.

At all times the Register must show the nominal value of the covered bonds, the cover pool and the relevant derivative contracts. As a result, the Register requires regular updating, including without limitation due to changes in interest rates, interest periods, outstanding debt and the composition of the cover pool. The value of the underlying collateral securing mortgage credits in the cover pool must also be entered into the Register.

Eligibility criteria for assets in the cover pool

The cover pool may consist of certain mortgage credits, public credits and supplemental assets.

Mortgage credits are defined as loans secured by (i) mortgages over real property (Sw: *fastigheter*) intended for residential, agricultural, office or commercial purposes or site leasehold rights (Sw: *tomträtter*) intended for residential, office or commercial purposes, (ii) pledges over tenant-owner rights (Sw:

bostadsrätter), or (iii) comparable security interests over equivalent assets situated in other countries within the European Economic Area.

Public credits are defined as certain loans to (or guaranteed by) *inter alia* the Kingdom of Sweden, Swedish municipalities and comparable public bodies, the European Communities, certain foreign states and central banks and certain foreign municipalities and comparable public bodies with powers of taxation.

Supplemental assets consist primarily of government bonds and cash, although the Swedish FSA may also authorise the use of certain debt instruments issued by credit institutions and other bodies as supplemental assets.

Loan-to-value ratios and certain other restrictions

For mortgage credits, there is a maximum loan amount which may be included in the cover pool, depending on the value of the underlying collateral:

1. For residential collateral, a loan may be included in the cover pool only to the extent the loan amount does not exceed 75 per cent. of the market value of the collateral.
2. For agricultural collateral, a loan may be included in the cover pool only to the extent the loan amount does not exceed 70 per cent. of the market value of the collateral.
3. For office or commercial collateral, a loan may be included in the cover pool only to the extent the loan amount does not exceed 60 per cent. of the market value of the collateral.

Should a loan exceed the relevant ratio, only the part of the loan that falls within the permitted limit may be included in the cover pool (a **Partly Eligible Loan**). The Act on Säkerställda Obligationer does not explicitly regulate how proceeds in respect of a Partly Eligible Loan shall be distributed between the eligible and the non-eligible parts of the loan.

The most likely interpretation is that interest payments shall be allocated *pro rata* between the eligible and non-eligible parts of the loan and that amortisations shall be applied first towards the non-eligible part of the loan (absent enforcement of the security over the underlying collateral). However, proceeds from enforcement of the security should most likely be applied first towards the eligible part of the loan.

A similar situation arises if, for example, the same mortgage security serves as first-ranking security for two (or more) loans granted by an Institution and only one of these loans is included in the cover pool. The Act on Säkerställda Obligationer does not give clear guidance as to how proceeds shall be allocated between the two loans in case of the Institution's bankruptcy. The lack of guidance may give room for unsecured creditors of the Institution to argue that only a *pro rata* portion of such proceeds shall be allocated to the loan included in the cover pool.

The Act on Säkerställda Obligationer restricts the overall proportion of loans provided against security over real property (or site leasehold rights or tenant-owner rights) intended for office or commercial purposes to 10 per cent. of an Institution's cover pool.

Furthermore, the proportion of supplemental assets may not exceed 20 per cent. of the cover pool, although the Swedish FSA has the authority to raise this limit to 30 per cent. for a limited period in special circumstances.

Institutions are required to regularly monitor the market value of the mortgage assets that serve as collateral for loans included in the cover pool. If the market value of such a mortgage asset declines significantly (15 per cent. or more according to the preparatory works to the Act on Säkerställda

Obligationer), then only such part of the loan that falls within the permitted loan-to-value ratio will be eligible for inclusion in the cover pool and will be subject to the priority right described below. However, a decline in the market value following an Institution's bankruptcy would not result in a reduction of the assets in which holders of covered bonds (and relevant derivative counterparties) have a priority right, but could result in the cover pool ceasing to meet the matching requirements.

Matching requirements

The Act on Säkerställda Obligationer prescribes that the nominal value of the cover pool shall at all times exceed the aggregate nominal value of claims that may be asserted against an Institution by reference to covered bonds. The calculation shall be made on the basis of current book values and shall take into account the effect of relevant derivative contracts.

Furthermore, an Institution must compose the cover pool in such a way as to ensure a sound balance between the covered bonds and the assets in the cover pool in terms of currencies, interest rates and interest fixation periods. Such sound balance is deemed to exist when the present value of the cover pool at all times exceeds the present value of the liabilities relating to the covered bonds. The present value of derivative contracts shall be taken into account for the purposes of such calculation. The calculations of present value shall withstand certain stress tests (changes in interest rates and/or currency exchange rates).

The payment flows relating to the assets in the cover pool, derivative contracts and covered bonds shall be such that an Institution is at all times able to meet its payment obligations towards holders of covered bonds and relevant derivative counterparties.

Non-performing assets in the cover pool which are more than 60 days overdue must be disregarded for the purposes of the matching tests.

Supervision by the Swedish FSA and the independent monitor

The Swedish FSA monitors that an Institution complies with the Act on Säkerställda Obligationer and other provisions of the legislative and regulatory framework which regulates the business of the Institution. In addition, the Swedish FSA appoints an independent monitor (Sw: *oberoende granskare*) for each Institution that issues covered bonds.

The independent monitor is responsible for monitoring the Register to assess whether or not it is being maintained correctly and in compliance with the Act on Säkerställda Obligationer and the SFSA Regulations. In particular, the independent monitor shall verify that (i) covered bonds and relevant derivative contracts are registered in the Register, (ii) only loans and supplemental assets that satisfy the eligibility criteria are included in the cover pool and registered in the Register, (iii) the valuations of the underlying collateral for loans in the cover pool are in accordance with the Act on Säkerställda Obligationer and the SFSA Regulations, (iv) mortgage loans the underlying collateral of which has decreased significantly in value are, for the purpose of the matching requirements, deducted from the cover pool to the extent necessary to comply with the relevant loan-to-value ratio and (v) the matching requirements are complied with.

The independent monitor is entitled to request information from the Institution, conduct site visits and is required to report regularly and at least once a year to the Swedish FSA. The Act on Säkerställda Obligationer does not provide for any change to the independent monitor's remit upon the bankruptcy of an Institution.

Benefit of a priority right in the cover pool

Pursuant to the Act on Säkerställda Obligationer and the Swedish Rights of Priority Act (Sw: *förmånsrättslagen (1970:979)*), holders of covered bonds benefit from a priority right in the cover pool should the Institution be declared bankrupt (Sw: *försatt i konkurs*). The same priority is awarded to the

Institution's eligible counterparties to derivative contracts entered into for the purpose of matching the financial terms of the assets in the cover pool with those of the covered bonds. Such derivative counterparties and the holders of covered bonds rank *pari passu* with joint seniority in relation to the cover pool.

By virtue of the aforementioned priority, holders of covered bonds and relevant derivative counterparties rank ahead of unsecured creditors and all other creditors of the Institution in respect of assets in the cover pool (except the administrator-in-bankruptcy as regards fees for his administration of assets in the cover pool and costs for such administration and obligations under liquidity loans and other agreements entered into by the administrator-in bankruptcy on behalf of the bankruptcy estate with a view to fulfilling the matching requirements for the cover pool (see further below)). The priority right also covers cash received by an Institution and deriving from the cover pool or relevant derivative contracts, provided that certain administrative procedures have been complied with.

Due to what is generally regarded as an oversight by the legislator, there is some uncertainty as to whether a creditor that obtains execution (Sw: *utmätning*) against an asset in the cover pool earlier than three months before an Institution's bankruptcy could defeat the priority afforded to holders of covered bonds and derivative counterparties as regards such asset. However, an execution that is levied less than three months before the Institution is being declared bankrupt will typically not defeat the priority.

Administration of the cover pool in the event of bankruptcy

Should an Institution be declared bankrupt, at least one administrator-in-bankruptcy would be appointed by the bankruptcy court and one administrator-in-bankruptcy would be appointed by the Swedish FSA. The administrators-in-bankruptcy would take over the administration of the bankruptcy estate, including the cover pool.

Provided that (and as long as) the cover pool meets the requirements of the Act on Säkerställda Obligationer (including the matching requirements), the assets in the cover pool, the covered bonds and any relevant derivative contracts that have been entered into the Register are required to be maintained as a unit and kept segregated from other assets and liabilities of the bankruptcy estate of the Institution. The administrators-in-bankruptcy are in such case required to procure the continued timely service of payments due under the covered bonds and any relevant derivative contracts. Consequently, the bankruptcy would not as such result in early repayment or suspension of payments to holders of covered bonds or to derivative counterparties, so long as the cover pool continues to meet the requirements of the Act on Säkerställda Obligationer .

Upon an Institution's bankruptcy, neither the Institution nor its bankruptcy estate would have the ability to issue further covered bonds. However, following a recent amendment the Act on Säkerställda Obligationer gives the administrators-in-bankruptcy an explicit and broad mandate to enter into loan, derivative, repo and other transactions on behalf of the bankruptcy estate with a view to attaining matching of cash flows, currencies, interest rates and interest periods between assets in the cover pool, covered bonds and derivative contracts. Counterparties in such transactions will rank senior to holders of covered bonds and derivative counterparties. The administrators-in-bankruptcy may also raise liquidity by selling assets in the cover pool in the market for example.

If the cover pool ceases to meet the requirements of the Act on Säkerställda Obligationer, and the deviations are not just temporary and minor, the cover pool may no longer be maintained as a unit and the continuous payment under the terms and conditions of the covered bonds and derivative contracts will cease. The holders of covered bonds and derivative counterparties would in such case instead benefit from a priority right in the proceeds of a sale of the assets in the cover pool in accordance with general bankruptcy rules. This could result in the holders of covered bonds receiving payment according to a schedule that is different from that contemplated by the terms and conditions of the covered bonds (with accelerations as well as delays) or that the holders of covered bonds are not paid in full. However, the holders of covered bonds and derivative counterparties would retain the benefit of the right of priority in the assets comprising

the cover pool. Any residual claims of the holders of covered bonds and derivative counterparties remain valid claims against the Institution, but will rank *pari passu* with other unsecured and unsubordinated creditors of the Institution.

INFORMATION RELATING TO THE ISSUER

Introduction

The Issuer was established with the trade name Lagrummet Augusti nr 52 Aktiebolag and registered in Sweden on 24 June 2003. The shares in Lagrummet Augusti nr 52 Aktiebolag were acquired by SBAB on 13 October 2005. The Issuer was acquired for the purpose of managing SBAB's issuance of covered bonds. On 31 March 2006 the Issuer was granted a licence by the Swedish FSA to conduct financing operations and to issue covered bonds under the Act on Säkerställda Obligationer. On the same date, the change of name to AB Sveriges Säkerställda Obligationer (publ) with the parallel trade name The Swedish Covered Bond Corporation was registered with the Swedish Companies Registration Office (Sw. *Bolagsverket*).

The Issuer's corporate identification number is 556645-9755 and its postal address is Box 27308, SE-102 54 Stockholm, Sweden, telephone no. +46 8-614 43 00 and visiting address is Löjtnantsgatan 21, SE-115 50 Stockholm, Sweden. Since its establishment date, the Issuer's principal place of business has been in Stockholm, Sweden.

Relevant Legislation

The Issuer is a public limited liability company and is governed by the Swedish Companies Act (Sw. *Aktiebolagslagen (2005:551)*) and its Articles of Association.

The Issuer undertakes financing operations and is therefore governed by the Swedish Act on Banking and Financing Activities and is under the supervision of the Swedish FSA.

The Swedish Capital Adequacy and Large Exposures Act (Sw. *Lag (2006:1371) om kapitaltäckning och stora exponeringar*) also imposes certain requirements on the Issuer regarding capital adequacy.

Operations

The Issuer is a wholly owned subsidiary of SBAB. SBAB has been undertaking lending operations for over 20 years and in order to finance these operations SBAB has historically issued debt instruments. The main debt instruments issued by SBAB have been Swedish mortgage bonds, bonds under its EMTN programme and commercial paper. Following the introduction of the Act on Säkerställda Obligationer, SBAB decided to diversify its debt raising by also issuing covered bonds under the Act on Säkerställda Obligationer. After careful consideration of the available options SBAB chose, instead of issuing covered bonds in its own name, to acquire a subsidiary (being the Issuer) through which the covered bonds may be issued. There were several reasons for this, but a key reason was that SBAB can restrict, to the greatest possible extent, the number of competing creditors to the issuer of covered bonds (i.e. the Issuer) and thus creating a stronger position for the Covered Bondholders.

The Issuer does not conduct any lending operations, but acquires loans primarily from SBAB and will potentially also acquire loans from others. The Issuer and SBAB entered into a master sale agreement on the 2 June 2006 (the **Master Sale Agreement**) (which took effect as of 5 May 2006), pursuant to which the Issuer acquired an initial portfolio of loans (the **Completion Portfolio**) from SBAB (See further, "*Summary of Transaction Documents – Master Sale Agreement*" below).

The Master Sale Agreement also provides for the continuous transfer of Loans from SBAB to the Issuer on the terms and conditions stated in that agreement (including, a provision that the Loans must (in whole or in part) be eligible to be used for the Cover Pool in accordance with the Act on Säkerställda Obligationer).

The purchase price for the Completion Portfolio was paid by the Issuer by issuing a subordinated vendor note in favour of SBAB (the **Completion Subordinated Vendor Note**). The Issuer repays the balance of the Completion Subordinated Vendor Note and any other subordinated vendor notes (each an **Additional Subordinated Vendor Note**, and, together with the Completion Subordinated Vendor Note, the **Subordinated Notes**) issued by the Issuer in consideration for the acquisition of further Loans from SBAB pursuant to the Master Sale Agreement concurrently with the issue of Covered Bonds. Accordingly, any part of a Subordinated Note that remains unpaid is equal to the nominal outstanding value of the assets acquired from SBAB that either do not qualify for use as part of the Cover Pool under the Act on Säkerställda Obligationer or that do qualify but are included in the Cover Pool as overcollateralisation (See further, “*Summary of Transaction Documents – Subordinated Notes*” below.)

The Issuer will raise the necessary funds to repay SBAB and any other entity it acquires assets from in the future through the issuance of Covered Bonds, subject to the Issuer only being entitled to issue Covered Bonds in an amount not exceeding the value of the Cover Pool.

If the Issuer intends to acquire assets from entities other than SBAB it will enter into a new mortgage sale agreement with such entity.

The assets of the Issuer that are not included in the Cover Pool will be available to satisfy the Noteholders’ claims by Noteholders’ seeking execution against the Issuer prior to the Issuer’s bankruptcy or as dividends (advance and/or final) following the bankruptcy of the Issuer if the assets in the Cover Pool are not sufficient to pay the Noteholders claims against the Issuer in full. As the Issuer will not be engaging in any activity except for the issuance of Covered Bonds, the entry into derivative agreements and ancillary activities reasonably related thereto (including, without limitation, purchasing, owning, selling and managing loans and their related security and any other substitute assets), it is likely that there would only be a few other creditors (other than SBAB) competing with the Noteholders, any other Covered Bondholders and the Eligible Swap Providers in all or any part of the other assets of the Issuer not comprising the Cover Pool. Further, SBAB has agreed, pursuant to the Subordination Agreement, that all its claims against the Issuer (except in relation to claims deriving from the Eligible Swaps) will be subordinated to all unsubordinated claims against the Issuer (including, without limitation, the claims of the Covered Bondholders and the Eligible Swap Providers) in the Issuer’s bankruptcy.

Outsourcing Agreement concerning certain Services

For the purpose of achieving efficiency benefits SBAB and the Issuer have agreed that SBAB (in such capacity, the **Servicer**) shall undertake all services necessary for the Issuer to be able to carry out its business operations. An outsourcing agreement was entered into on 2 June 2006 between the Issuer and the Servicer (the **Outsourcing Agreement**) (which took effect as of 5 May 2006) pursuant to which the Servicer shall perform all services that the Issuer, from time to time, may need to carry out its business operations. (See further, “*Summary of Transaction Documents – Outsourcing Agreement*” below).

Financial Information

The Issuer was established on 24 June 2003 as a limited liability company with the minimum share capital, SEK 100,000 and was made a public company on 31 March 2006.

The present share capital is SEK 50 million. The Issuer’s entire share capital has been fully paid. Each share carries one vote.

The annual report has been prepared in accordance with the Act concerning Credit Institutions and Securities Companies (Sw. *lag (1995:1559) om årsredovisning i kreditinstitut och värdepappersbolag*). SCBC applies statutory IFRS, which means that the annual report has been prepared in compliance with IFRS subject to the additions and exceptions that ensue from the Swedish Financial Reporting Council’s recommendation RFR 2.2, Accounting for Legal Entities, and the Swedish FSA’s regulations and general

guidelines on annual reports in credit institutions and securities companies undertakings (FFFS 2008:25). The annual report has been prepared in accordance with the acquisition method, apart from derivative instruments and financial assets and liabilities at fair value through profit or loss.

The rules of procedure will also regulate the work allocation between the Board of Directors, the Chairman of the Board of Directors and the Chief Executive Officer of the Issuer.

Executive Management

Johanna Clason is the Issuer's Chief Executive Officer. She is also Chief Financial Officer of SBAB.

The above mentioned auditor in charge is a member of Far, the professional institute for authorised public accountants, approved public accountants and other highly qualified professionals in the accountancy sector in Sweden.

Under the agreement SBAB makes available a committed credit facility to the Issuer up to an amount equal to the Issuer's, from time to time, outstanding covered bonds with an original maturity falling in the period within 364 days from the date of the agreement. The term of the agreement is 364 days and is automatically extended with 364 days unless terminated by the Issuer or if a default under the agreement is outstanding and SBAB gives the Issuer notice 30 days prior to the relevant termination date that the agreement should not be extended.

Jurisdiction

The Issuer is established under, and accordingly subject to, Swedish laws. Should the Issuer conduct operations outside Sweden the operations conducted will also be governed by the laws and regulations of the country in question.

Recent Developments

Rating methodology

As a result of the financial crisis, rating agencies modified certain aspects of their rating analysis for covered bonds during 2009. The modifications ranged from introducing more conservative assumptions in their existing methodology to changing certain aspects of the actual methodology. As a result, issuers had to meet more stringent requirements in order to retain their credit ratings. The Issuer retained the highest possible long term rating from both Standard & Poor's (AAA) and Moody's (Aaa). Early in 2009, Standard & Poor's declared its intention to change the rating methodology for covered bonds, and subsequently published its revised methodology on 16 December 2009. At the same time, the Issuer's rating was placed on CreditWatch along with 97 other issuers of covered bonds.

INFORMATION RELATING TO SBAB

The Issuer's parent company, SBAB, is a wholly state-owned public limited liability company. The interest of the Kingdom of Sweden is represented by the Swedish Ministry of Enterprise, Energy and Communications. SBAB is an independent profit making company regulated by the Swedish Act on Banking and Financing Activities and subject to the supervision of the Swedish FSA.

The registered postal address of SBAB is P.O. Box 27308, SE-102 54 Stockholm, Sweden and the telephone number is +46 8 614 4300. The visiting address of SBAB is Löjtnantsgatan 21, SE-115 50 Stockholm, Sweden.

SBAB's mandate by the state is to contribute to diversity and competition in the Swedish housing mortgage market by conducting an efficient and profitable mortgage granting operation and pursuing common economic objectives. SBAB's twofold objective is to operate a low-risk, profitable and cost-efficient business while maintaining ethically high standards and to achieve the rate of return set by the owner.

SBAB, together with Sparbanken Finn and Sparbanken Gripen AB, owns the cooperation company FriSpar Bolån AB. References in this Prospectus to the **SBAB Group** are to SBAB and its subsidiaries FriSpar Bolån AB and the Issuer.

In April 2007, SBAB began deposit-taking from the public. During 2009 the savings products were also made available to corporate customers and tenant owner associations.

On 1 March 2007, the Swedish Government presented a Government Bill (Gov. Bill 2006/07:57) to the Swedish parliament (Sw. *Riksdag*) whereby the Government proposed that the state ownership of companies should be reduced. The Government proposed that the sale process should start by reducing the ownership in six companies: Civitas Holding AB (publ) which owns Vasakronan AB (publ), Nordea Bank AB (publ), OMX AB (publ), SBAB, Telia Sonera AB (publ) and V&S Vin & Sprit AB (publ). The Government further proposed that authorisation would be given to undertake the following measures: to divest the whole or parts of the shareholding in the companies mentioned above, to receive shares and other forms of assets as payment besides cash, and subsequently to sell these shares or other assets. The Government Bill was approved by the *Riksdag* on 20 June 2007.

On 22 April 2009, the *Riksdag* enacted a Government bill (Gov. Bill 2008/09:104) authorising SBAB, in addition to its current operations, to also conduct banking activities and other financial operations that have a natural correlation with such activities pursuant to Swedish Act on Banking and Financing Activities (Sw. *Lag (2004:297) om bank- och finansieringsrörelse*), as well as fund operations pursuant to the Swedish Investment Fund Act (Sw. *Lag (2004:46) om investeringsfonder*). On 18 December 2009, SBAB submitted an application to the Swedish FSA for a licence to conduct banking operations.

SUMMARY OF TRANSACTION DOCUMENTS

Master Sale Agreement

General

Pursuant to the terms of a master sale agreement entered into by the Issuer and SBAB on 2 June 2006 (the **Master Sale Agreement**) (which took effect as of 5 May 2006), SBAB (i) assigned and transferred and the Issuer purchased the Completion Portfolio on 8 May 2006 (the **Completion Date**); and (ii) agreed to offer to assign and transfer to the Issuer additional loans and related security from time to time during the term of the agreement. The Issuer is not obliged to accept any such offer from SBAB, however, it is the intention of the Issuer and SBAB that such offers will be accepted. Any additional loan offered by SBAB (in accordance with the Master Sale Agreement), and accepted by the Issuer, is referred to herein as a **Qualifying Additional Loan**.

The Issuer may, from time to time, purchase further loans and related security from entities other than SBAB. In such circumstances, the Issuer will enter into a new mortgage sale agreement with such seller.

Consideration

The initial purchase consideration was paid by the issuance of the Completion Subordinated Vendor Note on the Completion Date. The aggregate consideration for all Qualifying Additional Loans acquired during any quarter after the Completion Date shall be paid by the issuance of an Additional Subordinated Vendor Note by the Issuer. Claims by SBAB for consideration payable under the Master Sale Agreement shall, in the event of the bankruptcy or liquidation of the Issuer, rank after the Issuer's non-subordinated obligations.

Registration and transfer of legal title

The Loans in the Completion Portfolio and any Qualifying Additional Loans assigned and transferred, or to be assigned and transferred, to the Issuer pursuant to the Master Sale Agreement are herein referred to as the **Loans** and each, a **Loan**.

The transfer and assignment of each Loan shall be effected by the relevant Loan being registered in the loan register (Sw. *Lånereskontra*) of the Issuer and deregistered in the loan register (Sw. *Lånereskontra*) of SBAB or vice versa in the case of any Loan repurchased by SBAB.

Eligibility Criteria and representations and warranties

All Loans sold to the Issuer must (in whole or in part) be eligible for inclusion in the Cover Pool in accordance with the Act on Säkerställda Obligationer (the **Eligibility Criteria**).

The Issuer has not made (nor will it make) any of the enquiries, searches or investigations which a prudent purchaser would normally make in relation to the Loans or the related security purchased under the Master Sale Agreement. In addition, the Issuer has not made (nor will it make) any enquiry, search or investigation at any time in relation to compliance by any party with respect to the provisions of the Master Sale Agreement or in relation to any applicable laws or the execution, legality, validity, perfection, adequacy or enforceability of the Loans or the related security purchased under the Master Sale Agreement.

In relation to all of the foregoing matters concerning the Loans and the related security, the Issuer will rely entirely on the representations and warranties (the **Warranties**) to be given by SBAB to the Issuer. The Warranties to be given by SBAB under the Master Sale Agreement are:

- (a) SBAB is the absolute owner of each Loan assigned and transferred by SBAB and SBAB has the benefit of each Loan and any related security to each Loan to be sold to the Issuer and that no such Loan or its related security is subject to any encumbrance or transfer restriction;
- (b) each Loan assigned and transferred by SBAB and its related security constitutes a valid and binding obligation of the borrower enforceable in accordance with its terms and the related security to each Loan secures the repayment of all advances, interest, costs and expenses payable by the relevant borrower;
- (c) no registration or other action is required to perfect or create the interest of SBAB in mortgage certificates (*Sw. pantbrev*) which provides security for any Loan transferred by SBAB under the Master Sale Agreement;
- (d) the terms of each Loan (including the rate of interest payable by each borrower under each Loan) constitute legal, valid, binding and enforceable obligations of the borrowers;
- (e) each Loan transferred by SBAB and its related security complies with the Eligibility Criteria;
- (f) the mortgage certificate (*Sw. pantbrev*) for each Loan does not serve as shared security (*Sw. gemensam säkerhet*) for any other mortgage loan, except where the creditor under that other mortgage loan is SBAB or has entered into a subordination agreement with the Issuer on substantially the same terms as the Subordination Agreement; and
- (g) the Loan does not impose an obligation upon the lender to make further advances.

SBAB undertakes to notify the Issuer of the breach of any Warranty immediately upon becoming aware of such breach.

Purchase by SBAB on breach of Warranty

If there is a breach of any Warranty given by SBAB, SBAB will be required to repurchase the relevant Loan from the Issuer.

If the relevant Loan is not, for any reason, retransferred and reassigned back to SBAB, that Loan shall not, for the purposes of all calculations and tests in relation to the Cover Pool, be assigned any value.

Governing law

The Master Sale Agreement is governed by Swedish law.

Outsourcing Agreement

General

Pursuant to the terms of the outsourcing agreement entered into between the Servicer and the Issuer on 2 June 2006 (which took effect as of 5 May 2006) and as amended on 19 December 2008 (the **Outsourcing Agreement**), the Servicer has agreed (among other things) to service on behalf of the Issuer the Loans and their related security sold by it to the Issuer.

Servicing of the Loans

Servicing procedures will include (among other things) administration of all Loans in accordance with the Issuer's and SBAB's credit policy and credit instructions. In addition, the Servicer undertakes to manage insurance matters in relation to the Loans and the safe handling and custody of promissory notes,

mortgage certificates and other security documents. The services to be provided by the Servicer will also include, but are not limited to, accounting services, assisting in the drawing up of documents to certain authorities (for example, the Swedish FSA), providing services in respect of the Issuer's derivative transactions and such supplementary services as may be requested by the Issuer that may from time to time be necessary or desirable for the operations of the Issuer.

The Servicer must also ensure that the Cover Pool is administered in accordance with the provisions of the Act on Säkerställda Obligationer applicable from time to time, the regulations and general guidelines governing covered bonds issued by the Swedish FSA (Sw. *FFFS 2004:11*), the Issuer's articles of association, the terms and condition for the Covered Bonds and the policies and instructions set by the Issuer.

Further, the Servicer undertakes to monitor whether the Cover Pool complies with the Act on Säkerställda Obligationer and perform all tests required by the Act on Säkerställda Obligationer and/or for the Outsourcing Agreement. The monitoring function to be undertaken by the Servicer will be in addition to that undertaken by the cover pool monitor appointed by the Swedish FSA. See "*Summary of the Swedish Legislation Regarding Säkerställda Obligationer – Cover Pool Monitor*" above.

Collection and enforcement procedures

The Servicer will manage and collect all payments due under the Loans on behalf of the Issuer in accordance with the applicable conditions in respect of the Loans. The Servicer will also be responsible for the supervision and monitoring of payments falling due in respect of the Loans. On the occurrence of an event of default under the Loans, the Servicer will implement enforcement procedures.

Cash management services

The Servicer will also provide certain cash management services to the Issuer pursuant to the Outsourcing Agreement. Among other things, the Servicer will be required to manage the Issuer's book accounts within the framework of SBAB's group account structure and will ensure that the Issuer's funds will, at all times, be capable of separate identification from the funds of SBAB under the SBAB group account structure. All funds collected by SBAB on behalf of the Issuer will be credited to the Issuer's sub-ledgers in the SBAB group account structure. The Issuer will have (a) a sub-ledger to which all funds related to assets in the Cover Pool and funds received under Eligible Swaps will be credited (the **Cover Pool Sub-Ledger**) and (b) a sub-ledger to which all other funds of the Issuer will be credited (the **Non-Cover Pool Sub-Ledger** and, together with the Cover Pool Sub-Ledger, the **Issuer Sub-Ledgers**). The Issuer will have a claim against SBAB for any amount credited to the Issuer Sub Ledgers under the SBAB group account structure and SBAB will be obliged to fully repay the Issuer upon first demand by the Issuer. In addition, SBAB waives any circumstances which could release SBAB from its obligation to repay such funds to the Issuer.

For as long as the short-term, unsecured and unsubordinated rating of SBAB is at least "P-1" by Moody's and "A-1" by S&P (or, if no short-term rating is available, the long-term, unsecured and unsubordinated rating is at least "A+" by S&P), SBAB shall maintain the existing cash account structure.

If, however, the short term, unsecured and unsubordinated rating of SBAB falls below (a) "P-1" by Moody's or (b) "A-1" by S&P (or, if no short-term rating is available, the long-term, unsecured and unsubordinated rating falls below "A+" by S&P), SBAB undertakes, within 60 days, to open and maintain an account with an account bank which has a short-term, unsecured and unsubordinated rating which is not below "A-1" by S&P (or, if no short-term rating is available, a long-term, unsecured and unsubordinated rating which is not below "A+" by S&P) and "P-1" by Moody's (the **Issuer Collection Account**). All income collected by SBAB on behalf of the Issuer following such downgrade once the Issuer Collection Account is opened, and until SBAB's rating is at least (a) "A-1" by S&P (or, if no short-term rating is available, the long-term, unsecured and unsubordinated rating is at least "A+" by S&P) and (b) "P-1" by Moody's, shall be treated by SBAB as funds to be accounted for (Sw. *redovisningsmedel*) pursuant to the

Swedish Funds Accounting Act (Sw. *Lagen om redovisningsmedel (1944:181)*) and SBAB shall on a daily basis transfer all income collected on behalf of the Issuer to the Issuer Collection Account. SBAB shall also take all other necessary steps in order to satisfy the requirement of the Swedish Funds Accounting Act for funds to be accounted for.

Fees

The Issuer will pay to the Servicer a fee based on the fair market value of the services provided by the Servicer under the Outsourcing Agreement which shall be considered on a yearly basis.

Claims for consideration and any other amount payable under the Outsourcing Agreement shall in the event of the bankruptcy, liquidation proceedings or company reorganisation of the Issuer be subordinated to the Issuer's non-subordinated creditors. Prior to any bankruptcy, liquidation or company reorganisation of the Issuer, the Servicer may set-off such consideration and other amounts due under the Outsourcing Agreement against amounts the Servicer receives on behalf of the Issuer.

Additional Monitoring upon SBAB Downgrade

Upon a downgrade of the unsecured, unsubordinated short-term rating of SBAB falling below "A-1" by S&P (or, if no short-term rating is available, the long-term, unsecured and unsubordinated rating falls below "A+" by S&P) or if the beneficial ownership of the share capital of the Issuer changes so that SBAB ceases to be entitled to exercise at least 51 per cent. of the votes conferred thereby (if such change in ownership has not been pre-approved by S&P), the Issuer will within 30 days apply the most recent version of S&P's desk-top modelling called the "covered bond monitor", with such adjustments in this modelling tool needed for the Swedish market (the **Covered Bond Monitor**). In such case the Issuer will, to the extent legally possible, maintain an over-collateralisation of the cover pool with respect to the Covered Bonds issued by the Issuer at a level sufficient to ensure the cover pool satisfies in all respects the Relevant Eligibility Tests (as defined in the Outsourcing Agreement) using such appropriate input assumptions that S&P has notified to the Issuer, or the Issuer will alternatively take such other action which it considers necessary in order to maintain the rating of the Covered Bonds issued by the Issuer. Should the Issuer start using the Covered Bond Monitor, SBAB will in its role as administrator ensure that the model is being applied and used in the Issuer's business.

For the avoidance of doubt, the Issuer does not commit to ensure that any specific rating of the Covered Bonds will be upheld. Furthermore, the satisfaction of the Relevant Eligibility Tests in Covered Bond Monitor does not mean in any way that S&P will necessarily uphold any such rating.

Removal or resignation of the Servicer

The appointment of the Servicer may be terminated (a) if the Servicer breaches any of its obligations (other than minor breaches) under the Outsourcing Agreement and such breach is not remedied within 30 days from the date of receipt by the Servicer of a written notice of such default or (b) upon the expiry of not less than 3 months' notice of termination by the Issuer in accordance with the Outsourcing Agreement.

In addition, subject to the fulfilment of certain conditions including, without limitation, that a substitute servicer satisfactory to the Issuer has been appointed by the Issuer, the Servicer may voluntarily resign by giving not less than 12 months' notice of termination to the Issuer.

Governing law

The Outsourcing Agreement is governed by Swedish law.

Subordinated Notes

General

The consideration payable by the Issuer from time to time in respect of Loans assigned and transferred to it by SBAB under the Master Sale Agreement shall be payable by the issuance of Subordinated Notes.

The Issuer and SBAB entered into the Completion Subordinated Vendor Note in respect of the Completion Portfolio on 2 June 2006 (taking effect from 5 May 2006). In respect of Qualifying Additional Loans acquired by the Issuer in each quarter after the Completion Date, the Issuer and SBAB will enter into an Additional Subordinated Vendor Note in respect of such Qualifying Additional Loans. Under each Additional Subordinated Vendor Note, SBAB agrees to lend to the Issuer an amount equal to the aggregate consideration due for each Qualifying Additional Loan acquired in the relevant quarter.

Interest accrues in respect of each Subordinated Note at the interest rate set out in the relevant Subordinated Note. The Issuer may prepay a Subordinated Note (in whole or in part) at any time without penalty. Any claim by SBAB under the Subordinated Notes shall in the event of bankruptcy or liquidation of the Issuer rank after the Issuer's non-subordinated obligations.

SBAB cannot assign any Subordinated Note (in whole or in part) without the prior written consent of the Issuer and the proposed assignee must first enter into a subordination agreement with the Issuer on substantially the same terms as the Subordination Agreement prior to any such assignment taking effect.

Governing law

The Subordinated Notes are governed by Swedish law.

Subordination Agreement

General

Pursuant to a subordination agreement made between SBAB (in such capacity, the **Subordinated Creditor**) and the Issuer dated 2 June 2006 (the **Subordination Agreement**) (which took effect as of 5 May 2006), the Subordinated Creditor agrees to subordinate all present or future claims that it has or may have against the Issuer (including, without limitation, any claims that it may have under the Master Sale Agreement, each Subordinated Note, the Non-Cover Pool Swap Agreement and the Outsourcing Agreement but excluding any claims due to the Subordinated Creditor under any Eligible Swaps) (the **Subordinated Debt**) after the Issuer's non-subordinated obligations in the event of the bankruptcy, liquidation or company reorganisation of the Issuer.

Should a security serve as collateral for two different mortgage loans, one held by the Subordinated Creditor and one held by the Issuer, the Issuer shall be entitled to the amount of the loan held by it in priority to the Subordinated Creditor in the event of bankruptcy or enforcement proceedings with respect to the borrower under the mortgage loans.

The Subordinated Creditor will not sue, claim or bring proceedings, nor join any third party's request in that respect, against the Issuer for breach of any undertaking by the Issuer under or in connection with any Subordinated Debt.

In the event of the bankruptcy, liquidation or company reorganisation of the Issuer, the Subordinated Creditor may not set-off any Subordinated Debt against the obligation of the Subordinated Creditor to the Issuer.

Governing law

The Subordinated Agreement is governed by Swedish law.

Eligible Swap Agreements

The Issuer and the Cover Pool Swap Provider have entered into an interest rate swap transaction governed by an ISDA Master Agreement (including a schedule and confirmation) in respect of the assets registered in the Cover Pool (respectively, the **Cover Pool Swap** and the **Cover Pool Swap Agreement**). The Issuer has also entered into, and will from time to time enter into, additional interest rate swaps with Interest Rate Swap Providers by executing an ISDA Master Agreement (including schedules and confirmations) (each such agreement, an **Interest Rate Swap Agreement** and each of the transactions thereunder, an **Interest Rate Swap**), in order to hedge the Issuer's interest rate risks in SEK and other currencies to the extent that these have not already been hedged by the Cover Pool Swap or any other Eligible Swap. Further, the Issuer has also entered into, and will from time to time enter into, Currency Swaps with Currency Swap Providers by executing an ISDA Master Agreement (including schedules and confirmations) (each such agreement, a **Currency Swap Agreement** and each of the transactions thereunder, a **Currency Swap**), in order to hedge currency risks arising between (a) Covered Bonds issued in currencies other than SEK and (b) assets (other than loans and Eligible Swaps) forming part of the Cover Pool but denominated in currencies other than SEK.

The Cover Pool Swap Provider, the Interest Rate Swap Providers and the Currency Swap Providers are together referred to as the **Eligible Swap Providers**; the Cover Pool Swap Agreement, any Interest Rate Swap Agreement and any Currency Swap Agreement are together referred to as the **Eligible Swap Agreements**; and the Cover Pool Swap, each Interest Rate Swap and each Currency Swap are together referred to as the **Eligible Swaps**.

The matching requirements referred to in "*Summary of the Swedish Legislation Regarding Säkerställda Obligationer — Matching rules*" above will apply in respect of the Eligible Swaps.

Ratings downgrade

Under each of the Eligible Swap Agreements, in the event that the relevant rating(s) of an Eligible Swap Provider are downgraded by a Rating Agency below the rating(s) specified in the relevant Eligible Swap Agreement (in accordance with the requirements of the Rating Agencies) for such Eligible Swap Provider, the relevant Eligible Swap Provider will, in accordance with the relevant Eligible Swap Agreement, be required to take certain remedial measures which may include providing additional collateral for its obligations under the relevant Eligible Swap, arranging for its obligations under the relevant Eligible Swap to be transferred to an entity with rating(s) required by the relevant Rating Agency as specified in the relevant Eligible Swap Agreement (in accordance with the requirements of the relevant Rating Agency), procuring another entity with rating(s) required by the relevant Rating Agency as specified in the relevant Eligible Swap Agreement (in accordance with the requirements of the relevant Rating Agency) to become a co-obligor or guarantor, as applicable, in respect of its obligations under the relevant Eligible Swap or taking some other action as it may agree with the relevant Rating Agency.

Termination events

The Eligible Swap Agreements will or may be terminated under certain circumstances, including the following (this is not an exhaustive list):

- at the option of each Eligible Swap Provider, if the Issuer is in breach of representations contained in the relevant Eligible Swap Agreement to register the relevant Eligible Swap Agreement and each Eligible Swap thereunder in the Cover Pool register;

- at the option of each Eligible Swap Provider, if the assets in the Cover Pool are not kept together as a unit and separated from the other assets of the Issuer's bankruptcy estate;
- at the option of either party, if there is a modification to, or change in interpretation of, the provisions of the Act on Säkerställda Obligationer which adversely affects or is materially prejudicial to the rights of either the Issuer or the relevant Eligible Swap Provider;
- at the option of one party to the relevant Eligible Swap Agreement, if there is a failure by the other party to pay any amounts due under the relevant Eligible Swap Agreement and any applicable grace period has expired; and
- if the relevant Eligible Swap Provider or its guarantor, as applicable, is downgraded and fails to comply with the requirements of the ratings downgrade provisions contained in the relevant Eligible Swap Agreement and described above under *Ratings downgrade*.

Upon the occurrence of a swap early termination event, the Issuer or the relevant Eligible Swap Provider may be liable to make a termination payment to the other. The amount of any termination payment will be based on the market value of the terminated swap as determined on the basis of quotations sought from leading dealers as to the cost of entering into a swap with terms and conditions that would have the effect of preserving the economic equivalent of the respective full payment obligations of the parties (or based upon a good faith determination of total losses and costs (or gains) if an insufficient number of quotations can be obtained or if basing the valuation on quotations would not produce a commercially reasonable result) and will include any unpaid amounts that became due and payable prior to termination. Any such termination payment could be substantial and may affect the funds available to pay amounts due to the Covered Bondholders.

Covered Bondholders will not receive extra amounts (over and above interest and principal payable on the Covered Bonds) as a result of the Issuer receiving a termination payment from an Eligible Swap Provider.

Transfer

Each Eligible Swap Provider may, subject to certain conditions specified in the relevant Eligible Swap Agreement, including the satisfaction of certain requirements of the Rating Agencies, transfer its obligations under any Eligible Swap to another entity.

Taxation

The Issuer is not obliged under any of the Eligible Swap Agreements to gross up payments made by it if withholding taxes are imposed on payments made under an Eligible Swap.

Each Eligible Swap Provider will generally be obliged to gross up payments made by it to the Issuer if withholding taxes are imposed on payments made under an Eligible Swap. However, if, due to a change in law, an Eligible Swap Provider is required to gross up a payment under an Eligible Swap or to receive a payment under an Eligible Swap from which an amount has been deducted or withheld, the relevant Eligible Swap Provider may terminate the relevant Eligible Swap.

The Eligible Swap Providers will rank *pari passu* with the Covered Bondholders in respect of its claims against the Issuer in respect of assets registered to the Cover Pool.

General

The Eligible Swap Agreements are governed by English law.

Where the Issuer enters into both interest rate swap transactions and currency swap transactions with the same counterparty these may be entered into under the same ISDA Master Agreement.

The Issuer will only enter into Eligible Swaps with entities which are “qualified counterparties” for the purposes of the Act on Säkerställda Obligationer.

Non-Cover Pool Swap Agreement

The Issuer and the Non-Cover Pool Swap Provider have entered into an interest rate swap transaction governed by an ISDA Master Agreement (including a schedule and confirmation) in respect of the assets owned by the Issuer from time to time which are not registered to the Cover Pool (respectively, the **Non Cover Pool Swap** and the **Non-Cover Pool Swap Agreement**).

On each payment date under the Non-Cover Pool Swap, the Issuer will pay to the Non-Cover Pool Swap Provider all revenue payments (i.e. excluding principal payments) received in respect of the assets owned by it which are not registered to the Cover Pool (but excluding amounts corresponding to the client margin) and the Non-Cover Pool Swap Provider will pay to the Issuer an amount calculated on the nominal amount of assets owned by the Issuer but not registered the Cover Pool, based on 3-month STIBOR plus a margin.

The matching requirements referred to in “*Summary of the Swedish Legislation Regarding Säkerställda Obligationer — Matching rules*” above will not apply to the Non-Cover Pool Swap.

The Non-Cover Pool Swap Provider will only have a claim against the assets of the Issuer which are not registered to the Cover Pool. The Non-Cover Pool Swap Provider has agreed, pursuant to the Subordination Agreement, that in the event of a bankruptcy or liquidation of the Issuer, any claim it may have against the Issuer in respect of the Non-Cover Pool Swap will rank as to payment after the Issuer’s non-subordinated obligations (including, for the avoidance of doubt, amounts due in respect of the Covered Bonds and the Eligible Swaps).

The Non-Cover Pool Swap Agreement is governed by English law.

SUBSCRIPTION AND SALE AND SELLING RESTRICTIONS

The Dealer appointed as at the date of this Prospectus, being Citigroup Global Markets Limited, has in a programme agreement dated 11 June 2010 (such programme agreement as amended and/or supplemented and/or restated from time to time, the **Programme Agreement**), agreed with the Issuer a basis upon which it and all other Dealers appointed under the Programme Agreement from time to time or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*” and “*Terms and Conditions of the Notes*”. In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Notes under the Programme. The price at which a Tranche of Notes will be purchased or subscribed and the commission or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such subscription or purchase will be as agreed between the Issuer and the relevant Dealer at or prior to the time of the issue of the relevant Tranche.

Selling Restrictions

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except to certain persons in offshore transactions in reliance on Regulation S under the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a U.S. person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended, and regulations thereunder.

In connection with any Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S (**Regulation S Notes**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that, except as permitted by the Programme Agreement, it will not offer, sell or deliver such Regulation S Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering of the Tranche of Notes of which such Notes are a part and the closing of the offering of the Tranche of Notes of which such Notes are a part, each as determined and certified by the relevant Dealer in the case of a non syndicated issue or, the relevant lead manager in the case of a syndicated issue and except, in either case, in accordance with Rule 903 of Regulation S under the Securities Act, within the United States or to, or for the account or benefit of U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each Dealer to which it sells any Regulation S Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Regulation S Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Each issuance of Index Linked Notes or Dual Currency Notes shall be subject to such additional U.S. selling restrictions as the Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Final Terms.

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the Final Terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the Final Terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Final Terms, as applicable;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year (or, in Sweden, during each of the last two financial years); (2) a total balance sheet of more than €43,000,000; and (3) an annual net turnover of more than €50,000,000, as shown in its last (or, in Sweden, its last two) annual or consolidated accounts;
- (d) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or

provided that no such offer of Notes referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an **offer of Notes to the public** in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

TAXATION

Swedish Taxation

The following summary outlines certain Swedish tax consequences of the acquisition, ownership and disposal of Notes. The summary is based on the laws of the Kingdom of Sweden as currently in effect and is intended to provide general information only. The summary is not exhaustive and does thus not address all potential aspects of Swedish taxation that may be relevant for a potential investor in the Notes and is neither intended to be nor should be construed as legal or tax advice. In particular, the summary does not address the rules regarding reporting obligations for, among others, payers of interest. Specific tax consequences may be applicable to certain categories of corporations, e.g. investment companies and life insurance companies, not described below. Investors should consult their professional tax advisors regarding the Swedish and foreign tax consequences (including the applicability and effect of double taxation treaties) of acquiring, owning and disposing of Notes in their particular circumstances.

Non-resident holders of Notes

As used herein, a non-resident holder means a holder of Notes who is (a) an individual who is not a resident of Sweden for tax purposes and who has no connection to Sweden other than his/her investment in the Notes, or (b) an entity not organised under the laws of Sweden.

Payments of any principal amount or any amount that is considered to be interest for Swedish tax purposes to a non-resident holder of any Notes should not be subject to Swedish income tax provided that such holder does not carry out business activities from a permanent establishment in Sweden to which the Notes are effectively connected. Under Swedish tax law, no withholding tax is imposed on payments of principal or interest to a non-resident holder of any Notes.

Private individuals who are not resident in the Kingdom of Sweden for tax purposes may be liable to capital gains taxation in the Kingdom of Sweden upon disposal or redemption of certain financial instruments, depending on the classification of the particular financial instrument for Swedish income tax purposes, if they have been resident in the Kingdom of Sweden or have lived permanently in the Kingdom of Sweden at any time during the calendar year of disposal or redemption or the ten calendar years preceding the year of disposal or redemption.

Resident holders of Notes

As used herein, a resident holder means a holder of Notes who is (a) an individual who is a resident in Sweden for tax purposes or (b) an entity organised under the laws of Sweden.

Generally, for Swedish corporations and private individuals (and estates of deceased individuals) that are resident holders of any Notes, all capital income (e.g. income that is considered to be interest for Swedish tax purposes and capital gains on Notes) will be taxable.

If the Notes are registered with Euroclear Sweden AB or held by a Swedish nominee in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479), Swedish preliminary taxes are withheld by Euroclear Sweden AB or by the nominee on payments of amounts that are considered to be interest for Swedish tax purposes to a private individual (or an estate of a deceased individual) that is a resident holder of any Notes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

On 15 September 2008, the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008, the European Commission published a more detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirements described above.

United Kingdom

Payments of interest on the Notes may be made without withholding on account of United Kingdom income tax.

However, Noteholders who are individuals may wish to note that HM Revenue & Customs has power to obtain information (including the name and address of the beneficial owner of the interest) from any person in the United Kingdom who either pays interest to or receives interest for the benefit of an individual, or (in certain circumstances) who either pays amounts payable on the redemption of Notes to or receives such amounts for the benefit of an individual. Information so obtained may, in certain circumstances, be exchanged by HM Revenue & Customs with the tax authorities of the jurisdiction in which the Noteholder is resident for tax purposes.
